### REFLECTION ON THE EASTER TRIDUUM

The Latin word Triduum means a period of three days. The Easter Triduum unfolds the Paschal Mystery of Jesus Christ. It is the culmination of all liturgical celebrations during the year. During the Easter Triduum, Christians commemorate the central events of their Salvation.

Holy Thursday, Good Friday and Holy Saturday with the Easter Vigil run through the essential core of Christian faith: the Passion, Death and Resurrection of Jesus Christ.

On **Holy Thursday**, Christians enact the Last Supper, in which the Lord Jesus, on the eve of his Passion and Death, instituted the Sacrament of the Eucharist and the Sacrament of the ministerial Priesthood. The traditional English name for this day, Maundy Thursday, comes from the Latin phrase *mandatum novum* – a new command – which comes from Jesus' words: "A new commandment I give to you, that you love one another; even as I have loved you, that you also love one another" (Jn 13: 34). On Maundy Thursday, Jesus established the new commandment of love. During the Mass on Maundy Thursday, Christians remember that Jesus Christ gave his body and blood to them as a remedy for immortality. Therefore, the Eucharist became the Source and Summit of Christian life.

**Good Friday** is a day to commemorate the Passion, Cross, and death of Jesus Christ. It's a day of fasting. The liturgy of Good Friday consists of three parts: the liturgy of the Word, the veneration of the Cross and the reception of the Holy Communion. The Body of Christ distributed on Good Friday is consecrated on Maundy Thursday. On Good Friday, Christians remember the humiliation that Christ Jesus undertook for the entire humanity. By dying on the Cross, Jesus takes the suffering and sin of the entire humanity upon him. The veneration of the Cross recalls to the Christians that Cross of Jesus Christ became a sign of victory on Good Friday. The participation in the Way of Cross helps Christians to associate themselves with the sufferings of Christ.

**The Easter Vigil** affirms that Christ is truly Risen and death has no power over Him. By his death he has conquered evil forever and has given to all humans the very life of God. The Bible readings during the celebration give an overview of salvation history and

God's interventions into time and space from the time of Creation till today. From the ancient time, the Easter Vigil was also the celebration for adult converts to be baptized and enter the Church. The catechumens receive the Sacrament of Baptism and all faithful renew their baptismal promises.

**Easter Sunday** is a day of joy and celebration. Christians celebrate the resurrection of Jesus Christ. The time of fasting and penance is over! Christians sing Alleluia to glorify God for all marvelous things that happen in their life. They fill their life from the life of the Risen Lord Jesus Christ.

May Jesus Christ, our Redeemer, fill us with his life!

### A God Who Knows How It Feels Tracy Earl Welliver, MTS

Christ could have spoken anything from the cross, so why did he choose to recite Psalm 22? And why is it so important that we recite that same Psalm at today's Mass?

*"My God, my God, why have you abandoned me?"*

We've never known the Jesus of the Gospels to doubt the will of God. We've never known him to be a defeatist or to give into feelings of despair. He's the hero who walks on water, the Savior who is welcomed to Jerusalem with a pathway of palms. And he knows how this story ends; he knows full well that his Father has absolutely not abandoned him.

So why does he say this? Jesus doesn't make offhanded comments, especially in his last hour. Today, when we repeat the words that he calls out in his darkest moment, we must remember that he wants us, very particularly, to consider them.

With his crucifixion, Jesus reminds us of his humanity. He is a man of flesh that can be torn and blood that can be shed. Somehow, in tandem with his divinity, he still possesses a heart that knows fear and pain and longing. And with this seemingly hopeless cry, he reminds us of that.

Let us never doubt that Jesus can relate to us in our brokenness. This is the week, friends. This is the week that reminds us that our God is a God who knows every pang, every trembling, and every uncertainty of human life. Our God knows what abandonment feels like. He knows what rejection feels like. He knows what it is to keep going when the strength and the will has disappeared.

### Adoration Hours During the Triduum

The Adoration Chapel will be closed beginning on **Thursday, April 14th at 8:00 AM** and will reopen sometime in the morning of **Tuesday, April 19th.** If you have any questions, contact **Rosie Guetterman at 913-980-4889 or [rmguetterman@yahoo.com](mailto:rmguetterman@yahoo.com).**

### Why Is It So Important That We Register In a Parish? Isn't It Good Enough That We Go To Mass?

Registration is the official way we join a parish community. Many people think that because they attend a particular parish they automatically belong. At times, young adults who have moved away for years think they are still signed up under their parents. But membership requires signing up, formally enrolling yourself in a parish. Registration is a commitment to a community, a way to be included in the religious, social, and ministerial activities of your parish. Your registration affects the parish in many ways. Census numbers can determine how many priests are assigned to a Church, what benefits and obligations the community has to the diocese, and how Masses, Confessions, and devotions are planned and scheduled. Registration shows you belong. It is also necessary for certain benefits, like scheduling sacraments, obtaining sponsor certificates, and getting donation statements for taxes. Most importantly, it lets the parish count on you, to call on you to assist in its mission. Registering in your parish is a statement of faith and confidence in the life and work of your parish.

## Kids Corner Read the Gospel & Color

One day the people were happy, praising Jesus and waving palm leaves to keep him cool. The next day they were spitting on him. They said, “Crucify him. Crucify him.” It hurts when your best friend says he or she likes you one day, and hates you the next day. Jesus will never leave your side. He is a true friend. He will always talk and play with you because he loves you.

### Prayer

I want to be a good friend of yours every day, Lord.

### Mission For The Week

I will say good words about my family and friends each day.
