### FROM FR. BRIAN

As we approach All Souls Day and All Saints day I want to remind ourselves of Our Lady of Sorrow title for Mary. Her heart being pierced 7 times; Simeon's Prophecy, The flight into Egypt, The 3 days lost in the temple, Meeting Jesus with His Cross, The Crucifixion, Taking Jesus down from the Cross, and the burial of Jesus. I will share with you all the homily from Saint Bernard for the occasion of Our Lady of Sorrow. St Bernard was born in 1090 in France, became an abbot in 1115, and died in 1153.

Here is his sermon: [His mother stood by the cross](#)

The martyrdom of the Virgin is set forth both in the prophecy of Simeon and in the actual story of our Lord's passion. The holy old man said of the infant Jesus: *He has been established as a sign which will be contradicted.* He went on to say to Mary: *And your own heart will be pierced by a sword.*

Truly, O blessed Mother, a sword has pierced your heart. For only by passing through your heart could the sword enter the flesh of your Son. Indeed, after your Jesus – who belongs to everyone, but is especially yours – gave up his life, the cruel spear, which was not withheld from his lifeless body, tore open his side. Clearly it did not touch his soul and could not harm him, but it did pierce your heart. For surely his soul was no longer there, but yours could not be torn away. Thus the violence of sorrow has cut through your heart, and we rightly call you more than martyr, since the effect of compassion in you has gone beyond the endurance of physical suffering.

Or were those words, *Woman, behold your Son*, not more than a word to you, truly piercing your heart, cutting through to the division between soul and spirit? What an exchange! John is given to you in place of Jesus, the servant in place of the Lord, the disciple in place of the master; the son of Zebedee replaces the Son of God, a mere man replaces God himself. How could these words not pierce your most loving heart, when the mere remembrance of them breaks ours, hearts of iron and stone though they are! Do not be surprised, brothers, that Mary is said to be a martyr in spirit. Let him be surprised who does not remember the words of Paul, that one of the greatest crimes of the Gentiles was that they were without love. That was far from the heart of Mary; let it be far from her servants.

Perhaps someone will say: "Had she not known before that he would not die?" Undoubtedly. "Did she not expect him to rise again at once?" Surely. "And still she grieved over her crucified Son?" Intensely. Who are you and what is the source of your wisdom that you are more surprised at the compassion of Mary than at the passion of Mary's Son? For if he could die in body, could she not die with him in spirit? He died in body through a love greater than anyone had known. She died in spirit through a love unlike any other since his.

I invite everyone who has lost a loved one this year to come to the 5:30 PM Mass on Tuesday, November 2, for All Souls Day in Janesville. Let us join in prayer for all those who have gone before us and comfort those who remain with the Faith and Hope we share in Jesus Christ, the Conquer of the Grave!

Are you or someone you may know thinking about the possibility of the permanent diaconate or the ministerial priesthood? See Fr. Brian.

## GOSPEL MEDITATION

When we see God with true sincerity of heart and God passes us along our way, it is only then that we will be able to cry out, "Jesus, son of David, have pity on me!" We have to truly want to be healed by, and in union with, God in order for us to reach out to him. If God is only an abstract idea, theory, or someone found in the pages of a book, there is no motivation for a relationship and no desire to seek him. God needs to be real in order for faith to be real. It's all about the journey.

St. Augustine reminds us that "to fall in love with God is the greatest romance; to seek Him the greatest adventure; to find Him the greatest human achievement." We strive after many things and mercy is not always one of them. We think that we can find fulfillment and healing in other things only to discover that we are still short and empty. From the moment human beings were created, God has been calling us and seeking us. He has been walking right beside the human story from the minute He first breathed life into the first human soul. Are we able to recognize God as He walks with us? At some point we have to realize that there is only one way to satisfy the deepest longings of the human heart and that is in relationship with our Creator. We are called to this. However, we make the huge error of thinking that what we are hearing is coming from somewhere else. We become confused. Every human being would certainly profit with wisdom if they realized Who calls them and to Whom they belong.

Then and only then will we realize that it is only our Divine Master who can give us true vision and heal us. Once we recognize and reach out for the merciful presence of our loving Maker, we will be able to see with our soul, understanding the true nature and depth of all things. God's mercy is always available. It doesn't matter how far we have strayed or how blind we become, God patiently waits to console us, guide us and heal us. All we need to do is desire Him. Once we reach out, we also realize that there is no greater love to be found than God's, no human adventure that comes even close to the thrill of a spiritual search, and no human achievement even remotely as satisfying as union with Him. This is where we belong. This is salvation.

## Here are some reasons why becoming a Mass Server might be one of the best things you could choose to do.

- By becoming a Mass Server, you begin to learn all the symbols of Mass and helps your experience at church be more understandable and interesting.
- By serving at the altar, you pay more attention to the whole Mass to help you remember where your part fits in, which can lead you into a much deeper relationship with God and you feel the impact of Mass far greater!
- You learn life skills by communication, teamwork, perceiving what needs to be done and doing it, punctuality, self-confidence, and the list goes on.
- By taking up a responsibility at Mass you start to recognize more and more people in the church in general.
- Far and away the best reason to do Mass Serving is that it helps you learn the vocations better.
- By Mass Serving you learn so much more about the priest you work with. This is great because it allows you to both fully appreciate his human side while also appreciating much more the sacramental grace he's been given in Holy Orders!
- It can help you achieve a CCW or KC Scholarship.
- All servers will receive a ticket and experience a Minnesota State Mavericks Hockey Game.

Please contact Kelly Heitkamp 507-382-9588 or [kheitkamp@bevcomm.com](mailto:kheitkamp@bevcomm.com) if you would like to re-sign up to serve or would like to start serving. Next Mass Server Training will be with Kelly Heitkamp after 10:00 AM Mass on Sunday, November 7, in Janesville.
