My fellow Parishioners,

What an exciting year we have had here at the Shrine of Divine Mercy! I am so grateful to be on the staff here, and to help care for this beautiful church in the heart of Westport. Thank you for your trust. As the 2020-2021 Fiscal Year has come to an end, I wanted to provide you with an update on our parish finances.

We are ending this fiscal year at a deficit of \$70,000. The main reason for this is we purchased the new building for \$545,000, as well as made the final payment of \$60,000 for the repairs to our Walls/Windows.

For context: if we had not purchased the building this year, and if we had paid for the walls and windows during the previous fiscal year, we would be in the black \$284,086 for the year.

For the 2021-2022 Fiscal Year, our new building brings a lot of promise and possibilities to our campus. We do have some large expenditures on the horizon, mostly connected to our new space. Currently, we are wiring the building for internet so we can move our parish offices out of the rectory. In the fall, we plan to put a fresh coat of paint on all the campus buildings, and make the "Divine Mercy Campus" shine!

I enjoy dreaming with all of you about the multiple uses for our space. Our staff has been prayerfully discerning how we can best serve all of you, and our community, with our new acquisition. Please do not hesitate to reach out to me if you would like to utilize any of the spaces on our campus.

I am thankful to all of you for your support of Good Counsel. It is an honor and a privilege to be in communion with you.

Your Sister in Christ,
Hope

As a reminder, we have acquired some additional parking! Please utilize the lot on the corner of 40th and Washington (behind the new building, next to the condos). We have created an opening in the fence to allow easy access between the lots.
