FROM FATHER'S DESK

Father Nathaniel Meyers

I have no memory of “snow birds” when I was a child. I am certain many Minnesotans decided to leave our fair state for warmer weather, but I simply was simply not aware of anyone doing so in our neighborhood and was probably well into my teens before I became aware of the phenomenon of people relocating to places like Arizona or Florida for a few months of the year. As a strong defender of the benefits of a cold, long winter, I cannot fathom ever becoming a snow bird myself—yet again, perhaps in 30 years and with a hefty dose of arthritis, I may think differently.

As some of our parishioners venture southward now that Christmas has passed, I would like to call attention to one particular member of our parish who is currently enjoying The Sunshine State's offerings. Ted McCarty, who has served as a trustee in our parish since 2016, is enjoying the benefits of retirement with his wonderful bridge and even some fellow parishioners as they spend the next several months in Florida. Now that the legal proceedings following upon our financial crisis have drawn to a close and the major disruptions from COVID-19 to our operations appear to have moved behind us, Ted will be stepping down as our trustee effective this Monday, January 3rd. I would like to personally thank Ted for his commitment to the role of trustee over the course of some difficult years, the friendship and counsel he provided to me personally during this time, and his resolute love for the Catholic Church and our parish.

As Ted moves on from his position as a trustee, please join me in praying for him and offering gratitude for his years of service in this role. I also want to ask everyone to join me in praying for our newest trustee, Randy Bunting, who will begin his term in this position tomorrow as well. After much deliberation and prayer, I felt led by God to ask Randy to accept this position and am excited that he agreed to become our newest trustee. Randy is obviously well-known to many in our parish and is imbued with a deep love of Christ and His Church that will be a wonderful asset to all of us as we look at evangelical, catechetical, and administrative initiatives in the upcoming years. Please welcome Randy to this new role in our parish and offer him your support and prayers.

In Christ,
Fr. Meyers

CATHOLIC Q & A — LEARNING THE CATHOLIC FAITH DURING BREAK

Q & A — Epiphany

Question: Besides the Wise Men, what is significant about the Epiphany?

Answer: Epiphany means “manifestation,” or public display. In the US, it is celebrated on the Sunday nearest to January 6. It originates from a story unique to Matthew (2:1-12). Magi from the East come to offer homage to the newborn King, presenting him with gifts of gold, frankincense, and myrrh.

This part of Matthew’s infancy narrative differs from Luke’s account of the birth of Jesus. In Luke there are no Magi, star, nor gifts. Luke has Jesus being born in a stable after Mary and Joseph’s long travel from Nazareth to Bethlehem. Matthew seems to have the family living in a house in Bethlehem, where the Magi find them.

Why these differences? They stem from the needs and concerns of the audience the authors were addressing, as well as the theological stance of each author. Knowing the original intention helps get at the correct interpretation of the text.

Since Matthew was writing primarily to a Jewish community, his concern was to show that Jesus did not come just for Jews, but for Gentiles as well. From his very birth, Jesus not only manifests himself to Jews, but also to Gentiles, who are prominently included in the manifestation, symbolized by the Magi and their journey. This is the most significant aspect of the feast of Epiphany. How do you manifest Jesus to all with whom you come into contact?

Q & A — Mary, Mother of God

Question: If God is eternal and infinite, how can He have a mother? Why don’t we call Mary just the mother of Jesus?

Answer: The title of “Mary, Mother of God” can be confusing. We aren’t implying that Mary existed from eternity or that she is divine herself. The Church has fought for this title throughout the centuries for one reason: Christ’s identity is at stake.

As the Church grew in the early centuries, theologians wrestled with what it meant for Jesus to be both God and man. Many distortions of his identity began to emerge. One of these was propagated by a man named Nestorius. Nestorius and his followers denied that Jesus’ human nature and his divine nature were inseparable. Following that logic, Mary could have only conceived Jesus’ human nature. But people don’t give birth to a “nature.” They give birth to a whole person. For Jesus, his whole person is both human and divine. In 431 A.D. the Council of Ephesus denounced Nestorius. The bishops affirmed that Jesus is both fully human and fully divine and proclaimed Mary, *Theotokos*. Translating the Greek to English, that means “God-bearer.” Note that this isn’t “God-generator” or “God-creator.” Mary bore Jesus, God and man, in her womb and gave him birth. She is mother to the whole person, the whole Jesus, and therefore Mother of God.
