**May 22
 Sixth Sunday of Easter**

What did it take to be a member of the new faith, called *The WAY*? This is a new religion, different from the Jewish faith. There is a person whom we call God, whom we worship and give glory, praise and honor.

In Jewish law one must be circumcised and eat only certain foods. You must always be on guard that you are not unclean, or you cannot enter the temple to worship. Primary worship must be in the temple. There were many other rules to follow in the Jewish tradition.

But this religion is different. Most of the people converting to the faith were not Jewish but Gentiles. And in some cases, they are flooding to this new faith. What rules shall we set up to make sure they will be accepted into the new faith?

The leaders of *The Way* looked at how Jesus accepted people. He welcomed all people and never did background checks. He never asked if they were Jewish or pagan. When people came to Him, he would say do not let your hearts be troubled, do not be afraid. Accepted into the new faith, people will learn and discover Jesus together. In reading scripture, their minds would be open to God working in their lives.

Accepting the Holy Spirit, we turn to God in trust realizing God is in control. As they say in the AT&T commercials, it is not that complicated. God will open our minds to His love. We will want to respond to God in love, living the commandments and accepting the Beatitudes. It is not that complicated.

May is Poppy Month

The remembrance poppy is worn to commemorate military personnel who died in war. Inspired by the war poem, "In Flanders Fields," poppies were first used near the end of World War I to commemorate American and British casualties of the war. Veterans' associations exchange poppies for charitable donations used to give financial, social and emotional support to veterans and their families.

The Brunclik-Konop Unit 540 of the American Legion Auxiliary, Haugen, will be distributing poppies Memorial Day Weekend at Our Lady of Lourdes Masses Saturday, May 28 at 4 pm and Sunday, May 29 at 10 am and at the Holy Trinity Mass on Sunday May 29 at 8:30 am.

Thank you in advance for your generosity.

Act of Spiritual Communion

My Jesus, I believe that You are present in the Most Holy Sacrament.

I love You above all things, and I desire to receive You into my soul.

Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart.

I embrace You as if You were already there and unite myself wholly to You.

Never permit me to be separated from You.

Amen

7 Things Every High School Graduate Should Hear

1. Live with intention. College will be full of new opportunities. Think carefully about your priorities for your new start.
2. Make the right friends. There will be plenty of new people! Concentrate on ones who motivate you to be a better person.
3. It's a big world! Look for new perspectives, new opportunities and new ideas that push you to grow.
4. Find a mentor. Building relationships with people who have "been there, done that" can be a great help.
5. Give yourself away. You may not need to volunteer anymore, but you'll be surprised what you learn, how you grow and who you meet when you serve.
6. Before you go, learn how to do your laundry, address an envelope, schedule a doctor's appointment, use public transportation and cook basic meals (ramen doesn't count!)
7. Remember that God is in control. And that's a good thing!

LPI

Chloe Streit's name was inadvertently missed in the names of seniors not pictured in last week's graduation photos.

"Let us pray, brothers and sisters, so that all young people, called to live life to the fullest, may discover in Mary's life the way to listen, the depth of discernment, the courage of faith and the dedication to service."

~ Pope Francis
