## GOSPEL MEDITATION -

### ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

#### 5th Sunday in Ordinary Time

If I only knew then what I know now, how different life would be. This sentiment, expressed in myriad ways, is found on every human being's lips at one point or another. Life may have brought us to a vulnerable place where we see some of the poor choices we made and the effects they are having. Perhaps we fell into some destructive and dysfunctional relationships or behaviors and are finding how they held us captive. Our zeal and passion for life may have drifted away and we are waking up to the reasons apathy has taken hold. Life can be hard. In fact, some would describe their lives as a drudgery. They walk through each day with an anxious unsettledness, wondering when their restlessness will cease. There is a temptation to believe that what I see is all I will get. Mortality and hopelessness await the dawn. If I could only have known what would come in the future, I could have made better choices and avoided all of this misery!

Really? While we can certainly give into weakness, sin, impulsiveness, and idiosyncrasies that cause us to stumble over ourselves, life is really a journey. If we don't make the mistake of wallowing in the mire of self-pity and realize the new life God is calling us to, then there are thrills, adventures, surprises, and soul-searching graces we can surely miss. We are not tethered to our past nor are we bound to the ills life can bring upon us. We are never hopeless or helpless. The problem is that our myopic vision only allows us to see the misery and misfortune that is before us, not the potential that can come from choosing healthier and more life-giving options. Jesus came that we might have fullness of life. We need to learn how to reach for Jesus' hand and let him help us to our feet.

We need to allow God into our pain and heal our past. We have to wrestle with our histories, agonize and search and cry out for the Divine healing we need to restore our faith, hope, and love. Job could not see how his story would end or trust the guidance of the God who called him. We live in that same blindness and suffer from the same lack of confidence. Once we allow ourselves to be touched by God's healing power, we begin to see that all of the pieces of our lives are necessary parts of a greater whole. Along the way of our lives, God uses our omissions and failures to create new things and possibilities. When doors close, others open and we can be amazed by the joyful and unexpected surprises we receive. Once we know the power of God's creative, healing, life-giving, forgiving, and dynamic presence, it is no wonder we want to put ourselves at the service of others and show them what life can be.

### SPECIAL COLLECTION –CHURCH IN CENTRAL AND EASTERN EUROPE—ASH WEDNESDAY

This collection provides aid by the Subcommittee on Aid to the Church in Central and Eastern Europe through bishops' conferences of Central and Eastern Europe and the ex-Soviet Union to meet the needs of rebuilding the Church. It focuses on training seminarians and lay leaders, supporting social service programs, youth ministry, pastoral and catechetical centers, schools, church construction and renovation, and evangelization through Catholic media.

### End of Mass

Is it ever Ok to leave Mass before it ends?

This is an interesting question because beneath the surface there seems to be an assumption that if it's okay, then why do we have to stay after we receive communion? The short answer is "no," but we definitely want to go a bit deeper as we consider why.

First, when we think about questions like this, we must consider this in adult terms. If there is something gravely important that we need to do, then we must attend to that. However, if it is a matter of convenience or preference, then we really have to stop and think again. First, while we always want to recognize the importance of sacramental communion in the Mass, we also need to understand how important the time of thanksgiving and prayer after communion is. This is summarized in the Prayer After Communion offered by the celebrant and then we are also commissioned to "Go forth" during the Dismissal of the Mass, reminding us that we have been entrusted with a gift — the Word of God and the Presence of Christ in the sacrament — and that we are to share that gift with others.

If we simply leave after we receive communion, we risk two things. First, there is the possibility that we will turn our reception of communion into a purely personal, individual experience that is separated from our common experience of worship — and communion in the fullest sense — and, second, we lose an opportunity for gratitude and serious reflection if we simply leave after communion. This time of thanksgiving, reflection, and, ultimately, missioning, are important and, in the end, an essential part of the celebration of the Mass.

## BREWSTER

SACRED HEART ASH WEDNESDAY MASS will be held on Wed., Feb. 17th at 9:00am. This is your first and most important day to begin your Lenten journey. Please try to attend. If our time is not good for you, Windom and Heron Lake Mass times may better suit you.

**AGAIN FOR LENTEN OFFERINGS,** Catholic Relief Service Rice Boxes will be given to the children in each Faith Formation class and will be available to the parishioners. Follow the calendar's daily reflections with your child so they will understand the importance of giving to those who have very little. 75% of your donations supports Catholic Relief Services work around the world and 25% helps fight hunger in your own community. There is also an envelope in the church support packet for you to use.

**AS YOU MAY HAVE NOTICED,** you now have a monthly cemetery donation envelope in your packet. When using this envelope, please make a separate check out to the Sacred Heart Cemetery. We have a responsibility to make sure our cemetery is taken care of, even when we are no longer a parish church. Please donate whenever possible. Thank you.

**A BELATED HAPPY BIRTHDAY** to Lorraine Schmitz. Lorraine celebrated her 98th birthday on January 19th. Congratulations and God's blessings for a happy and healthy 2021.

**PLEASE REMEMBER** to use the marked baskets at the entrances of the church for your church support and diocesan donations. Thank you.

**WEATHER ANOUNCEMENTS** for cancellation of our 5:00 Sat. night Mass will be on the Worthington Radio Stations and also on the Sacred Heart Brewster Facebook Group page. Thurs. 9:00 Mass will be cancelled if school is closed. Families and catechists will receive a message from Dawn Murphy if classes are cancelled for Faith Formation.

FAITH FORMATION CLASS will not be held Sunday, February 14th, due to President's Day break.

ASH WEDNESDAY Mass at Sacred Heart-Heron Lake will be at 6:00pm. There is no Faith Formation class that evening, Feb. 17<sup>th</sup>, so families have the opportunity to attend Mass.

FAITH FORMATION Lenten project will include each family taking a Rice Bowl home for their donations, plus each classroom will also have one available for collection until the end of Lent. **Catholic Relief Services Rice Bowl** is a Lenten Almsgiving Program to support their work in over 100 countries each year. 25% of donations to the Rice Bowl stay in the local diocese, supporting hunger and poverty alleviation efforts. The other 75% benefits those suffering overseas. Please support project Rice Bowl; you may also use the envelope available in your packets.

**CCW VACANT POSITIONS:** The service commission of Family Concerns and the CCW Vice President position are still vacant and CCW is also looking for someone to do the church hall table decorations. If you're interested in filling any one of these positions, please contact Dianne Freking for details.

**PLEASE WELCOME** John Haberman as new member of our Finance Council and Dennis Salentiny as Parish Trustee.
