**Formed.org:
The Siege of Vienna**

This epic film tells the powerful true story of one of the most important military battles in history, recounting the Ottoman Turks massive invasion of Vienna, the gateway to the West, on

September 11, 1683, a moment when Christendom and Western civilization truly hung in the balance.

The Christian forces in Vienna, under the leadership of a weak Emperor Leopold I, were unprepared and vastly outnumbered for the onslaught. But a holy, courageous Capuchin monk, Blessed Marco D'Aviano, arrives in Vienna to rally the forces, and calls all the Christian people to fervent prayer, reminding them what is at stake. "Our wives, our children, and most importantly—the future of our Catholic Faith!"

Pastor's Corner

Many years ago I heard Fr. Gary Pennings giving a speech to the priests while at our annual Fall Convocation the third full week in September. He was the Vicar General of the Archdiocese (like a Vice President) and the pastor of QHR-WEA. He shared that when he became the Wea pastor he was told that new volunteers were needed for the main fundraising events in the parish and he took the task seriously to recruit new volunteers to do the job. People responded generously to Fr. Gary's call to get involved and share their time and talents. Indeed, there is so much God-given talent here at QHR-WEA and you people are great stewards of those gifts and love sharing them with others in our community. As soon as the new volunteers began getting involved, making strategic planning and organizing events, the "old group of volunteers" complained to Fr. Gary saying that "*the new people are changing everything.*" He responded to the complainers: "You told me we needed new volunteers and I found them! New volunteers means new blood, fresh ideas, new ways of doing things." The senior crew had to adjust to the new ways the freshman volunteers were bringing to Wea.

We are at a new moment of transition and growth at QHR-WEA by the grace of God. We are transitioning parish secretaries and our very own Gina Hillman graciously is filling in the position in an interim mode. Next month, on October 3rd, our new Parish Administrator (PA), Merle Petz will begin serving the QHR-WEA community. Hiring Merle was a long process of the search committee and Human Resources in the Archdiocese. You all read the PA job description published in the church bulletin back in July. Currently Merle Petz is the PA at Christ the King parish in Kansas City, Kansas. He is a parishioner at Church of the Ascension and lives in Overland Park. He is a retired business owner with a vast experience in administration and personnel management. He brings all of that business management and church administration experience to QHR-WEA. Merle will be a great asset to us. Please join me in welcoming him to our community in October. I'll ask Merle to introduce himself to you all at masses on one of the weekends in October.

A hallmark of our Wea community is being welcoming. Let us welcome this transition in our parish administration department and the new faces in the parish office with openness to fresh ideas working all together for the Greater Glory of God.

Peace,

Fr. Jerry

Catechetical Sunday

Sunday, September 18, 2022 is Catechetical Sunday!

Each year on the third Sunday of September, we celebrate this day to acknowledge the importance of the Church's teaching ministry specifically. Catechetical Sunday recognizes those who volunteer and proclaim the Word of God to children, teens, young adults, and adults in our parish faith formation programs. Parents and guardians are honored on this day as they are the true first catechists and primary educators of the faith.

Please pray for and thank all of our QHR-WEA catechists this weekend as SOR begins this Sunday. We pray in thanksgiving for all those who generously spend their time and effort as catechists who teach in the name of the Church by handing on the faith and being a witness to the Gospel.

Praise & Graze—Save the Dates!

Bring your family and join us Wednesday evenings, October 5, 12, 19, and 26 at 6:00PM in the parish hall for prayer and a hymn “praise” followed by dinner “graze” at 6:10 PM. At 6:45 PM, all are welcome to attend the faith formation session for adults and the kid’s program for the children. The evening ends around 7:15 PM.

This season’s speakers include Deb Niesen, Archdiocesan Director for ProLife Ministries, Michael Podrebarac, Archdiocesan Director of Liturgical Ministries, Debra Nearmyer, VP of Mission and Faith Formation at St. James Academy and Director of Camp Kateri Tekekawitha, and William O’Leary, Ph.D, Director of Children’s and Family Faith Formation at Church of the Ascension. For more details and register,

Musician & Choir Appreciation Dinner!

It’s time to celebrate!

The dinner will be held on September 30 in the parish hall. All involved with choir and music for the parish are invited. If you have not already RSVP’d to MJ or Kimberly, please email kzubillaga@wea.org to confirm your attendance.

Gospel Meditation

“ You cannot serve both God and mammon.” Merriam– Webster defines mammon as material wealth or possession, especially having a debasing influence. While God does not take issue with our need to use money for the business of our lives, there can be a problem with the attitudes we bring to it. We can easily become so preoccupied and obsessed with money that it becomes the real “god” we worship. Do we serve mammon instead of God? In their book, Wealth, Riches, and Money, Craig Hill and Earl Pitts outline symptoms of mammon’s influence in our lives..Some of these are worry and anxiety over money, money mismanagement, fear over “never having enough,” an “I can’t afford it “ mentality, impulse buying, stinginess, greed, debt, and discontent.

Many of the things on that list can consume us to the point that we are distracted from what we really need to be doing. Many people spend an inordinate amount of time worrying about money and it becomes the source of their worst fears. If we are honest with ourselves, we need to admit that we place far more emphasis on our material securities than we ought. In fact, we have actually convinced ourselves that we cannot live without it. Are we that certain about the presence of God? Many of the world’s problems, especially those involving inequity and injustice, result from the conflicts about money. Many equate money with happiness. Those successful in accumulating large amounts of it quickly realize just how wrong they are.

“Your ultimate allegiance is not to the government, not to the state, not to nation, not to any man-made institution. The Christian owes his ultimate allegiance to God, and if any earthly institution conflicts with God’s will it is your Christian duty to take a stand against it. You must never allow the transitory evanescent demands of man-made institutions to take precedence over the eternal demands of the almighty God” (Martin Luther King, Jr.) This is the point Jesus is trying to make. Unfortunately, when we look around our man-made kingdoms are far more prevalent than God’s kingdom. When we start seeing greater evidence of justice, equity, dignity, respect, opportunity, gentleness, holiness, solidarity, honesty, simplicity, care for creation, and a decrease in ambition, then we will know God’s kingdom is being served. We will be doing what we are supposed to do.

Kids Corner Read the Gospel & Color

You are God's special friend. He takes care of you. He gives you water. He keeps you clean and safe from evils. God blesses you each and every day. He gives you friends with whom to play and watches over you. God wants you to walk in his ways. God trusts you to take care of your body and soul. He trusts you to help others, too.

Prayer

Lord, thank you for taking good care of me.

Mission For The Week

Why Do We Celebrate Catechetical Sunday?

The mission of the church reflects the mission of Jesus to teach, preach, heal, and forgive. Through these acts, Jesus shares the good news of salvation and invites all people to share in the life and love of God. The church continues this mission in all its ministries, but especially, and perhaps most importantly, through catechesis.

Catechetical Sunday is celebrated on the third Sunday of September. The task of handing on the Gospel is entrusted to the whole community, who by word and example, form young and new members in the way of the Gospel. Parish programs assist parents in teaching the basics of faith through liturgical experience, instruction, and faith formation. This ministry is essential for the parish to grow, for individuals to develop as believers, and for the ongoing spiritual formation of the whole community. It reminds the church that preaching the Gospel and growing in faith are essential to our sacramental practice and our liturgical prayer.
