Parish Mission

St. Francis of Assisi Parishioners of Nixa, Missouri, being open to the workings of the Holy Spirit, are called to be a welcoming community formed around the Eucharist, a people of prayer serving their faith through their principle of Christian stewardship.

Living the Liturgy

Human beings easily get bored. Life's routines can become so predictable that there is often little time for excitement or freshness. Today is all about the new and the wonderful. In celebrating the beauty and simplicity of the Epiphany, we see in tangible ways God's creative, redemptive, and restorative power. This refreshment and revitalization is offered not only to a select few but to everyone throughout the world. There is nothing routine or static about God. Surprises, wonders, miracles, opportunities, healings, and joy without measure are available to those who believe. There are never any endings, just beginnings. And, when darkness, boredom, and gloom seem to be the order of the day, a bright new light now shines pointing us to truth and reminding us that we are loved.

From the Pastor.....

I want to extend to each of you and your families my personal hope that this new year will be filled with blessings, peace, joy and renewed commitment to allow the Spirit of Christ Himself to fill each of your hearts.

One of the best ways to do this is to make the Eucharist a more central focus of your life. My hope is each of you will renew your commitment to regularly celebrate Mass each Sunday with your family. Eucharist nourishes us individuals, as family and as community to live our baptismal commitment. As we journey through this new year the Eucharist can strengthen us to bring the goodness and tenderness of God to everyone, as a sign that the kingdom of God is already present in our midst.

As we begin our New Year, please know that each of you and your families are constantly in my prayers. May God bless and keep you all.

First Reconciliation Jan 10th

The second grade Faith Formation class is preparing for their First Reconciliation on Jan. 10th.

Please keep all the students and their families in your prayers as they will be preparing for this holy sacrament.

Blessings To You

On Your First Reconciliation

Are you new to St. Francis of Assisi? Or have you been a member for a while but have questions about our ministries or programs? The Epiphany of the Lord

Bob was growing in frustration and bordering on anger as he searched frantically on his dimly lit desk for the current electric bill. He flies stuff around, moves books and opines why simple tasks need to be so hard. Enter his wife, who calmly says, "Maybe it would help if you put the light on, dear." The desk light goes on and lo and behold, there is the electric bill right where Bob left it earlier. All it took was a little light!

We often stubbornly refuse to turn on the lights! Either we are distracted, determined, disinterested, preoccupied, stubborn, apprehensive, or all of the above. Or perhaps, we fail to do the obvious. We would rather live our lives with the dimmest of lights or even in total darkness. Why are we afraid to do something so that we can actually see? It might help us to find quicker and better answers to problems, the meaning of life and what is ultimate truth. Yet, we stumble along, moving things from one side to the other, getting angry, feeling cheated, being unsettled, resigning ourselves to the agony of defeat once again.

"And behold, the star that they had seen at its rising preceded them, until it came and stopped over the place where the child was." The light has come into the world in the person of Jesus Christ! We no longer have to fumble in the darkness. We have been gifted with the illumination we need to see our way through things and find what we really are looking for. All these years later, however, so many are still reluctant to accept him. Perhaps they are unconvinced, disinterested, preoccupied, stubborn, apprehensive, or all of the above. Everyone has their own reason for not wanting to turn on the switch.

But there are so many answers to so many of our problems in this humble Child of Nazareth. A simple birth teaches us about God's tender wedded relationship with humanity. It speaks to the expanse of God's salvation across the globe, and the incarnate Divine wonders and blessings that are a part of our life moment to moment. It calls us to understand the design of world order God intended as found in the Beatitudes, the sacredness of every human life and all of creation and the meaning of things we struggle with most, like suffering and death. All races and creeds can receive God's healing word. God continues to manifest himself even now! Use the light to find what you are really looking for!

Stewardship

A Way of Life

The three kings in today’s Gospel traveled a great distance at considerable cost to offer their richest gifts to the Infant Jesus. How far will I go and what will I offer to do homage to this newborn King and Savior?

What is The Synod on Synodality?

"The mission of the Church requires the entire People of God to be on a journey together, with each member playing his or her crucial role, united with each other. A synodal Church walks forward in communion to pursue a common mission through the participation of each and every one of her members. The objective of this Synodal Process is not to provide a temporary or onetime experience of synodality, but rather to provide an opportunity for the entire People of God to discern together how to move forward on the path towards being a more synodal Church in the long-term" (Vademecum for the Synod on Synodality #1.3)

Through the Synod on Synodality, Pope Francis is asking the Church to rediscover its deeply synodal roots and to reflect on how the path of synodality is the way for the entire People of God to journey forward together.

Through the Synod on Synodality, Pope Francis is inviting and encouraging, "ALL People of God" to participate in a local consultation process. For the diocese of Springfield-Cape Girardeau this means arranging for local parish consultation sessions in which "ALL People of God" are invited to participate in dialogues groups.

Vocational Prayer Families

Our parish wants to encourage and foster vocations to the religious life and especially the priesthood which is so vitally important for the ongoing sacramental life and health of the Catholic Church. We are passing a crucifix between families who have pledged to pray daily for the discernment of young men to the priesthood, for our seminarians, and for our clergy. We hope that your family will join us in that endeavor.

There are sign-up sheet in the gathering space. Please consider being part of this prayerful service to the Church. You may also sign up by contacting Deacon Gary dre@stfrancisnixa.org.

Recognize God in Your Ordinary Moments Wise Men See God in the Simple Things

If you're on social media, you have probably seen a meme going around that features this quote: "God has a plan for your life. The enemy has a plan for your life. Be ready for both. Just be wise enough to know which one to battle and which one to embrace."

There were certainly two competing plans for the Magi: God's and Herod's. And, wise as they supposedly were, it wasn't entirely easy for the Magi to discern which was which.

After all, Herod posed as a friend. He offered the Magi hospitality and kindness. Though the Gospel doesn't say so, he probably flattered them and appealed to every moral weakness he could observe in them. In his palace, they must have felt great physical comfort — rest and tables of plenty on what was an otherwise long and treacherous journey.

But if the Magi were honest with themselves, I'll bet they would have admitted that, regardless of Herod's charm, they felt a gnawing sense of doubt while in his presence. When they looked upon the Christ Child, born in a stable without any of the comforts of the world or protections of wealth, they probably felt the opposite. They probably felt safe.

The Magi were lucky enough to have the right plan spelled out for them in a dream, but for the rest of us, it's enough to remember this: God's plan is often the one that leads us to places of great simplicity, great humility and great love. Let's have the wisdom to view power with suspicion, and innocence with admiration.

A little girl and her mother were looking at the Nativity scene. The mother was explaining that the Wise Men were presenting their gifts of gold, frankincense, and myrrh to the newborn King. The little girl looked in great adoration at the babe in the manger, then, turning to her mother, thoughtfully asked, "Why didn't they bring Him a bed?"
