## Sponsor a Youth!

This summer, 14 youth group members will be traveling to Rome, Italy. To help defray some of their costs, we are looking for parishioners to sponsor these young parishioners. In return the youth (or youths) you sponsor would bring you back a piece of Rome and share their experience with you.

If you are interested in helping one of these young people, please contact Nancy (218-643-5173) at the parish office or Kayla Mohs ([kmohs@stmarysbreck.com](mailto:kmohs@stmarysbreck.com)) at St. Mary's School. We are grateful for your support and can't wait to share our experience with you!

As always, even something small will always go along way!

Here is a list of our young people heading to Rome:

Ethan Albertson    Kaleb Albertson    Chloe Conzemius    Carter Conzemius

Tyler Drewlow    Rheo Goulet    Kate Haire    Jake Haire

## **Bishop's Annual Appeal**

Bishop's Annual Appeal: Thank you to those who have already supported Diocesan ministries through the Appeal. As of March 23, the diocese has raised \$553,753 in gifts and pledges toward the goal of \$1,400,000, with gifts from 3,499 households. Every dollar raised goes directly to ministries that support our Catholic faith and is not used for any other purpose. Will you help these ministries meet their funding needs?

Visit [www.stcdio.org/annualappeal](http://www.stcdio.org/annualappeal)

## **Stewardship as a Way of Life**

Stewardship as a Way of Life: "As they were marching out, they came upon a man of Cyrene, Simon by name; this man they pressed into service to carry his cross." Matthew 27:32

The Lord calls us to love God and to love our neighbor. Every day we are presented with opportunities to love our neighbor and help them carry their crosses. These opportunities aren't usually big events; they are usually ordinary occurrences like helping someone carry their groceries or holding the door open for them. The key is putting the other person's needs before our own and not expecting anything in return.

**'In 1417, a poor peasant who worked as hard and as long as others felt he could not improve his economic status. He asked a neighbor who shared that he kept the Blessed Sacrament in his house. The peasant, ignorant in the faith, thought the Blessed Sacrament was a type of amulet.'**

**The peasant went to Holy Thursday Mass. Instead of consuming the Host, he hid it in his clothes. On the journey home, "his conscience began to accuse him, so he decided to bring the Sacred Particle back. During the trip, the Host slipped from his hand and disappeared into the air. He searched everywhere.**

**Frightened, he went to inform the pastor who went to the spot. The priest saw the Host resting on a clump of dirt, emitting a bright light. He reached for the Sacred Host, which again flew up into the air and disappeared. The Bishop was alerted, came to the site, and again the Host flew up in the air."**

**The townspeople decided to build a chapel in honor of the Eucharistic Wonder. So many crowds of pilgrims that came in 1675 that a new and larger sanctuary was constructed.**

**"In 1677 the new church was blessed and dedicated to the Most Precious Blood. Relics were brought to the sanctuary among which was that of the Most Precious Blood of Christ. Since 1992 the sanctuary has been under the care of the monks of St. Paul of the Desert."**

**The Last Supper of Jesus Christ was celebrated as a traditional Passover. We celebrate not only the institution of the sacrament of Holy Communion, but also the institution of the priesthood.**
