Dear Parishioners,

Merry Christmas and Happy New Year! 2022 has started and we begin the new year with the joy and peace of Christ being close to us. God became man for us. God became vulnerable for us. Thank you Jesus!

I want to take this opportunity to thank all who made the celebration of Christmas possible. I want to thank the Four Parish Liturgy Committee for planning and making sure everything was made ready for the holy feast of Christmas.

I want to thank all who served the Holy Masses. The lectors, the servers, the musicians, the choirs, the cantors, those who help decorate our churches, and all those who changed light bulbs, changed banners, and those who set up chairs, those who made our churches ready for the coming of Jesus.

I want to thank all those who send me a Christmas card and greeting. You were most kind to think of me during the Christmas season. I thank everyone who gave Christmas gifts. Thank you. It was really overwhelming to receive the cards, gifts, and greetings from all of you. I truly felt appreciated and I thank you for your faith and encouragement.

With the Lord, every year is hopeful. With the Lord, every year is possible to see His grace grow in our lives. With the Lord, every year is a chance to see the wonders of the Lord in our lives. I pray that God sharpens your eyes of faith, attunes your mind and hearts to his hope, and that your soul will be filled with the Love of Christ which surpasses all understanding.

Merry Christmas! Happy New Year! May God be with you always!

“Two gestures are characteristic of Jesus’ mission: healing and forgiving. Jesus’ many healings clearly show his great compassion in the face of human distress, but they also signify that in the kingdom there will no longer be sickness or suffering, & that His mission from the very beginning, is meant to free people from these evils.”

Pope John Paul II (Mission of the Redeemer II.14)

Recently, multiple states in the South & Midwest experienced devastating tornadoes which destroyed entire communities. The loss of life is heartbreaking and the grieving families and communities are in our prayers as they face the long road of recovery and rebuilding ahead.

My hope for all is our faith and trust in a loving and merciful God comforts our sadness with beautiful memories we have had with our loved one.

GOSPEL MEDITATION

For Deeper Understanding of Scripture

January 2, 2022

The Epiphany of the Lord

In his Apostolic Exhortation, The Joy of the Gospel, Pope Francis references a thought from Pope Benedict XVI: “Being a Christian is not the result of an ethical choice or a lofty idea, but the encounter with an event, a person, which gives life a new horizon and a decisive direction.” Today we celebrate an encounter with the Person of Jesus Christ! This simple but holy event in time dramatically changes human life, pointing it toward a new horizon and giving it a decisive direction. This is a

message and truth that is not meant to be shared with only a select few who qualify but with the entire world. Pope Francis continues saying, “Thanks solely to this encounter or renewed encounter with God’s love, which blossoms into an enriching friendship, we are liberated from our narrowness and self-absorption. We become fully human when we become more than human, when we let God bring us beyond ourselves in order to attain the fullest truth of our being.”

Look around at people. Where is life heading for them? What gives them direction? Even we who are people of faith can get distracted and lose our focus. God, in all of His fullness, is revealed in Jesus Christ and we can encounter Him! God is tangible, real, vulnerable, poor, and full of wonders, surprises, and opportunities. For those who are struggling and lost, today is a day of great joy. All they have to do is reach out and touch the truth of Christ. This presence is revealed in the poor, exploited, and vulnerable ones who cry out for compassion and love. But it is also found in the faithful ones who see in the Epiphany of God a liberation from structures and systems that hurt us, a narrowness of mind and heart that constricts us, and an absorption in our self-agenda that prevents us from seeing anything other than ourselves as important.

We have been given the charge of preaching this Good News. If only we could find a way to be more effective, it might stand a chance of doing what God intended it to do. There is always tomorrow and our memory of that bright new light that shone so brilliantly that Bethlehem night pointing us to truth and reminding us that we are loved. ©LPi
