Fr. Joe’s Jottings

Only 30 days until all children will once again be in the academic year and learning environments. The summer is always an opportunity for some to relax but our obligation to worship our Lord and Savior never ends. Of late we have had many people who have not been present to serve in one of the ministerial roles at the Holy Mass. People are assigned and it is their responsibility to find a replacement.

A healthy parish is filled with those who volunteer whenever called upon, for which SS. Peter and Paul can be filled with pride. Therefore the pastor and the parish staff are spared those calls asking to find someone. With the connectivity and resources we have today, people can plan ahead and make the necessary adjustments. Thank you to everyone who takes our worship in the most serious manner. We are always in need of additional volunteers in every area especially in music.

Some parishes have reduced the number of Masses because the lack of participation in the ministries which is very prudent. If there isn’t anyone to provide music, help with communion, read the scriptures or serve at the altar then why have the Sacred Liturgy? Liturgy is the Greek phrase meaning the “work of the people” so that translates to people doing the work of prayer.

Thank you to all who make our prayer time so meaningful and valuable.

St. Joseph School
We all have at least one teacher we remember fondly and the influence they had on our lives can not be erased. Our teachers at SJS strive to be that “one teacher”.
Meet our Kindergarten staff!

Marquette Brink came to St. Joseph School in the fall of 2013 and finds teaching religion the most enjoyable aspect of her ministry. Marquette and her husband Colby have been married for 24 years. They have three children, Maddie (21), Colt (18), McKia (14). They are a family of faith, who farm for a living as well as provide Legend Seeds products and services to the central and western part of the state. Mrs. Brink received her Bachelor of Science in Elementary and Special Education from Dakota State University and a master’s degree in Elementary Administration from South Dakota State University. She has taught for 24 years at various grade levels and provides tutoring and educational services for children.
Personally, she enjoys crafting, gardening and singing. As a family they enjoy spending time with each other watching movies, snowmobiling, and riding ATV’s.
Her favorite bible verse is: “For I know the plans I have made for you,” declares the Lord, “Plans to prosper you and not to harm you, plans to give you hope and a future.”
Jeremiah 29:11

Erin Oxford taught at SJS for 6 years, went to Kennedy Elementary for the past 3 years and is returning to SJS this fall. She missed being able to pass on the faith and believes there is no better learning environment than a Christ-filled one and is excited to return “home”. Teaching at SJS provides the opportunity to see God’s work in all we do and the community is encouraged to live Jesus’ command to love one another! Her husband Andy works with the USDA/NRCS as a soil scientist, and they have three children. Genevieve (8th grade) and Ella (6th grade) will be at GMMS this fall; Asher will be in 4th grade at St. Joseph School. They enjoy the outdoors and have a hobby farm that keeps them busy and in good humor. She received her teaching degree from Montana State University-Bozeman and her master’s degree in Curriculum and Instruction from Black Hills State University. She knows each day is filled with learning experiences and no school year is ever the same. Her favorite Bible verse is Matthew 19:14, Jesus said, “Let the little children come to Me, and do not hinder them! For the kingdom of heaven belongs to such as these.”

JOB OPPORTUNITY- The after-school program is hiring. We need adults who would love to spend 2.5 hours a day with some of the best children in the world. Join us to get “your grandma and/or grandpa fix.” Not that old? Apply anyway to Darlene.Braun@k12.sd.us or Gay.Pickner@k12.sd.us Must be 16 or older.

Parish Activities
August 4 - 11

August 8, St. Dominic, began itinerant preaching in Spain, to combat the Albigensians heresy: that all matter is evil - including the Incarnation of Jesus and the sacraments. He lived in poverty and was successful with the ordinary people, but not with the leaders. His fellow preachers gradually became a community, and in 1215 Dominic founded a religious house at Toulouse, the beginning of the Order of Preachers - the Dominicans.

St. Teresa Benedicta of the Cross - August 9

Taken out of her convent and sent to Auschwitz, St. Teresa Benedicta was a Carmelite nun who was killed because she was a German Jew. It did not matter that she was a Catholic nun, it was the annihilation of Jewish blood that the Nazis were after.
