Holy Rosary Cluster

May 25, 2025 6th Sunday of Easter John 14:23-29

Jonathan Haidt's 2024 book entitled "The Anxious Generation" argues that today's kids are marked by significant increases in anxiety, as the title suggests. Smartphones, social media, economic uncertainty, the chaos of a global pandemic, fear regarding climate change, and the so-called "meaning crisis" all contribute to strikingly high levels of anxiety in young people today. I'm a bit older than this generation, but I feel it, too. The world can be too much to handle.

The Gospel this week offers a stunning solution for troubled souls. To his overwhelmed and anxious disciples, the risen Jesus says, "**Peace I leave with you; my peace I give to you**" (John 14:27). His peace is that of the one who was overwhelmed on the cross and then conquered death by the power of his divinity, his bond of love with the Father. He offers us this unshakeable peace.

Of course, mental illness does not magically disappear because of the risen Jesus. But he does walk with us and offer us his peace in the midst of our suffering. The peace the world gives is not like his because it is weak, uncertain, and self-generated. Jesus' peace is strong, sure, and given as a gift from God. He gives it to us amid our anxiety. Will you receive it as a gift? I hope so. He wants to fill the hearts of this generation with his peace.

Disciple Maker Index (DMI) Survey

To The Members Of Holy Rosary Cluster:

I have continued to review our DMI results and will be releasing information around the Four Facts of a Thriving Parish.

These Four Factors Include:

- Leadership Indicators
- Sunday Experience
- Spiritual Practices
- Missionary Impulse

This week's review expands on results from our Leadership Indicators. Our strength within this category of parishioners would recommend their parish, its pastor and staff to others. Recommendations from you are a key contributor to a thriving parish and I encourage you to continue to invite others to join our community.

Surveys show that there are opportunities to serve in the parish and provide opportunities to those in need. Our results also showed financial transparency about finances of individual parishes. Thank you once again for your participation in the DMI. It gives great insights into what we do well and how we can better serve our community. Please continue to pray for our parish/cluster and the archdiocese as we seek the Holy Spirit's guidance during the discernment of the DMI results.

Faithfully, Fr. Telesphore DUSABE
