## | Weekly Gospel Meditation

The lens through which we view life makes a difference. It also determines who we choose to learn from and what we allow to shape our thoughts and feelings. For many, life is simply what it appears to be, a given that either through evolution or some other means just came to be. There is no apparent rhyme or reason to things and things can be dissected and understood only in terms of what they empirically present. To the person using this lens, a tree is a tree and a flower is a flower. Their composition and existence can be understood only to the extent that current human knowledge allows. Through this lens, what gives life purpose and meaning? This lens has an essentially unknown beginning and definite end. Once those are accepted, the middle becomes some kind of pursuit of happiness, with values and principles being things that are self-created and found acceptable.

But there is a Divine lens that also exists and deserves mention. It is found when one stumbles upon faith and begins to see things differently. This lens is of God and reveals a Divine Energy and Life that flows through and in all things. Faith then shows us that all that lives come from this one Source of Love. This is the only true lens that can give human beings the purpose and meaning they desperately need. From this perspective, all of life is much more than what is immediately apparent! It now tells and reveals a story about God generous, creative, and unconditional love! The unfolding of the human story is the unfolding of God's story. What meaning our lives have when they are viewed as a part of God's love affair with humanity! We are indeed special.

The lens of our faith asks us to learn from Jesus Christ. Jesus, as the real Bread of Life, shows us our eternal destiny and completes and frames our lives. It is only in allowing ourselves to be taught by Jesus, that faith, hope, and love take on much greater importance. All the relationships in our lives are now structured and ordered using God's primary commandment of love. Jesus, then, is not just some man who lived at some point in history. Jesus is the incarnate Son of God who shows us the way, the truth, and the life. Using this lens changes things up a great deal. Looking at the creation that surrounds you and the special unique people you love, what is God trying to teach you about His love for you and the eternal life He wants you to have?

## SACRAMENTAL LIFE

**VOCATION VIEW:** Jesus is the bread of life. Our world still hungers. Who will feed the multitude? Consider a life of ministry, or encourage others to do so. (John 6: 41-51)

**MARRIAGE PREPARATION:** Contact the priest 6 to 12 months in advance of the date of marriage to fill out the forms, to do FOCCUS Test and to attend Marriage Prep Mentoring sessions. Fr. Pratap is seeking married couples who are practicing Catholics, and have children, who would be willing to volunteer to help prepare our engaged couples for marriage. Please contact Fr. Pratap at 507-226-4536, or your parish office, if interested.

**BAPTISM PREPARATION:** Contact the parish office a month in advance to fill out the form and to attend Baptism Mentoring Sessions. All Baptisms will be celebrated during Mass.

**YOU ARE INVITED TO PRAY THE ROSARY 1/2 HOUR PRIOR TO MASSES:** Brewster— Thurs. and Sat.; Heron Lake —Wed. and Sun.; Windom—Tues., Fri. and Sun.

**Q) Why do Catholics place religious images in their homes?**

**A) Religious images in homes remind us of several important spiritual truths: We are surrounded by the saints, who are interceding for us and encouraging us. What is more, we are called to imitate them in our service of God and neighbor, and in particular our service of the poor. The images can also provide us comfort, as they remind us of the goodness of God made manifest through the lives of those we love and admire. It's also important to remember that blessed images have great spiritual power, and when used appropriately, are effective in warding off the demonic. This last point should not lead to superstition. For a blessed cross or image of Mary to "work" in this regard, it is not enough to just look at it. We must conform our lives to it. A good confession, sacrificial alms, lives of service and mercy — these will always be the primary means of safeguarding oneself against the Enemy. -Father Erickson is pastor of Transfiguration in Oakdale.**

# LITURGICAL LIFE

## FUNERALS

Eternal rest grant unto.....

**Elizabeth Harrington, 94**, who passed away on Thursday, July 22nd. A Mass of Christian Burial was held on Thursday, July 29th, at St. Francis Xavier Church, Windom. Burial was held following the funeral service at St. Francis Xavier Catholic Cemetery, Windom.

**Eunice Bauman, 91**, who passed away on May 13, 2021. A Memorial Mass will be held on Saturday, August 14th, at 11 AM. The Rosary will be prayed preceding Mass.

May their souls and the souls of the faithful departed rest in peace. Amen. We remember their loved ones in prayer.

### What's Your Hearth Cake?

"Get up and eat, or the journey will be too much for you." I've been to a lot of meetings in my years of work in the Church, and you can take my word for it: the ones with snacks just seem to go better.

I don't know what it is exactly. Maybe it's just that people are in a more agreeable mood if you show up with donuts. Or maybe it's about the very real sense of community and camaraderie that is created at a table where people are engaging in that most human of tasks — eating — beside one another. I think a big part of it comes down to the simple fact that we're all just nicer people when we're fed.

This rings true spiritually, too. We simply must remain fed if we, in turn, are to feed others. Think of a time when you have neglected your relationship with God — when you haven't fed yourself with whatever it is that you need to remain committed to the journey of a Christian life. Is it Mass attendance? Is it prayer or Scripture reading? Is it time with your small group, or conversation with a trusted friend who knows your soul? What sustains your ability to be a good disciple, a good steward? What inspires you to give more freely, to love more abundantly?

Whatever it is, that's your hearth cake. That's your jug of water. Don't neglect it. The Angel of the Lord is nudging you in your sleep: "Get up and eat, or the journey will be too much for you."

The Sisters are counting on our generous response in helping with this unique educational venture which is making a significant difference toward a better future for hundreds of children, their families and their local communities. So please consider making a meaningful contribution to this cause through your participation in our parish's Mission Cooperative second collection. **THANK YOU** for your part in this concrete way of offering hope and solidarity! -Gratefully, Sister Valerie Usher
