## From the Pastor's Desk

### Counting your blessings!

The story goes that a man went to confessions one morning and the priest gave him as his penance to count his blessings.

The man went out to lunch with a friend that day and told him the story. His friend asked: "And how are you doing?" The man replied: "I am still counting!" That same night the man died during his sleep from a heart attack. At the wake, the friend related the lunch conversation they had had the last day and how this man had died counting his blessing as his penance. The widow, the grown sons and daughters, were comforted by that powerful story about their husband and father who had died in God's grace and counting his blessings.

What are your blessings? This view of happiness is truly powerful and give us all food for thought and gratitude to the Lord.

#### Four views for Happiness

We all want to be happy. We need to have this view in order to achieve happiness.

1. A family that loves you and that you love.
2. A friend you can confide in. We all have business friends or co-workers and social friends we have fun with. But we need each to have a trusted friend to talk to about our interior self.
3. A meaningful work. Finding fulfillment and satisfaction in what you do.
4. A worldview of suffering and death. Only Jesus Christ can satisfy our deepest longings and answer our deep questions of life through his Passion, Cross, Death and Resurrection.

Let us count our blessings today.

All to the Greater Glory of God!

Fr. Jerry

## Keeping You in the Know – October –2021

Hello Folks,

You know, I imagine when people unfamiliar with QHR drive by our parish and get a glimpse of our church and school, they might think what a "nice, sleepy little country parish". Even though I've been coming to this church since the mid 1990's, I used to think that. Not until I started to get more involved and come out of my comfort zone, did I see the reality of this parish come to life. I'm recognizing the sheer volume of activity that takes place, the faith in action by our teachers both at the school and through the school of religion, the dedication of our parish groups and ministries, the amazing 24 hour a day adoration chapel which is foundational to our blessings, and the incredible sense of community that exists. This wonderful sense of community was no more apparent than our recent auction. I'm genuinely humbled by all of you and I thank you, thank you, thank you. Alright, back to 'keeping you in the know'.

#### Outdoor Classrooms

The site was prepped, forms constructed, conduit placed, the piers and slabs have been poured and saw cut. Site grading is partially complete, and we are waiting for the steel for the classrooms to be delivered. Gunter Construction is the general for the project and AB Creative the contractor for the placement and installation of the steel structures. We just received news that AB Creative has been delayed by yet another three weeks on the steel structures. As a result, Gunter will complete the site prep that they can, install and stripe the 12-space parking lot, and wait. AB Creative is aware that they won't use / damage the newly installed parking lot during installation of the buildings. I'll keep you posted.

We are needing as part of our permanent certificate of occupancy from Miami Co. a stormwater letter from an engineer stating that the additional parking area and structures will not increase the run-off of our site. If, there's someone in the parish that can help with this, please send me an email, or give me a call.

#### Fund A Need – "FIRMITAS"

With the tremendous success of our auction we *should* be able to fund the following "Firmitas" functional items. New roof for the school, parking lot repair and replacement of certain trouble spots, crack fill, seal, and restripe the affected areas, and new window shades for classrooms at the school. We will be gathering additional bids so costs may vary hopefully go down... We look to complete these projects when interruptions would be minimized. If you'd be interested in providing bids for any of these projects, please contact me.

God Bless, Mark Andrasik  
Business / IT Manager  
[mandrasik@qhrwea.org](mailto:mandrasik@qhrwea.org) (913) 879-7059

*To the keeper of the stars – thank you for blessing this community with faith in action where you've graced us with so many humble heroes that make this place special!!!*

### Mass of the Innocents

Have you or someone you know lost a child or loved one during pregnancy or in early infancy? If so, Archbishop Naumann invites you to commemorate this loss at a Mass on Sunday, October 24th, at 1:00 PM at Holy Spirit Church in Overland Park, KS. This annual Mass gives parents, grandparents, siblings or other loved ones the opportunity to receive consolation, whether the loss was recent or many years ago. Even if you have not personally experienced this kind of loss, you are invited to join us at this Mass to support those who have.

For questions or more info, contact **Brad DuPont** at  
**913-647-0301** or [bdupont@archkck.org](mailto:bdupont@archkck.org).

### Live the Liturgy

Presumption can be a great sin. We can easily convince ourselves that as long as we do the bare minimum or master the basics, it is sufficient. Love doesn't operate this way. If we are truly in love with God, then the basics are not going to be enough. That love is going to want to get expressed going above and beyond, in leaving the comfortable and familiar, in stretching and growing and in following a voice other than our own. This is what those who are truly in pursuit of wisdom come to realize. Just like any human relationship worth achieving reveals, we never reach a plateau in following the Gospel or growing in wisdom and holiness. Wisdom is the rudder that guides us through all of life's attractions and options. It alone determines what is worth pursuing and what must be left behind. That is why those who are only concerned about checking the boxes and doing the least amount possible often walk away sad when offered God's gift of life eternal. They are truly in love.

## Kids Corner Read the Gospel & Color

With God's help, you can do anything. You can play computer games. You can climb across the monkey bars. You can build a birdhouse or clean a birdcage. You can draw a person or a beautiful flower. You can ride a bike without training wheels. You can play soccer or hit baseballs. You can train a dog. You can plant a garden. Ask God to help. He will give you the strength to solve your problems.

### Prayer

Lord, make me strong in mind and body.

### Mission For The Week

With difficult jobs, I will say, "I can do this with God's help."
