## PASTOR'S CORNER

3<sup>rd</sup> Sunday of Lent Year C

*'For three years now I have come in search of fruit on this fig tree but have found none.*

*So cut it down. Why should it exhaust the soil?'*

– Luke 13:7

The vineyard of the fig tree in this gospel represents the people of Israel, the Church. It is a sobering message from God, our Father, and a reminder to all of us that just because we belong to and are a member of the Church does not automatically mean salvation for us.

It is in and through the Church that God plants, waters and prepares the soil to produce good fruit/works. Through His grace we are given the gifts to choose and respond to God's grace by manifesting and practicing the works of charity.

Our works for charity done in and through the grace of the Holy Spirit are the measuring stick that Our Lord uses on the last day. "I was hungry and you fed me, naked and you clothed me, in prison and you visited me." Belonging to the Church through faith and being a member of the Body of Christ does not guarantee entrance into the beatific vision, heaven.

"By their fruits you will know them."

*From my heart to yours...Msgr. Brian Donahue*
