FOUR PARISHES ONE FAITH

5th Sunday of Easter

STJOSEPHRICELAKE.ORG | ADMINISTRATION OFFICE: 111 WEST MARSHALL STREET, RICE LAKE, WI 54868 | 715-234-2032

Fr. Ed Anderson

May 7 – 5th Sunday Easter

It does take time to understand the Bible. There is just so much. And as we read and reflect there are some things we understand, some things we understand partially, and other times, we must admit, we just don't get. That is why it is important to come back and read and reread many times. We should not be hard on ourselves for not understanding. There is a special phrase in today's gospel. It is: "Do you not believe that I am in the Father and the Father is in me?" What do you see in that phrase? Jesus using a way to explain His relationship with the Father? Yes, but perhaps even more. It took the Church some three hundred years to develop the theology of the Trinity. With that thought in mind, now reread the passage. Is Jesus explaining the three in one God? The Trinity? If you were there when He said that, would you have understood? Probably not. We would be just as dumbfounded as Thomas. What could Jesus possibly mean? Maybe we still don't understand. That is alright, too. A little later in the passage is the phrase: ". . . whoever believes in me will do the works that I do . . ." The answer is to believe in Jesus. He tells us to look at the works He has done and believe. We can also say now, look at the works He has done since then. And believe! It is good to know Thomas. Let us ask for his intercessory prayers, asking him to help rid ourselves of our unbelief. -Fr. Ed Anderson
