When it was evening, after sunset, they brought to him all who were ill or possessed by demons. The whole town was gathered at the door. He cured many who were sick with various diseases, and he drove out many demons, not permitting them to speak because they knew him. - Mk 1:32-34

Today's First Reading portrays the brokenhearted Job. He has lost everything: wealth, family and health. He has every right to complain. The rest of the story is that his friends try to convince him that he has somehow offended God and is being punished. Job, however, maintains his innocence and trust in God. He realizes that he came into this world with nothing and will leave it with nothing. He has enjoyed a blessed life and now it is his turn to suffer life's misery. Confident that his destiny lies in God's hands, he entrusts himself to God. In the end he will receive from God even more than he had before. The Responsorial Psalm praises God as the one who delivers us from the evil that life too often affords us, because he is good and gracious.

Today's Gospel presents Jesus as our good and gracious God healing the sick and casting out demons. He continues to speak with authority, confronting and overpowering the forces of evil. That cosmic confrontation will ultimately be won by his death and resurrection; but for now he must preach: "This is the time of fulfillment. The kingdom of God is at hand. Repent, and believe in the gospel." (Cf. Mark 1:15—the Gospel we heard two Sundays ago.)

In today's Second Reading Saint Paul speaks of his obligation to preach the gospel. It is also an obligation for all Christians. In baptism and confirmation we are anointed with the gifts of the Holy Spirit to share in the prophetic ministry of Jesus Christ. We may not carry out this ministry as formally as a priest or deacon, or as forcefully as Saint Paul; but we all have an obligation to witness to our faith, whether by word or in deed. A life lived well is the most eloquent sermon of a Christian.

This coming Thursday, February 11, is the memorial of Our Lady of Lourdes and the 29<sup>th</sup> annual World Day of the Sick. Because of the restrictions from the pandemic, we will not administer the sacrament of the Anointing of the Sick during the Mass. However Father Hokamp and I are always happy to go to anyone at home who calls and requests the sacrament.

Pope Francis has chosen Jesus' words in Matthew 23:8 as this year's theme: "You have but one teacher and you are all brothers." In his message for this year's observance, he explains the theme:

The theme of this Day is drawn from the Gospel passage in which Jesus criticizes the hypocrisy of those who fail to practice what they preach (cf. *Mt* 23:1-12). When our faith is reduced to empty words, unconcerned with the lives and needs of others, the creed we profess proves inconsistent with the life we lead. The danger is real. That is why Jesus uses strong language about the peril of falling into self-idolatry. He tells us: "You have but one teacher and you are all brothers" (v. 8).

He also addresses the experience of all of us during the current pandemic:

The current pandemic has exacerbated inequalities in our healthcare systems and exposed inefficiencies in the care of the sick. Elderly, weak and vulnerable people are not always granted access to care, or in an equitable manner. This is the result of political decisions, resource management and greater or lesser commitment on the part of those holding positions of responsibility. Investing resources in the care and assistance of the sick is a priority linked to the fundamental principle that health is a primary common good. Yet the pandemic has also highlighted the dedication and generosity of healthcare personnel, volunteers, support staff, priests, men and women religious, all of whom have helped, treated, comforted and served so many of the sick and their families with professionalism, self-giving, responsibility and love of neighbor. A silent multitude of men and women, they chose not to look the other way but to share the suffering of patients, whom they saw as neighbors and members of our one human family.

You may find the full text of the Holy Father's message on the Vatican website <w2.vatican.va> under "Messages."

Pray the Rosary this week for people who are seriously ill and all who care for them. Pray for the success of vaccines in bringing an end to the pandemic and, as always, pray for peace.

May God bless his people with peace.  
Monsignor Gorman

## CHRIST OUR CORNERSTONE CAMPAIGN

Thanks to all who have made a gift or pledge to the Christ Our Cornerstone Campaign to restore the steeple and facilitate other restorations to St. Joseph the Workman Cathedral. Presently, more than \$2.4 million have been pledged from diocesan parishes, clergy, and Cathedral parishioners to restore our magnificent Cathedral! These gifts, combined with the generous match from St. Ambrose Financial Services, bring the total up to more than \$5.4 million! The total \$6.1 million restoration need for our beloved Cathedral is well within reach! We are so grateful for the outpouring of support we have seen from throughout the diocese, and especially from within this community. If you have not yet had the chance to make your pledge, now is the time to act. Please join your fellow parishioners and those from across our diocese by participating in this historic campaign. Please know that while one-time gifts are appreciated, everyone is encouraged to consider making a three-year pledge. There are several pledge plans available in the brochures available at the church or by visiting [cathedralsjworkman.org/cornerstone](http://cathedralsjworkman.org/cornerstone). Pledges can be made online there or by using the pledge cards found within the brochures available at church. Thank you for your kind assistance in this historic endeavor. It is only together as one that we can truly do great things. Please go to [cathedralsjworkman.org/cornerstone](http://cathedralsjworkman.org/cornerstone) to see a video which shows the extent and urgency of what needs to be done.

