Dear Parishioners,

Merry Christmas! The Eternal Son of the Father became flesh in the womb of the Virgin Mary! Alleluia!

I want to wish you all a happy and holy Christmas! I pray that this time together with family and with the community of the Church will strengthen your hope as we worship the newborn King of Peace, Jesus Christ!

During this Advent season, I've had a lot of conversations with young people at school, at faith formation, and other settings. I found out something about our children and young people. Many, many of them love the Church. They love going to church and they love the Mass. Here's a story to illustrate that.

Last month, Mrs. Angie McIntyre videotaped a touching and powerful moment in the pre-school. Two of the students came into the pre-school, got their binders out that they have for their classes and activities. Before school started they started to play a game and it was "play church," time. They pretended that their blue binders were hymnals and they started to sing the Lamb of God and the Alleluia from Holy Mass.

These two preschool students come to Mass each week and from that little video we see how Mass is starting to get inside of them. They are singing the most powerful words, "Lamb of God you take away the sins of the world, have mercy on us... Alleluia." Those words filled with praise of God for what he has done, comes from the lips of little children.

It reminds me again, children are like sponges. They are soaking up everything whether we know it or not, whether we perceive it or not. These two students love church and Holy Mass. I pray that love never fades or cools.

Children love God. Children need God and the Church is where they learn about Jesus. Please bring them to Mass and along with your children allow God to feed your souls. You will be fed with the Lord and his goodness. What is important to us will be important to our kids. I pray the Lord Jesus will be the great treasure that we will share with our children because He is the only gift that endures forever!

Merry Christmas and may God bless you!

The HOLY FAMILY EVERYDAY STEWARDSHIP *of Jesus, Mary & Joseph* All in the Family

At first glance, we can often find the image of the Blessed Mother, St. Joseph and the Christ Child intimidating — who are we to aspire to that level of discipleship? How could we ever hope to conform ourselves to that mold? Sometimes, it can even be painful — perhaps we hail from a broken family or struggle with a broken relationship within our family, or perhaps we long to be a mother or a father ourselves and that state in life has eluded us.

But the image of the Holy Family is, in reality, a beautiful invitation to us all, no matter our vocation or our state in life, and the example of Mary, Joseph and Jesus is rich with the symbolism of stewardship.

You need not be a biological mother who has carried a child in her womb to be a mother in spirit. Who in your world needs you to love them with the heart of a mother?

The same goes for fatherhood. The Church and the world are crying out for the courageous witness of Christian men like St. Joseph. Who can you love with the steadfast, selfless protection of a father?

Who in your life needs you to love them with the faithful, unconditional love of a son? Who needs your gentle and constant love as a daughter?

We are the Body of Christ, friends. Those of us rejoicing in heaven, those of us suffering in purgatory, and those of us struggling here on earth. We are the great family. Let us love each other well.

The Joy of Christmas

The joy of Christmas is contagious—but not primarily because of our gifts of dolls and trucks, bikes and pretty dresses, sweaters and ties...The joy of Christmas is contagious because of the spirit behind the gifts. The glory of Christmas is that a gracious God became one of us to tell us that He loves us. And, in his or her Christmas giving, the genuine believer symbolizes his or her inner desire to spread this Good News.

In Christmas we celebrate Incarnation! On Christmas Day we rejoice! The eternal God comes into the flesh and blood of humanity. Christmas cards portray the little Babe, the Manger, the Magi, the shepherds. Little children learn that Christmas is Jesus' birthday. But these pieces of the story only touch the edge of the mysterious event which brings us together. The Good News is that the God of Mercy has come into the history of humanity to bring us perfect peace. For the peace of mind and heart and soul that the world cannot give, follow Jesus. And when you follow Jesus, do not be surprised to see others following you. After all, the spirit of Christmas is contagious.

Glory to God
in the highest,
and on earth
peace among
those with whom
he is pleased!
