**MESSAGE FROM THE PASTOR**

**YOUR LIGHT HAS COME**

Today we celebrate the third and final solemnity of the Christmas season, the Epiphany of the Lord. The symbol which characterizes this solemnity is light. It is first of all Christ who is our light. As Word made flesh, he is the fullness of God's revelation of himself to humanity. By the light of faith, through which we have been enlightened in baptism, we are made capable of accepting this revelation. It is this light, which draws us to Jesus and enables us to profess our faith in him as the Christ, which is symbolized by the star in today's Gospel.

The Magi in today's Gospel represent the whole of humanity, for God's plan of salvation is universal in scope. The people of the Old Covenant, Israel, understood that all nations would someday acknowledge and worship their God as the one true God, symbolized by those from throughout the known world streaming to Jerusalem. (Cf. First Reading and Responsorial Psalm) This has come to pass in the Christian era, since "the Gentiles are coheirs, members of the same body, and copartners in the promise in Christ Jesus through the gospel." (Second Reading)

Now we are called to bear the light of Christ, in word and deed, into a world still too full of darkness. In Matthew's gospel Jesus says: "You are the light of the world... your light must shine before men so that they may see goodness in your acts and give praise to your heavenly Father." (5:14a, 16)

The liturgical season of Christmas ends this Monday, January 9, with the feast of the Baptism of the Lord. As narrated in the Gospel for the feast, God the Father himself attests that he whose birth we have been celebrating is in fact God the Son become man. This truth was announced by angels to shepherds, signified to the Magi by a star and heralded by John the Baptist.

The incongruity of the sinless Son of God receiving a baptism of repentance was not lost on John the Baptist. When Jesus came to be baptized, John said: "I need to be baptized by you, and yet you are coming to me?" Nevertheless Jesus insists upon it "to fulfill all righteousness." The preface of John the Baptist explains it this way: "To make holy the flowing waters, he baptized the very author of Baptism."

Jesus' baptism was to mark the beginning of his public ministry. The baptism we received is the baptism with the Holy Spirit that John predicted would succeed his baptism of repentance. (Cf. Matthew 3:11 and Luke 3:16) It is through this baptism that we become God's children by adoption, "born not by natural generation nor by human choice nor by a man's decision but of God." (John 1:13) From this flows our ministry as members of the Body of Christ: "Go into the whole world and proclaim the gospel to every creature." (Mark 16:15)

Perhaps you have wondered why you have not heard about the Diocesan Annual Appeal. The Annual Appeal for 2022-2023 has been incorporated into the **Inspired by the Spirit** Campaign. This comprehensive, all-parish campaign effort began in parishes this past spring and is being conducted throughout this past fall and the first half of 2023. It will not only incorporate and support the various ministries through the Diocesan Annual Appeal, but also provides an opportunity for every parish in the Diocese to raise funds for its own needs, the Holy Cross Diocesan Center, and the new Catholic Foundation of West Central Wisconsin. Our parishes are assigned to the second block of the campaign timeline. You will soon be hearing more details. Please begin to pray about your commitment to this campaign and know that you will be invited to participate in the next few months.

Pray the rosary this week for our Holy Father's intention for this month, which is for educators: "That educators may be credible witnesses, teaching fellowship rather than competition and helping the youngest and most vulnerable above all." The annual Catholic Schools Week occurs later this month, January 29-February 4. Pray also for the repose of the soul of Pope Benedict XVI. *Requiescat in pace.*

May God bless his people with peace.

Alexis Pomietlo Happy Sunday Everyone!

Recently, I was listening to a podcast that featured the Benedictine monk Fr. Boniface Hicks as a guest. Many beautiful and insightful reflections were shared in the course of the conversation, but one line that really stuck out to me was this: "When we are well loved, we let down our defenses." It is a quote from the great St. John of the Cross, and it's something I've been meditating on.

The history books won't remember how well we loved our spouse or family members or the people we encounter in daily life, but that is what shapes each human person. When we love another in imitation of how Christ loves us, things change. People change. Good love bears fruit.

At the beginning of this new year, I'm sure many of us have resolutions circulating around physical health, maybe some financial goals, and the like. Goals are good and beautiful things, but I fear that we often spend our days looking down the road, anticipating the next big event. It is only in this present moment that we can ask and receive grace. We don't love people a week from now, we love them in the present moment. I challenge you, as well as myself, to love the people we've been given well this year. Let's delight in them as God the Father delights in us, and watch as defenses fall down and hearts open to His grace.

## SC Parish Center Construction Update

What we thought would be the final wait (installation of the air handler), for the completion of the parish center, we are now seeing its final installation happening this week, while a few areas around the hall also need finishing up. We have learned that the convection oven and range is back ordered with no date of when it will be delivered.

Once everything is completed the center will need to go through and successfully pass all inspections before usage can happen.

**Above:** Duct work from the air handler is being sealed off on the exterior wall finishing up the installation.

**Left:** Large carpet squares are being glued to the floor in the entrance that leads out of the church to our school building.

**Below:** Plumbing being worked on in bathrooms hooking up sinks and toilets.

## Why a Eucharistic Revival?

We can always deepen our understanding and devotion to this great mystery of Jesus' *true* Presence in the Eucharist.

### A Minute with Jesus

#### 12. Wise men came to worship Jesus

Wise men from far away saw an incredibly bright star moving across the sky. They followed the star to see where it would take them. It led them to the Infant Jesus. The wise men gave precious gifts to the Savior, gifts for a king: gold, frankincense and myrrh. They knew that Jesus was a great king, even though He looked like a small Child. Jesus gives us the greatest Gift – the Gift of Himself in the Eucharist again and again in a life-giving encounter.

Let's pray this right now and every day this week: Jesus, the wise man brought You precious gifts. But, thank You for giving us the most precious Gift of Yourself in the Eucharist. This week, read how the wise men came to worship Jesus and bring Him gifts in Matthew 2:1-12

Happy New Year from the 6th, 7th, and 8th grade classes!

This group of students came back from Christmas Break ready to dive into the new calendar year.

Fifth and sixth grade students are studying the Fifth Commandment: You Shall Not Kill. They are learning that this commandment covers more than the physical killing of another. Seventh and eighth grade students are learning more about how the early Church spread and the roles that apostles and martyrs played in the growth of the Church.

In math, sixth grade is learning about inequalities while prealgebra students are solving equations that have fractions. Algebra students used graphing calculators this week to identify the points where a graphed line crosses the x- and y-axes.

Sixth grade is reading about 3D printing and learning more about making subjects and verbs agree in the sentences they write. Seventh and eighth graders finished the novel *Unplugged* and are working with subject-verb agreement. Sixth grade students finished up their study of different categories of animals while seventh and eighth graders made edible models of DNA. In history, seventh and eighth grade students continued their study of the life and government of colonial society in the early 1700's. We pray that you all have a wonderful 2023! Thank you for your continued support and prayers.
