April 24 - Divine Mercy Sunday

As the faithful prepare to celebrate Divine Mercy Sunday, it is important to review the meaning and historical significance of the day. On the Second Sunday of Easter of the Jubilee Year 2000, at the Mass for the Canonization of St. Faustina Kowalska, Pope John Paul II declared that the Sunday after Easter be called "Divine Mercy Sunday."

St. Faustina was a Polish nun who received visions from Jesus, including one of Jesus wearing a white garment with beams of red and white coming from His heart, which came to be known as the image of Divine Mercy.

According to the vision, those who receive communion and attend confession on the Feast of Divine Mercy receive total forgiveness of sins.

Divine Mercy Sunday focuses on the gift of mercy and love given through Christ's death, burial, and resurrection. As Pope John Paul II stated, "Divine Mercy reaches human beings through the heart of Christ crucified."

On Divine Mercy Sunday, we will celebrate our regularly scheduled Masses and offer a special prayer service today, Sunday, at 2 pm. Confessions will be offered during this prayer service. Of special note, a Plenary Indulgence under the usual conditions (sacramental confession, Eucharistic Communion and offering a prayer for the intentions of the Holy Father) may be obtained by the faithful on this day. We hope you can come join us this afternoon. Blessings.

Come Holy Spirit,
inspire my heart to seek the mercy
Jesus won for me during His Passion.
Help me to live in the light of Easter,
and to cast aside all darkness and doubt.
May I be counted among the blessed
who do not see, yet believe!

Freya Marie Paulson, daughter of Johnathan and Vanessa was baptized into the Catholic faith on April 23, 2022.

A Mass of Christian Burial for Michael Joseph Sinclair was held at St. Joseph Church on April 19, 2022.

A Mass of Christian Burial for George "Lenny" Quinn was held at Our Lady of Lourdes Church on April 20, 2022.

ACT OF SPIRITUAL COMMUNION

My Jesus, I believe that You are present in the most Blessed Sacrament. I love You above all things, and I desire to receive You into my soul. Since I cannot now receive You sacramentally, come at least spiritually into my heart. I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You. Amen.

ORACIÓN DE COMUNIÓN ESPIRITUAL

Creo, Jesús mío, que estás real Y verdaderamente en el Cielo y en el Santísimo Sacramento del altar. Te amo sobre todas las cosas y deseo vivamente recibirte dentro de mi alma, pero no pudiendo hacerlo ahora sacramentalmente, ven al menos espiritualmente a mi corazón. Y como si ya te hubiese recibido, Te abrazo y me uno del todo a Ti. Señor, no permitas que jamás me aparte de Ti. Amén.

Knights of Columbus Council 2137 will hold its annual garage sale Thursday & Friday, **April 28 & 29, 8 am - 4 pm and Saturday, April 30, 8 am - noon** at the Knights Hall on 1121 Nunn Avenue in Rice Lake. If you wish to donate items, please call one of the men listed below.

Also, the **Churchberries** sewing group will have multiple tables at the sale full of fabric pieces, sewing notions, thread, wool yarn, quilting books and magazines, patterns and many more sewing goodies.

St. Pedro de San José Betancur | April 25

Central America's first saint, St. Pedro de San José Betancur (1626-1667) was born a poor shepherd in the Canary Islands. His family lands were seized because of debt, and he worked as an indentured servant until his early adult life when Pedro left his home to travel to Guatemala.

His money for the journey ran out long before he arrived. He was destitute when he did arrive and was forced to join the bread line the Franciscan Friars had for the poor.

In 1655, he joined the Third Order of St. Francis. Pedro began to serve the poor, the enslaved, immigrants, abandoned children, anyone that needed him. In 1658 he was given a hut which he made into a hospital for the poor. This small start grew into a shelter for the homeless, a school for the poor, an inn for priests and several small chapels in poor areas. He was supported by many patrons and was joined in his work by both men and women, who became the Bethlehemite Brothers and the Bethlehemite Sisters.

Pedro prayed for the souls of those in purgatory, walked through the streets of rich neighborhoods ringing a bell and calling the wealthy to repent and ministered to prisoners. Most accounts credit him with beginning the tradition of Las Posadas, a procession in which people representing Mary and Joseph ask for lodging from their neighbors. This tradition continues today in Mexico and Central America. Because of his work with the poor and marginalized, Pedro is often referred to as the "Saint Frances of the Americas." St. Pedro was canonized on July 30, 2002 in Guatemala City, Guatemala by Pope John Paul II. © LPi

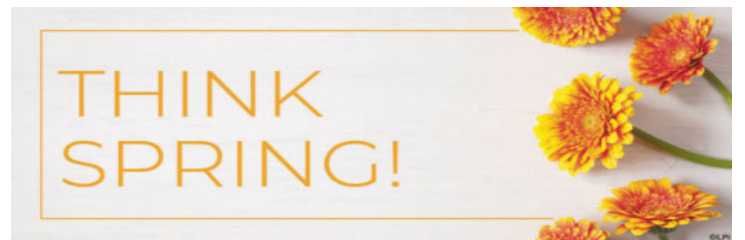

St. Joseph Catholic School Installs a 36-foot Rock-Climbing Wall for Students

During Spring Break, St. Joseph Catholic School installed a horizontal rock-climbing wall in the gymnasium for students. This new rock wall is 8 feet tall x 36 feet long with about 175 hand and foot holds. The idea of the horizontal rock wall was a vision brought to life by Mr. Ryan Stridde, the physical education and health teacher. Mr. Stridde presented the idea to Principal Jerry Van Dyke a year ago, and it was unanimous that our students and our school could benefit from the endeavor. After review and approval from the parish finance council and school board, in the fall of 2021, the rock wall project was put into motion, and it was installed during Spring Break, March 14-18.

The benefits of this rock wall are twofold. As students work in teams, they learn communication skills by assisting and spotting their partner who is climbing. Climbing also helps to develop courage at lower heights and trust in one another. This activity will increase core strength and balance while challenging one's range of motion. Hand-eye coordination, sensory processing and tactile understanding help the body to develop better spatial awareness. Rock climbing is considered a lifetime skill which is a skill that can be useful for a lifetime. In the first week of use, it quickly became an all-school favorite activity, and students were able to spend a lot of PE class time exploring the new wall.

Every grade, PreK age 3 - 8th-grade can use this rock wall. For the remainder of the school year, students will do a 2-week unit where they will rock climb four to six classes in a row. In the future, students will be able to use the rock wall once a week, every 3 weeks tentatively, while transitioning between units.
