SPECIAL COLLECTION

This weekend we take up the Collection for the Church in Latin America! Many people in Latin America and the Caribbean do not have access to church programs and ministries because of a rising secular culture, rugged rural terrain, and a shortage of ministers. Your generosity enables our brothers and sisters in Latin America and the Caribbean to share in the life of the Church and grow closer to Christ. Please be generous in the special collection! To learn more, please visit www.usccb.org/latin-america.

Flowers to Commemorate

Pat Henderson gave the flowers for this weekend, January 22nd and 23rd, Masses in memory of her mother Bernadette Mines.

Sunday Missals: 2022 Missals are on sale in the back of the church for \$3.00 each. Makes a great gift for family members and friends.

Food Pantry: Thanks to all who have given to the Food Pantry. We are serving 70 to 98 families each week. We are in need of canned green beans and canned fruit. Also, if you have a gently used coat that you no longer need, please donate it to the Food Pantry. Again, thank you for your support.

Stewardship Reflection

The US bishops' pastoral on stewardship reinforces today's reading from 1 Corinthians: "Because its individual members do collectively make up the Body of Christ, that body's health and well-being are the responsibility of the members - the personal responsibility of each one of us. We all are stewards of the Church."

The Pastor and Parish Pastoral Council (PPC) in each parish of the diocese will arrange for at least one Synod Consultation Session to be held in their respective parish where all of "God's People" are invited to participate. A Consultation session may be scheduled on any date(s)/time(s) that works best for the parish. The direct involvement of the PPC in the dialogue sessions will allow council members to listen to and learn from others in the parish community, thus providing greater insights for creating the Parish Pastoral Plan. The dialogue questions will be centered around our diocesan priorities: growing in holiness, forming intentional disciples, and being sent to witness.

We have already begun the process of moving from maintenance to mission by refocusing our Parish Council to a Pastoral Council in realizing the diocesan priorities: growing in holiness, forming intentional disciples, and being sent to witness. But for now, we will be focusing on the call of Pope Francis to the upcoming Synod on Synodality.

Love and Peace,

Fr. Karl

FLOWERS TO COMMEMORATE:

Dear Parishioners,

What is the Synod on Synodality? The following is from the diocese's website on Synod on Synodality and how we are called to participate in this process:

"The mission of the Church requires the entire People of God to be on a journey together, with each member playing his or her crucial role, united with each other. A synodal Church walks forward in communion to pursue a common mission through the participation of each and every one of its members. The objective of this Synodal Process is not to provide a temporary or onetime experience of synodality, but rather to provide an opportunity for the entire People of God to discern together how to move forward on the path towards being a more synodal Church in the long-term" (Vademecum for the Synod on Synodality #1.3).

Through the Synod on Synodality, Pope Francis asks the Church to rediscover its deeply synodal roots and reflect on how the path of synodality is the way for the entire People of God to journey forward together.

"... the objective of the current Synod is to listen, as the entire People of God, to what the Holy Spirit is saying to the Church. We do so by listening together to the Word of God in Scripture and the living Tradition of the Church, and then by listening to one another, and especially to those at the margins, discerning the signs of the times" (Ibid).

"In the first millennium, 'journeying together' - that is, practicing synodality - was the ordinary way in which the Church, understood as 'People united in the unity of the Father and of the Son and of the Holy Spirit,' acted" (Preparatory Document, #11). ~ Synodality became less prevalent during the second millennium when hierarchical structures were more emphasized. ~ Synodality was actively revived during and following Vatican II. ~ The most recent Synod was held in 2018 which centered discussions and discernment on the religious beliefs and practices of youth and young adults in the Church. Representatives of each Episcopal Conference were sent to Rome for the Synod. The document *Christus Vivit* (Christ is Alive) was produced as a result.

A synodal Church, in announcing the Gospel, "journeys together." The fundamental questions for the consultation of the People of God are: How is this "journeying together" happening today in your local Church? What steps does the Spirit invite us to take to grow in our "journeying together?"

How will the diocese participate? Dates: From January 30 - May 31, 2022 • Parish Consultation Sessions:
