## 8<sup>TH</sup> SUNDAY IN ORDINARY TIME

"A good tree does not bear rotten fruit, nor does a rotten tree bear good fruit. A good person out of the store of goodness in his heart produces good, but an evil person out of a store of evil produces evil; for from the fullness of the heart the mouth speaks." - Lk 6:43, 45

CHURCH & PARISH OFFICE: 18335 W. 168TH TER, OLATHE, KS 66062  
OFFICE HOURS: MON - THUR 8:00 AM - 4:00 PM & FRI 8:00 AM - NOON

# STAFF Spotlight

Hello St. John Paul III! My name is Marcie Logsdon. My position is Pastoral & Administrative Assistant. I am grateful to be part of the staff and working to create disciples of Christ.

I was born and raised in Munjor, Kansas, a small town south of Hays. I am a cradle Catholic and the oldest of three children.

My husband Lewis - a convert to Catholicism - and I have been married 20 years. Our son Xavier is 11 years old and a 5th grader at Prince of Peace Catholic School. We also have a crazy dog named KC. We are huge Kansas City Chiefs fans and LOVE being so close to the great KC Chiefs vibe! I enjoy reading, cooking, crafting, and soaking up the sun.

We have lived in Olathe since the beginning of the new year. My family and I relocated from Emporia where I worked for five years at Sacred Heart of Jesus Catholic Church as Pastoral & Administrative Assistant. So yes, that means exactly what you think...I have worked with Fr. Farrar before.

The primary reason for relocating was to keep our son in Catholic school. We had already decided to relocate from Emporia in order to continue his education in Catholic school since Sacred Heart's school only goes through 5th grade. When I learned of the position opening here at St. John Paul II my husband encouraged me to apply. Not only was keeping our child in Catholic school important, continuing work for the Catholic church was equally important to me. Other than my time as a stay-at-home-mom, working for the church has been the most rewarding and fulfilling work experience of my adult life.

I began work for JP2 remotely in mid-November and full-time in the office after the new year. I consider my job duties to be evolving at all times. As St. John Paul II Catholic Church continues to grow, so will my duties. My core responsibilities are managing the church calendar, church bulletin and the liturgical ministry schedule. I work closely with Father and the religious formation team to plan liturgical and sacrament details. I assist families seeking the sacrament of baptism for their child. I offer support as needed to our various ministries and groups like the Women of JP2, Knights of Columbus, etc. The experience I gained at my previous parish has helped prepare me for what lies ahead here at St. John Paul II. I look forward to being a part of this growing parish.

When my family and I attended a recent KofC Coffee and Donuts the Knights who were working the event, after learning I had previously worked with Father, suggested I might be able to share a few stories about him. I eagerly said, of course! It occurred to me later that any story I could tell about him he could match with a story about me. I think I'll play it safe for now and not play my hand too eagerly! :)

Thank you to the many people who have warmly welcomed me into this parish family. I look forward to meeting and getting to know many more of you.

## The Stations of the Cross on a Journey

On Labor Day weekend of this past year, Sacred Heart Church in Atchison gifted us with many of their beloved possessions. The church was built in 1892 and after 130 years, it was consolidated with a nearby church. We obtained an altar, pews, candle sticks, votive candle stand, crosses, ambo, The Presider's Chair, large Pieta statue and Stations of the Cross.

We see all these beautiful items shape our church except for The Stations of the Cross. Where have they been hiding? The brackets and shelves outlining the outer aisles have been there since the beginning, but the shelves disappeared a few weeks ago. Have you ever experienced a project where Plan 1 would not cooperate? The Stations are that project.

All 14 Stations were carried downstairs in the church and carefully placed in a workroom for evaluation. Parishioners volunteered for months scraping and sanding blistered paint with most having six coats of paint over the century. Most have plaster cracks and others missing parts. One statue has a man whose left hand is a wire form while others are missing fingers. With no light at the end of the tunnel, it was a unanimous decision to seek help due to the age of the statues and the fear of lead paint. A company was found in North Kansas City and willing to do all the statues and bases with a process called *encapsulation*. All the statues were packed and taken on the next adventure where the workers dress in protective gear and wear masks regulated by the EPA. Each statue is sanded by hand. Missing parts are made with a shaped silicone form filled with plaster, dried, and adhered to the statue. Next the statue is sprayed with four coats of white sealer while also checking for flaws between each coat. Drying time is a minimum of three days depending on the weather.

When you take the walk with Jesus as you pray each station, it is a walk that allows for reflection and reenactment of Jesus' final journey taken as He carried His cross to Golgotha. Our hope is that you will accompany Jesus on His final journey and share in His suffering while experiencing the dramatic and elegant Stations of the Cross. Even though Plan 1 did not work, Plan 2 is (nearly) complete. Perhaps there will be a Plan 3 in the future. After all, these are The Stations of the Cross on a journey.

**CAPITAL CAMPAGIN FAQs**

**Q:** Where will the dollars come from to build the parish property?

**A:** Every parishioner of St. John Paul II Parish will be asked to participate financially in the *Open Wide the doors to Christ* capital campaign. Commitments and donations from our parishioners will be maintained by the parish office. Funds received for the capital campaign are restricted for that use only. The funds cannot be used for the general operations of the parish. So it is important to support the parish for both general operations and the capital campaign.

**Q:** What is needed for construction to being?

**A:** Permission from the Archdiocese will be needed prior to beginning construction. The Archdiocese looks to the parish to provide sufficient evidence that the parish can afford to pay for the construction and ongoing maintenance of the property. Two of the main criteria to begin building include having obtained 100% of the projected building cost committed by the parishioners of St. John Paul II Parish and at least 50% of the funds in our savings account.

The Neocatechumenal Way is a post baptismal catechumenate that began in Spain after Vatican II.

Saint John Paul II, when speaking of the Neocatechumenal Way, described it as *"an itinerary of Catholic formation valid for our society and our times"*. He also said that it *"...is authentic and is consistent with the very nature of the parish, because just as each one of us Christians grows from baptism, so does the Christian community grow naturally from baptism. ... The parish can grow authentically in the experience and on the basis of the neocatechumenal experience; it would be like the renewal of the early community that grew out of the catechumenal experience."*

A team of missionary catechists will be speaking in our parish these coming weeks. If you find yourself in the midst of problems, questions, or just want to deepen your faith, come and listen.

**Meetings will be Tuesdays & Fridays beginning Tuesday, March 1 at 7:00 p.m. in the Social Hall. All adults and youth are invited.**
