## 3<sup>RD</sup> SUNDAY IN ORDINARY TIME

*The Spirit of the Lord is upon me...  
He has sent me to proclaim liberty to captives  
and recovery of sight to the blind,  
to let the oppressed go free.  
- Lk 4:18*

## NEWS & UPDATES

### TIME AND TALENT

Thank you for participating in our parish census. If you haven't already completed a Time and Talent survey for each family member, please do so. These can be returned in the offering plate or mailed to church (address on front cover). Thank you!

### Saint of the Week

One of the most famous members of the Dominican Order, St. Thomas Aquinas (1225 - 1274) is well-known by many for his theological work, "The Summa Theologiae." Born in Italy, his mother wanted him to become a Benedictine and had high hopes that he would eventually become abbot of Monte Cassino, where he spent much of his youth. To change his vocation, she had him kidnapped by his brothers on his way to Paris at the age of 19. He spent two years in their captivity. Despite this, nothing could shake him from his vocation to become a Dominican priest and he was eventually released. Once free, he went to Paris and then to Cologne, where he finished his studies with Albert the Great.

His greatest contribution to the Catholic Church is his writings. The unity, harmony, and continuity of faith and reason, of revealed and natural human knowledge, encompasses his writings. The Summa Theologiae, his last and, unfortunately, uncompleted work, deals with the whole of Catholic theology.

The patron saint of teachers, theologians and students, St. Thomas Aquinas died in 1274. His life and the impact he had on the whole Church, however, remains alive today.
