Office of Stewardship and Development 2024

Stewardship as a Way of Life: "Each day the people are to go out and gather their daily portion; thus will I test them, to see whether they follow my instructions or not." Exodus 16:4 When the Israelites gathered more than their daily portion of manna, the surplus became wormy and rotten. In the same way today, self-reliance, pride and ego leads to hoarding and excessive surplus of goods and money. Living a stewardship lifestyle helps us discern our "wants" from our "needs". Living a grateful and generous lifestyle reminds us that God will provide all that we need and that we have plenty to share.

Bishop's Annual Appeal: Thank you to those who have already supported diocesan ministries through the Appeal. As of July 29, the Bishop's Annual Appeal for 2024 has raised total cash and pledges of \$1,208,044 toward our goal of \$1,450,000 (86.29%). This was made possible through the generous donations of 6,832 people throughout the 16 counties of our diocese. Will you help these ministries meet their funding needs? Visit www.stcdio.org/annualappeal.
