Dear Parishioners,

Restore: Parish Mission Information: January 31-February 2, 2022

Happy New Year to everyone! I pray the first days of 2022 have been filled with God's presence!

This year we have the blessing of having a Parish Mission again. This year we are welcoming Fr. Greg Bramlage and his prayer team from the Missionaries of the New Evangelization. Fr. Greg is a priest of the Archdiocese of Indianapolis who now does full time work of parish missions, preaching and spiritual healing.

He will be coming the last weekend of January to preach at all the weekend Masses before the Parish Mission begins. **The Mission will be on the evenings of Monday, January 31, Tuesday, February 1, and the Mission will conclude on Wednesday February 2nd. All the evenings will begin at 7:00 pm and end at 9:30 pm.**

The Mission is entitled "Restore," and it is about the Good News of Jesus Christ! We all need good news. We all need hope. We need prayer, healing, and deliverance from all that prevents us from growing in the grace of Jesus Christ!

Please give your time to this Mission. It could really help you to go deeper in your faith in Christ and the Power of the Holy Spirit!

Fr. Greg has been in two other parishes in the Archdiocese, Nativity Parish in Dubuque and St. Patrick Parish in Tama. Fr. Upah and Fr. McAndrew, the two pastors who have invited Fr. Greg and his team to their parishes, saw the power of the Holy Spirit working their parishioners. The same can happen here.

Mark your calendars. Give the time. Let us grow in the Holy Spirit together!

In Jesus,

GOSPEL MEDITATION

God delights in you. How do you feel when you hear that? Delight usually comes with an exuberant flow of joy that seemingly arises from one's toes with the expression of great glee. Reflecting upon the deep measure of joy God has in us can be a source of joy for ourselves. Delight is infectious. A very young brother and sister were playing on the beach when the all too familiar ice cream truck made its daily rounds. The boy shook with excitement and delight as he took his sister's hand and exclaimed, "The ice cream man is here, isn't it great!" As they ran off toward the truck, one could hear the girl reply, "Yeah, I can't wait!" The experience of a child's delight in something so simple as ice cream, lifts our spirits from our burdens and transports us to the lighter, more innocent side of life.

Life is not meant to be a burden. Believe it or not, God actually wants us to be happy! In fact, the wedding feast at Cana shows us that God even puts His blessing on our happiness. It is okay to celebrate the wonder of ourselves and others. Life is good. It is always interesting to note that Jesus saves the good wine until last. You would think it would be the other way around. The superb quality of Jesus' wine points to the superior quality of life we find in Christ. It is not a life of burdens but a life of wonder and delight! In Christ, we are lifted from the superficial and mundane to a life of purpose, hope, and love.

God is with us through the long haul, through the challenges and sorrows as well as the successes and accomplishments. In spite of the fact that we often wander from the path, God's celebratory delight in us remains. As spouses are asked to remain faithful to each other through whatever life brings, God remains faithful too. This promise remains through this life and into the next. All we have to do is take the advice of Jesus' mother to heart when she says, "Listen to him." This wisdom saves us from foolishly giving in to the illusion that we can make better wine than Jesus. ©LPi
