As COVID-19 cases with the Omicron variant mount in Minnesota, it is time again to keep all safety measures, to help keep everyone healthy and safe. Bishop Kettler urges pastors to strongly recommend that parishioners who attend Mass or other large indoor events wear facemasks, hand sanitizing and to continue looking for ways to physically distance. Bishop Kettler reminds us of the following:

“Currently, as you know, the coronavirus pandemic is surging again around the world. The counties that comprise our diocese are experiencing high transmission rates. The number of COVID cases requiring medical care is straining the resources of CentraCare and other medical providers in central Minnesota. They are asking for help from faith community leaders to keep people healthy and safe. The fast spread of the omicron variant and the arrival of flu season add additional layers of concern.

I want to ensure that we take reasonable precautions to keep people healthy. It's important that we do this as trusted members of our communities. But it is even more important for us to do this as Catholics whose faith calls us to protect human life and care for one another, especially those who are vulnerable, by making responsible choices. It is my expectation that you will follow all diocesan protocols with regard to parish/ACC ministries and Catholic schools. It is imperative that pastors with Catholic schools support their principals in their work to keep school communities safe. The most-up-to-date diocesan guidance can be found at <https://stcdio.org/coronavirus-update>.

I encourage everyone who is eligible to receive COVID-19 vaccinations and boosters. Vaccinations offer an increased level of protection from the virus and reduce the likelihood of a person needing hospitalization if they contract the virus. This reduces the strain on our medical system to ensure it is able meet the needs of its COVID as well as non-COVID patients.

I encourage you to strongly recommend to parishioners attending Mass and larger indoor events/meetings to wear masks and practice physical-distancing as much as possible. Utilizing larger rooms or conducting meetings online or as a hybrid (a combination of online and in-person) can help limit the spread of the virus.

Please continue your sanitization procedures and consider providing hand sanitizer at the entrance and exits of your churches if you do not already do so. These measures will help to protect the public and our parishioners. Please pray for all those who have been impacted by the virus and for the protection of our medical professionals who risk their own health every day to serve us.”

Facemasks are available in the entrances of our churches. It is VERY SAD to see people from our communities who are being cancelled their treatment for other health problems because of the increased number of Covid cases in the hospitals. Hope and pray that this Year will bring more peace and healing to each one of us. Blessings, Fr. Jimmy

## Let's Talk Jesus: The Eucharist and the Pro-life Movement

As Catholics, we have a duty to love God above all things and to love our neighbors as ourselves. These are the two greatest commandments, given to us by Jesus Christ our Lord (Matthew 22:36-40). A Catholic's life should revolve around love. Love is willing the good of another, wanting the ultimate best for others. We must love a person for who they are: a child of God.

So, what do the Eucharist and the pro-life movement have in common? They are opportunities to love those hidden in special and unique ways. We love God in the Eucharist and we love our neighbor through the pro-life movement.

What is the Eucharist and what is the Catholic teaching on this doctrine of our faith? The Catechism of the Catholic Church states, "The Eucharist is 'the source and summit of the Christian life.' 'The other sacraments... are bound up with the Eucharist and are oriented toward it. For in the blessed Eucharist is contained the whole spiritual good of the Church, namely Christ himself.'" Simply put, when the priest lifts up the host at Mass and says the words "This is my Body", the substance of the bread changes to Jesus Christ Himself, while still looking like bread. This great mystery of our faith is backed up in the Eucharistic discourse in John 6:25-69. What an amazing mystery! Surely, all Catholics are blessed! Yet, too many do not realize what a great gift they receive at Mass. Recent studies have shown that only 30% of Catholics believe the Eucharist is Jesus's Body, Blood, Soul, and Divinity under the appearances of bread and wine. The other 70% believe the Eucharist is only a symbol or that Jesus is in the bread and wine. Ever since Vatican II, it seems Catholics have lost their true faith in the Real Presence of the Eucharist.

Around the time when faith and reverence towards the Eucharist was dropping, respect for human life fell as well. In 1973, Roe v. Wade legalized abortion all over the country, thus allowing for millions upon millions of precious, innocent human babies in the womb to die horrendous deaths. Just because we can't see the human person in the womb with our own eyes doesn't mean that child doesn't exist or isn't alive. The same goes for the Eucharist.

I find it quite fascinating how the Eucharist and the pro-life movement are so similar in this way. In the Eucharist, we worship and adore Jesus Christ, hidden under the appearances of bread and wine. In the same manner, we should have respect for those hidden in the womb, whose lives are just as important as our own. If we lose reverence towards Jesus in the Eucharist, how can we have respect for babies in the womb? For the sanctity of marriage? For the dignity of the human person? For our fellow brothers and sisters? You can't love your neighbor if you don't love God. Love of God will lead you to love of neighbor.

This month, I invite you to do two things. Firstly and most importantly, strengthen your faith and devotion to the Eucharist! Read what the Catechism of the Catholic Church teaches about the source and summit of our faith. Watch videos on the Eucharist and read what the saints have to say about the True and Real Presence of Jesus in the Most Holy Eucharist. I encourage you to visit an adoration chapel or church and visit Jesus Christ, hidden in the Eucharist. The John Paul II Center (right next to Our Lady of Lourdes Church in Little Falls) has adoration from noon on Sunday till 8pm on Friday. Holy Family Church offers adoration on Thursday from 9am to 7pm. Every Monday night at 6pm at St. James Church, the Rosary and Divine Mercy Chaplet is prayed in the presence of the Blessed Sacrament. Grow in your devotion to Jesus Christ, the Bread of Life.

Secondly, get involved in the pro-life movement! Order books on abortion from 40 Days for Life and get informed on what abortion is and how to protest against it. Attend pro-life events and show your support for babies in the womb and their mothers. When possible, attend a 40 Days for Life campaign in the spring and fall so you can pray in front of a Planned Parenthood. Vote for pro-life leaders and politicians so they can make and pass laws that protect human life from conception to natural death. But most importantly, pray, pray, pray very much. Our Lady and Lord will not neglect our cries and pleas for help.

~Julia Stich (Lia Nicole)
