## For May 1, 2022 - Third Sunday of Easter

Welcome to our new ACC Director of Liturgy - Andrew Mahon (pronounced 'mahn')! He will also serve as Director of Music for St. Ann, in Wadena.

Andrew is from Toronto, Canada, having spent ten years performing music in London, England, and more recently he was at the Cathedral of St. Peter in Erie, Pennsylvania. During his time in England, Andrew sang at all the well known sites with great frequency: Westminster Abbey, St. Paul's Cathedral, Windsor Castle, Tower of London, and the list goes on. He has led choral ensembles, including teaching children and adults. When he visited us in March, the choir at St. Ann was impressed by his gifts and presence as a musician and leader. He is married with two children (one which is 'on the way').

Andrew will bless us with his knowledge of sacred music and liturgy from both the Anglican and Catholic traditions. Two thirds of his time will be as Director of Music for St. Ann. The other third, he will also do well in the position of chief liturgist, as a resource for all our parishes to turn to regarding the planning of ordinary and special liturgies throughout the liturgical year. It will be his responsibility to ensure that liturgical ministers are trained and equipped to succeed in their roles, to organize seasonal preparations between music leaders and sanctuary environment teams, and to make sure that the diverse gifts and expressions of each parish are respected, while uniting us as a community in worship on special occasions. He is not replacing the music and liturgy leadership at the other parishes in the ACC, so much as complementing them.

Whenever a parish celebrates a Mass, it is truly an ACC-Mass. I often notice at weekend liturgies that a third of the congregation is from other parishes in our ACC. This means we are serving one another well! It also means that we have a responsibility to one another for excellence in what we do, supporting one another, and sharing resources when reasonable and helpful. Andrew will help us do that.

Part of the vision for our Area Catholic Community includes three essential ACC positions: a business administrator for all things governance, a director of liturgy for all things worship, and a director of discipleship for all things formation. These match the three primary responsibilities of the pastor: to govern, to sanctify, and to teach (Canon 519). In the Fall of 2021, we hired Deacon Randy Altstadt as ACC Business Administrator. Now, we have hired Andrew Mahon as ACC Director of liturgy. Next, we will be hiring the position of ACC Director of Discipleship. Make sure to say a prayer right now for the plan and people who carry it out in our ACC.

May God bless our endeavors, and may we ever be united to God's divine will.

### Take A Stand Against Anytime, Anywhere Gambling

A bill that would bring commercial sports gambling to Minnesota is currently moving through the legislative process. This is not charitable gaming! We're talking about a major cultural shift.

H.F. 778 would make gambling easy and accessible 24/7 from any computer or smartphone—and the potential losses are massive for players and their children.

#### Now we need YOUR voice to stop this insidious bill.

The Catechism of the Catholic Church (CCC 2413) states that games of chance (card games, bingo, etc.) or wagers are not in themselves contrary to justice. But it also warns that "the passion for gambling risks becoming an enslavement," and that wagers "become morally unacceptable when they deprive someone of what is necessary to provide for his needs and those of others."

#### Act Now:

Encourage your legislator to protect our state's common good by taking a stand against the sportsbooks and multinational casino conglomerates who will pad their pockets with Minnesotans' losses!

Go to [https://www.mncatholic.org/action\\_15311](https://www.mncatholic.org/action_15311) for more information and to send a message.

Please contact your State Representative, John Poston, at (651) 296-4293 to encourage him to vote NO on H.F. 778, a bill that would create unprecedented access and exposure to gambling in Minnesota.
