## IT IS THE LORD!

At that time, Jesus revealed himself again to his disciples at the Sea of Tiberias. He revealed himself in this way. Together were Simon Peter, Thomas called Didymus, Nathanael from Cana in Galilee, Zebedee's sons, and two others of his disciples. Simon Peter said to them, "I am going fishing." They said to him, "We also will come with you." So they went out and got into the boat, but that night they caught nothing. When it was already dawn, Jesus was standing on the shore; but the disciples did not realize that it was Jesus. Jesus said to them, "Children, have you caught anything to eat?" They answered him, "No." So he said to them, "Cast the net over the right side of the boat and you will find something." So they cast it, and were not able to pull it in because of the number of fish. So the disciple whom Jesus loved said to Peter, "It is the Lord."

– John 21:1-19 –

The Gospel account this Sunday recounts another post-resurrection event, occurring during a time of uncertainty for His disciples. Having witnessed the death and miraculous resurrection of their teacher, the disciples experience a complex mix of confusion and despair. They are unsure of their future purpose without Jesus physically present. The setting of the Sea of Tiberias, where some disciples returned to fishing, symbolizes a return to their former lives – a familiar routine from their past before Christ called them to follow Him.

The disciples embark on a fruitless night of fishing, serving as a metaphor for their spiritual state. Despite their expertise, the evening yields no catch. As they sail back empty-handed, the resurrected Jesus appears on the shore. He calls out to them, instructing them to cast their nets on the right side of the boat.

This moment transcends mere fishing; it is a profound illustration of divine direction and provision. When the disciples obey His command, they experience an extraordinary catch – 153 large fish. Jesus provides not only for their physical needs but also demonstrates His guiding and abiding presence in their lives.

The disciple whom Jesus loved, reading the meaning of what has just happened, cries out: *It is the Lord!* This recognition stems from familiarity and love. The beloved disciple understands who is on the shore not merely by sight but through the profound sense of Jesus' presence and the miracles He performed while He was with them. It is this intimate relationship that enables recognition.

As we continue to celebrate Easter, we are reminded of Jesus' ongoing presence and guidance in our lives. In our moments of difficulty and frustration, just as with the disciples at the Sea of Tiberias, we should listen for His voice and respond to His promptings. The phrase "It is the Lord!" resonates with significance, serving both a declaration of Jesus' identity and a reminder of His continuous involvement in the lives of His followers.

Have a great week!

*Fr. Jojo*

What is Faith In Action? We can only have faith in action when people see in our lives the very evidence of such faith, when we are a living witness to the faith that we believe in, when our faith is being expressed with compassion to others, and finally, when our faith is being converted into service. It means helping those who are in need.

The Social Justice Committee is looking to assist our community of shut-ins, elderly, and those who are sick who have no transportation or may need a little help or a visit. We are looking to provide assistance to do grocery shopping and/or social visits with these people.

How can you help? We are looking for names of those who could use these services. If you know of someone that you think would benefit from this ministry, please reach out to a member of the Social Justice Committee or the Parish Office. This information will be available at the Church entrances.

## A MINUTE WITH JESUS

### The Eucharist is the Risen Christ

On Easter Sunday, two disciples were leaving Jerusalem without hope as they believed that the Savior was dead. Jesus joined them as they walked but the disciples did not recognize Him as He now had a glorified body. The disciples were unable to interpret the events of Jesus' passion and death because they did not understand the whole Story. Jesus explained the things concerning Himself from "all the Scriptures." When Jesus sat down with the disciples at Emmaus, they recognized Him upon receiving the Eucharist.

Let's pray this right now and every day this week: *Lord, make my heart burn with a desire to read Your Word in Sacred Scripture.* This week, read how Jesus explained how He fulfilled the Old Testament in His Passion, Death and Resurrection, and allowed the disciples to recognize Him in the breaking of the bread (the Eucharist) Luke 24:13-35.

## EASTER GIFT FROM THE PARISH
