Good People of Good Counsel,

This Sunday (July 11) after the 11am Mass our Director of Sacred Music, Michael Mills, will be hosting a short gathering in the parish hall for all parents who are interested in having their children participate in a children's choir.

The regular choir will begin singing at Sunday Masses again in August. The first choir rehearsal will be on Tuesday, August 3rd at 7pm. This choir rehearsal is open to anyone who would be interested in coming. We could use some more voices to join our parish choir. Michael believes very strongly that anyone has the ability to sing and be taught how to sing well. He is more than happy to work with people of all skill sets. If you are interested in finding out more or have any questions, contact mills@olgckc.org

This coming Thursday, July 15th, seminarian Mark Famuliner will be giving a presentation in the parish hall on what the Catholic Church teaches regarding tattoos and body piercings. It should be a very interesting discussion. Everyone is welcome to attend.

We are making great progress on the new building we purchased this year. Last week we rented a dumpster and teams of people came to help us clear out all of the junk in the building. We are excited to begin utilizing the space for different parish gatherings and events.

One of the organizations that will be making use of the new building is the Chesterton Academy of St. Philip Neri. After spending the past year meeting with prospective students and families they are looking to officially open the classical high school in the 2022-23 academic year. For this coming year, they will be offering a series of enrichment courses in order to give perspective students a taste of what the school will offer.

This fall, enrichment classes will include drawing & sculpture, sacred art & music, a writing course, an ancient philosophy course, and a Latin course. In addition to these there will also be a drama club that will perform an original adaptation of Charles Dickens' "A Christmas Carol". These classes are open to all junior high and high school students.

There will also be two seminar opportunities that are open to people of all ages. One will discuss the spiritual vision behind Lord of the Rings and the other will look at the philosophical changes that have taken place in society from the time of St. Thomas Aquinas to the postmodern age as it pertains to our bodies and contemporary gender confusion.

Next to the bulletins in the back of church there are fliers that you can take to learn more about each of these classes and the dates and times they will be offered.

Visit www.chestertonacademykc.org to find out more.

In Christ and Mary,
Fr. Johnson
