Formed.org: Is Technology Bad?

It's hard to escape technology in today's world. It's all around us. Many of us work through laptops or desktops, and we often fill our leisure time with shows, video games, or social media. Considering this environment, Taylor Kemp and John Doheny discuss the value and danger of technology today.

Keeping You In The Know.....

Our school believes that each child is a masterpiece of God, created with precision for a specific purpose. At our school academics play a very important role, but, if our students graduate and do not have a close relationship with Christ, then we have ultimately failed. Sure our students may be ready to go out into the world to tackle academic or formal challenges, but as any adult will tell you, personal and spiritual challenges will be a much greater part of their lives and ultimate success. This is why the faith foundation they build at Holy Rosary Wea is so important.

A key component we have integrated into our studies in grades kindergarten through eighth grade is called Theology of the Body. This structured curriculum refers to a collection of 129 Wednesday Audiences, or short speeches derived directly from Holy Scripture given by Pope St. John Paul II during the first five years of his papacy. Theology of the Body helps us to better understand the very foundation of our identity created in God's image. It helps our students to answer questions such as: Who am I? Who is God? What is the purpose of life?

These questions help our students understand what it means to be human. It helps them to understand what it means to love (oneself and others); to better understand God's creation; to better understand their own gifts and how to share them, and to better understand how to see others' gifts. This curriculum lays a foundation for our students to better fully understand themselves and to have healthier relationships with others.

In addition, we make time to pray throughout the day, have Mass weekly, teach religion daily, and come together monthly as a staff to grow closer to God and one another by attending School of Faith. Other attributes of our students' faith development include integrating our Catholicity into all subjects we teach and providing unique opportunities for students to grow closer to Christ through programs, retreats, Eucharistic Adoration, service to others, personal prayer, and more. Students live out their faith here each day.

Essentially we believe "That Christ is the reason for this school. He is the unseen but ever present teacher in our classes. He is the model of our faculty and the inspiration of our students." Thanks for all you do to support our school.

In Christ,
Mr. Antista

Note from Fr. Jerry

"Indeed, the Grace of our Lord has been abundant along with the Faith and Love that are in Christ Jesus." 1 Timothy 1:14

These words of St. Paul in today's second reading speak loudly of the faith and love of the good people of Queen of the Holy Rosary- WEA. You continue to witness your love generously for Jesus, His Holy Mother and the Church as you carry on the commissioning of Jesus on Ascension Sunday to *"Go out and baptize all nations in the name of the Father, and of the Son and of the Holy Spirit."* Matthew 28:19

The financial report of the fiscal year 2021-2022 reveals your staunch love and commitment to build God's kingdom here at Wea through evangelization, liturgy, education, and works of mercy spreading the culture of Life all around us. Your financial gifts sustain our parish as a beacon of hope for those searching for a closer relationship with God through His words in the Scriptures and the Sacraments we celebrate together.

"Giving is not just about making a donation. It is about making a difference."

Kathy Calvin.

Thank you for your faithful support to QHR-WEA parish. Thank you for keeping QHR-WEA afloat. Thank you for your love of the Lord and His Holy Mother, Our Queen of the Holy Rosary.

Peace,
Fr. Jerry

The financial condition of the Parish remains sound. Our total assets have grown over previous year thanks in large part to the wonderful success of the Auction. Net Income shows a significant decrease from last year primarily due to Capital Expenditures & an increase of our School Subsidy. Outdoor classrooms were completed this year, the school roof was repaired, pavement and curb replacements completed, and new blinds for the classrooms installed. Our Net Income was budgeted to be -\$79,643, meaning we outperformed budgeted expectations. As always, your faithful contributions are vital to the continued success of the parish, providing for our Parish ministries and day to day operations.
