

Our Lady of the Lake Catholic School

Educating to Lead, Learn and Serve in Christ

March 2020

Dear Our Lady of the Lake Catholic School Supporter;

God blesses Our Lady of the Lake Catholic School by providing many benefactors. They are essential for Our Lady of the Lake School to continue its mission of nurturing the whole child. We are grateful to our past generous supporters and hope that you will continue to support Our Lady of the Lake Catholic School.

We are continuing the partnership between Our Lady of the Lake Catholic School and the St. Agnes Education Foundation through the Annual Giving Fund. We are asking you to help continue the long-standing history of Catholic Education at Our Lady of the Lake Catholic School in the Ashland Area. Your assistance is requested for debt repayment on our building repairs and restoration, along with continued funding for our dedicated staff.

After 63 years, although being well-maintained, the need for restoration of Our Lady of the Lake Catholic School was critical to continuing the success of our school. We acted on the repairs and renovations throughout the elementary building with the approval of our parish community and now need your continued assistance in the repayment of loans for the repairs and renovation.

Since the 1980's the St. Agnes Education Foundation has supported the education process of Our Lady of the Lake Catholic School. The Foundation feels strongly that our school staff's compensation should be competitive with our public-school counterparts and have made it a priority in the distribution of their funds.

It is our hope that you will partner with us through our Annual Giving Fund to achieve our goal of raising \$15,000 this year as we strive to bring the Gospel message to our students and teach them to be tomorrow's virtuous leaders.

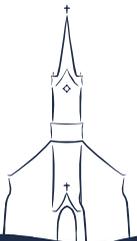

We are grateful to you and pray that God will bless you abundantly for your good works and generosity on behalf of Our Lady of the Lake Catholic School. Whatever your contribution may be, please know that it is received with our deepest gratitude.

Sincerely in Christ,

Betty Swiston
Principal, Our Lady of the Lake School
