From the  
Pastor's Desk

Fr. Troy Schweiger

March 15, 2020

On many people's minds over the past few weeks has been the concern regarding the Covid-19 (Coronavirus) outbreak throughout the world. Factual information and guidelines from reliable experts in the field of communicable diseases is the best place to look rather than social media or "a friend of a friend told me. . . ." when formulating a reasonable response and personal practices in light of this new virus. In that light, the Diocese of Lincoln has assembled a task force led by Fr. Christopher Kubat, a licensed medical doctor before becoming a priest, and consisting of members who are experts in the fields of epidemiology and other relevant medical fields. The members in addition to Fr. Kubat are Steve Rademaker, M.D.; Tim Fischer, M.D.; Tom Safranek (State Epidemiologist at the Nebraska Department of Health), M.D.; Bob Sullivan, J.D.; Carmen Sullivan, R.N. I would like to take this opportunity to quote from the statement they have made and to specify the precautions we will be following at St. Patrick's.

"The Diocese of Lincoln urges all parishes, schools and diocesan institutions to take essential precautions to combat the spread of the coronavirus. . . . The Center for Disease Control, together with the Bishops' Committee on Divine Worship reminds us that the influenza and coronavirus are spread through personal, physical contact (*emphasis added*) with someone who is sick (either through inhaling the virus, or through hand-to-mouth transmission with a contaminated surface). The CDC says the best prevention is self-isolation of people who are sick, avoiding close contact with others, cleaning hands frequently, and covering one's mouth and nose when coughing or sneezing.

While nothing can replace attending and participating in Sunday Mass or receiving Holy Communion, those who refrain from Sunday Mass due to illness have not committed a mortal sin. In case of personal illness or suspension of Masses, Catholics should consider devoting an hour to prayer, observing Mass on television or the internet, and/or praying a rosary. A reminder that a Mass for shut-ins is televised every Sunday in the Lincoln area on KLNK-TV at 9:00 a.m. and in the Hastings area on KSNB-TV at 9:30 a.m.

The CDC recognizes various "levels" to health crises. These diocesan guidelines are based on the CDC's response to any potential crisis that may be brought on by influenza or other infectious disease. At this time, we are in level one, heightened awareness. (*emphasis added*)"

As such, effective immediately at St. Patrick Catholic church we will implement the following recommended practices:

**YOUR GIFTS TO THE LORD MARCH 8, 2020**

Adult Offering: \$ 7693.00  
Loose Offering: \$ 650.00  
Total: \$ 8343.00

**Weekly collection needed to meet expenses \$10,500**  
**Monthly Mortgage \$31,500**

- 1) People who have flu-like symptoms or who are otherwise feeling sick should not go to Mass or other Church gatherings; the Church encourages us to make an act of "spiritual communion," where we unite ourselves to God through prayer.
- 2) The practice of exchanging the sign of peace is suspended.
- 3) Priests, deacons and acolytes will wash hands with soap and water before and after distributing Holy Communion (ie. immediately before and after mass).
- 5) The doors from the narthex into the nave will be left open before, during and after mass. The outside door handles will be sanitized after each Sunday Mass.

If a major outbreak is declared in the city of Lincoln, further recommended practices will be implemented. My prayer is that this informed and prudent response will bring a sense of peace to all of us and will enable us to continue to raise our hearts and minds to God.

Have a great week!

Fr. Troy Schweiger
