**Evenings of Healing and Hope!
Honored from Above, On Fire with Love:
Getting Things in Right Relationship**

Our retreat team from Transformed by Love will be back for three Evenings of Healing and Hope!

*Tuesdays Feb 21st, March 21st, and April 18th
6:30-8:00 pm.*

Broken relationships and age-old hurts kick joy beyond our grasp. Taunted by our weakness and haunted by our hurts, we stumble through the darkness of despair, frustration and failure. Yet God is near. Just as the Spirit of God brought order out of chaos at the world's creation, so the Spirit brings healing, hope and joy to those who let Him order their relationships.

We all have key relationships. These relationships form and shape our identity; how we see ourselves and how we respond to life's events. Often these relationships are wounded and they keep us from living the abundant life that God has promised each of us. We struggle with our identity and tend to lose our way, with no idea as to what our personal call or mission is. Our lives become routine and our hope wanes. In confusion and frustration, we may even turn away from God.

This series of talks, Getting Things in Right Relationship, will equip you to prioritize and understand relationships, to understand your true identity, and to prepare you to live out your mission.

Please join us, invite your family and friends. Get your questions answered. This is a life changing opportunity to finally "get things in the right order." We look forward to journeying with you.

Topics:

Feb. 21st *A Life Changing Relationship (Fixing our Eyes on the Father of Mercy)*

Mar. 21st *Your True Identity (Sharing the Heart of Jesus the Son)*

Apr. 16th *From Huddled in Fear to "All Shall Hear": on Fire for Mission in the Holy Spirit*

Appetizers and Refreshments available at 5:45pm

Hello from the Art Room! I hope everyone had a wonderful holiday. I wanted to thank you for all the prayers, support, and donations. For the rest of the year, we have a lot planned! We started out the year drawing, exploring the difference between drawing live and drawing from a picture. In February, most of us will start weaving. Each class will do a different type or way of doing weaving. In March, 3rd grade will do basket (reed) weaving in March, and 5th grade will do Macrame. Each class will do a special Lent project. 6th grade will create marionettes and miniatures. All classes will again have an opportunity to work with clay and sign up after school if they want to throw the wheel. We are going to break out in spring and explore by taking photos. I have been blessed by having AMAZING volunteers, who are very talented people willing to help teach art. We have a volunteer who knows how to use a Circuit machine that was donated and is willing to teach all of us. We are in need of more cartridges if anyone has any not in use.

Thank you and take Care!
Becca, Assumption School Art Room Teacher
