AUGUST 11-15, 2021 NORTH AMERICAN MARTYRS AND EAST COAST SAINTS

Join Fr. Brian Christensen and other young adults from across the Diocese as we experience the rich history of the Catholic faith in America! The east coast is filled with inspiring stories of the Saints who lived out the faith in very difficult circumstances! Our trip will take us from the birthplace of St. Kateri Tekakwitha, to the Shrine of the North American Martyrs, to the tombs of Ven. Fulton Sheen and Ven. Pierre Toussaint. The trip also includes Mass at St. Patrick's Cathedral – a 19th Century gothic cathedral in the heart of downtown New York City. We will pray at the shrines of St. Elizabeth Ann Seton, Our Lady of Czestochowa, and the National Shrine of St. Katherine Drexel! GOSPEL MEDITATION

May 23, 2021

Pentecost Sunday

Being filled with the Holy Spirit is not always about proclaiming loud cries of praise or singing alleluia from a roof top. It is about unfolding and encountering the ordinary in an extraordinary way. Being filled with the Holy Spirit means being filled with the fullness of God's life and in touch with the power and wonder of God's presence. It's about becoming holy. It is not just for saints or people who have a religious vocation. Holiness is for the ordinary, simple run-of-the-mill person who desires to love God, others, and all of creation. When an ordinary, humble person becomes connected with life and the wondrous power of God's love, they begin to live life more deeply, a bit more reverently, desire a simple fare and find themselves relishing in ordinary beauty. Their senses become attuned to the Author of life and they realize that they are not alone. The Holy Spirit connects all of the dots of human experience and existence, bringing everyone to center on the Divine Presence. The Holy Spirit does not just breathe "on me" but "in me" and is the force behind every breath I take. Take a moment to soak that thought in. There is the Divine Presence of the Holy Spirit in me, right now. When a person becomes in touch with truth, they know that when inspired by the Holy Spirit, his or her actions are not solely their own. They realize that they are moved by Divine Grace and drawn to things not found in secular affairs.

We live in a world where it is hard to discover truth. Real truth is veiled by so many imposters that it is hard to find, especially for those who are young. It is easy to get fooled and duped and often, without full conscious awareness of doing so, we choose to walk down a path of self-absorption and destruction. It is only the Holy Spirit, through the ministry of the church most especially, who guides us to truth and shows us the way to be the graced and holy human beings God made us to be. The wonders and inspirations of today's Feast of Pentecost are necessary to share with both those we love and those who only casually cross our paths. The first disciples, touched by the Holy Spirit, brought the Gospel to the ends of the earth one step at a time. Is it unrealistic to ask that we assist in that same mission by helping people understand who they are and who God is one at a time? Ask the Holy Spirit to alleviate the fear in your heart that prevents you from doing so.

Father's Corner

Pentecost Sunday

In one Spirit we were all baptized into one body, and we were all given to drink of one Spirit."

Have you ever received the Holy Spirit? We are invited to show the fruits of the Spirit we have received. Celebrating Pentecost, the highest peak of the Paschal mystery, we are meant to be set aflame in the life of the Spirit. What we received has to be put to use. Today in the First Reading from the Acts of the Apostles, St. Luke gives us, in a detailed account, the new Pentecost story in symbolic language.

The disciples were gathered in fear, suddenly, there was a sound **"like the rush of a violent wind."** The whole house was filled with the very Spirit of God. Then **"divided tongues, as of fire"** were seen resting on each person present, as if to say that each one present is being given the gift and power to speak in the name of God. Pilgrims from all over were amazed to hear the disciples speaking to them in their own languages. The Spirit was already at work in bringing different people into a one people of God.

These physical manifestations of the coming of the Holy Spirit were made present for the recipients to concretely understand that something amazing was happening. By seeing and hearing these physical manifestations of the Holy Spirit they were more properly disposed to understand that God was doing something awesome. And then, upon seeing and hearing these manifestations, they were touched by the Holy Spirit. They were consumed, filled, and set on fire to carry on words and deeds of Jesus. Pentecost changed their lives! With the giving of the Spirit also comes the authority to the Apostles to speak and act in the name of Jesus: **"If you forgive sins, they are forgiven; if you retain the sins of any, they are retained."**

If you are sure, you received the Holy Spirit, *where are you keeping Him? In your closet somewhere?* We need to see and hear the effects of that Holy Spirit you believe you have received. St. Paul has said: **"To each individual the manifestation of the Spirit is given to benefit others."** *Who is benefiting from the power of the Spirit in you?*

The Apostles by their testimony, and by our receiving the same Spirit the world, and *people around us need to hear and see that transforming faith we live.* People would like to discover that the Holy Spirit is real, and something is happening in our lives that affect their lives in a positive way. God wants to set our hearts on fire with His love, strength, and grace so we can effectively live lives that effect change in the world. We have the power of the Holy Spirit. We are talented and gifted as individuals to enrich the Church and one another so that our community may not be lacking in anything. We are like a body. Each member part has its own function, yet we are all are ordered to one purpose to provide joy and harmony in witnessing to the love of Christ.

What is the greatest need of the church today? Is it material things? NO! The greatest need for the church today is to have a fresh outpouring of the Spirit of the living God so that we may bear witness to Jesus Christ in the midst of this chaotic world. We need the strength and the gifts of the mighty Holy Spirit so that we can be competent, fearless, confident, and articulate in proclaiming the Gospel to the world in action in spirit of martyrdom. We pray today: **"COME HOLY SPIRIT COME! FILL THE HEARTS OF THY FAITHFUL..."**

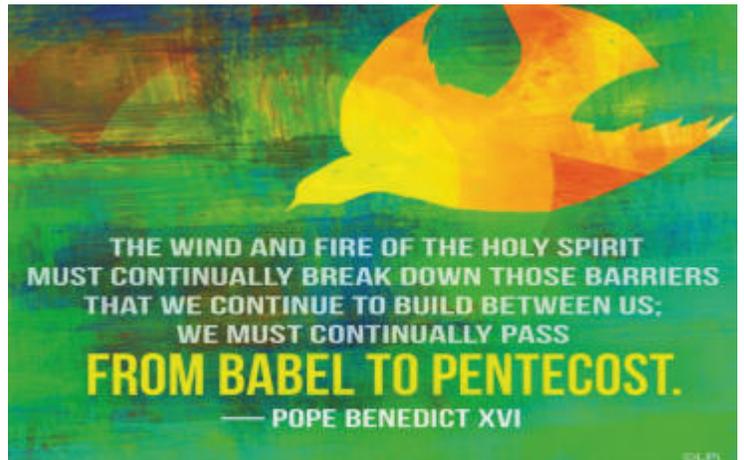

Today is the day to be drunk not with wine but with the Holy Spirit. Filled with that Spirit may each individually here feel bound to make contribution to the community to which we belong. And, as a community, may we give clear and unmistakable witness to the Truth and Love of God, revealed to us in Jesus our Lord.