## Diaconate Discernment Retreat

Are you a man at least 35 years of age who feels a yearning to give yourself more radically to the service of God and the Church: preaching the gospel, serving those in need, assisting at the altar? If you think God may be calling you to be a deacon, talk to your pastor about attending the Diaconate Discernment Retreat at St. Mary's Church in Altoona on February 27, 2021. Then contact Deacon Bryan Hilts, Director of the Office for the Diaconate, at [bhilts@dioc.org](mailto:bhilts@dioc.org). A new deacon formation class will begin in the fall of 2021 and attendance at the Discernment Retreat is a prerequisite.

## Help Shape the Future of Parishes and Schools in Chippewa Falls

One of the greatest hopes for the future is that the Catholic Church in Chippewa Falls will grow and thrive. Since last October, all the parishes in Chippewa Falls and MACS have been involved in a process to plan for the future. There have been site visits, meetings with parish and school leaders, and studies of area-wide, school and parish data. A report on the findings with possibilities for the future will soon be completed and made available.

The initial report will be presented, and parishioners will have an opportunity to help shape a future plan. Please join us for this "Envisioning Our Future" event. You may review the "Key Findings and Observations Report," which is available on the McDonnell Area Catholic Schools website <http://bit.ly/meitler> prior to the event.

Below are the Zoom links in which participants should register in advance. After registering, you will receive a confirmation email containing information about joining the meeting. This will allow for access into the meeting on the date and time listed. **We ask each participant to take the time to register prior to the meeting. You may participate in any meeting which fits your schedule, even if not at your parish.**

## LIVE THE LITURGY

### Inspiration for the week

Have you ever wondered what life would be like if you could see the future and know how things turn out? While it's intriguing to ponder what life would be like if we possessed this knowledge, actually knowing could easily rob us of the thrill, adventure, and soul-searching graces of our journey. Like Job, life does not always leave us on a happy note. Life experience can bring us face-to-face with our mortality and leave us with a profound sense of helplessness. We do not see the wholeness and fulfillment that will one day come and cannot grasp the certainty that a resolution to our plight will come our way. We need to learn how to reach for Jesus' hand and let him help us to our feet. Living a life of faith means realizing that we are not here to figure out life on our own. In order to drink deeply of what life presents us, we have to wrestle in the depths of our souls, agonize and search, possibly reach the lowest point of desperation, and cry out for the Divine healing we need to restore our faith, hope, and love. It is no wonder that those who are touched by God's healing power want to then serve others and show them the deeper waters that can be explored. Knowing too much can rob us of joyful surprises.

All you  
need is  
Grace

### Peter's Patter

Greetings from the First and Second Grades. We have been busy! Here we are already starting the first week of February; where has the time gone? So we are wondering if we are going to have six more weeks of cold weather or are we going to have an early spring? No matter what, we will continue to work hard and endure what God has in store for us. In Math the 1<sup>st</sup> grade is starting a chapter on 2-digit addition, while the 2<sup>nd</sup> grade tackles 3-digit addition and subtraction with regrouping (borrowing). In Reading we are still working with suffixes, blends, digraphs and vowel sounds. We have also started writing complete sentences with naming and action parts. In Religion the 1<sup>st</sup> grade just finished learning about the many miracles that Jesus performed and the 2<sup>nd</sup> grade just finished a chapter on prayer, specifically the Our Father, the prayer that was given to the disciples and then passed down to us. In Science the 1<sup>st</sup> grade is learning about "Force": how we need to push and pull to get things to move. The 2<sup>nd</sup> grade just completed a unit on the different layers of the earth.

In other news, we would like to congratulate the winners of the Knights of Columbus Christmas Poster Contest. Those that placed were Reese Ellwanger, Belle Schwartz, Khloe Quall, Colton Meyer, Margaret Bohl and Juliet Herron. Juliet's poster placed first, so her poster now goes to the Diocese for the next round of competition. Good luck, Juliet!!!

The students have begun selling World's Finest Chocolate candy bars and taking orders for Kwik Trip Car Wash cards. If any of you have a sweet tooth or need to get their car washed, contact one of our students!

Thank you for your continued support and prayers; it is and always has been appreciated! God bless, and have a great week!

—Mrs. Christopher and the First & Second Graders
