Covid Communion Regulations for Good Shepherd

As of May 23, based on CDC data, Clay County is ranked Low. The message remains the same: masks can be an effective tool for helping prevent the spread of COVID-19. You may choose to wear a mask no matter what community level you are in.

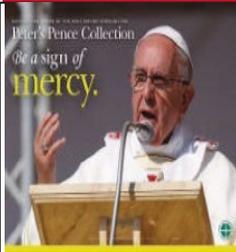

With that information, Communion will continue as follows:

Two lines coming forward in center aisle of the Nave. Please use hand sanitizer before receiving Communion.

The Deacon will provide Communion to the transepts and those in the rear of church who are not able to come forward in the Communion Procession.

Those wishing to receive Communion on the tongue, please come forward at the end of the line.

Youth Ministry Interest Meeting June 5, 11:45am

Dear Parishioners,

Since Covid and staff changes, we have been without a youth minister in our parish to provide activities for our youth. I would like for those that may be interested in youth ministry, to **gather after the 10:30 Mass this weekend on June 5** to envision what Good Shepherd parish might do to help the young adults of our parish. We can ask the questions like:

How can we help them socialize with each other?
What might we do to increase their faith?

This meeting can be a gathering of the young and the not so young to speak about the needs of our youth. We can start slow or even go fast to get things moving. I look forward to your insights and suggestions on what we can do next. Hope to see interested individuals attend the meeting on June 5 at 11:45am.

Fr. Terrell
