# PRAYER & WORSHIP

## | Weekly Gospel Meditation

3rd Sunday in Ordinary Time

We start telling lies around the age of three, the experts tell us. It's understandable. Lying is a god-like power. Whatever I want, I need only say it, and the world rearranges itself accordingly. It's amazing at first. But soon reality snaps back and I'm faced with a dilemma. If I remain committed to my lie I start to fracture into pieces. My words and reality drift apart, and I find myself lost in a lonely world of further falsehoods and fear of being found out.

How marvelous, then, that Jesus begins his ministry by proclaiming: "*Repent!*" We tend to think it means "stop doing bad things" but it doesn't. It literally means "go beyond the mind you have." Think in a new way. It's painful to admit, but some portion of my mind is addicted to lie-telling, usually to protect my ego or make life easier. To repent means to admit this tendency, to say, "I'm done lying," and to move beyond my split mind into a complete commitment to the truth. Perhaps that's why at Mass we together proclaim, "I have sinned in my thoughts, and in my words..." Repentance and truth-telling work together.

Those who know the twelve-step process of addiction recovery know this process well. The fourth step requires radical truth-telling: listing our moral defects. This isn't being scrupulous. Rather it is freedom from falsehood, and entrance into the real world. This week, I invite you to join me in this practice. Get your phone or piece of paper. Answer the question: what are your true moral defects? Write them down. Remember, the Lord knows them already and loves you. We have a sacrament where this truth-telling is celebrated: Confession. Perhaps it is finally time to go beyond our childish lies.

— Father John Muir

## SACRAMENTAL LIFE

Pratap is seeking married couples who are practicing Catholics, and have children, who would be willing to volunteer to help prepare our engaged couples for marriage. Please contact Fr. Pratap at 507-226-4536, or your parish office, if interested.

**BAPTISM PREPARATION:** Contact the parish office a month in advance to fill out the form and to attend Baptism Mentoring Sessions.

**Eucharistic Formation Resources:** Learn Platform for Eucharistic Formation of individuals. Participate in these programs. Go to: <https://www.eucharisticrevival.org/learn-resources> You can jump in and start watching video content, watch a small group study, observe a free course by Bishop Cozzens, watch a podcast or sign up for the Revival Spark Series. Another Eucharistic formation program available is from the "Heart of the Revival". Sign up for dynamic weekly reflections, videos, and resources from trusted voices in every corner of the Church. Go to: <https://www.eucharisticrevival.org/heart-of-the-revival-newsletter>

**Everyday Stewardship:**

I use GPS wherever I go and it serves me well most of the time. However, sometimes it leads me to a place that does not exist. Then there are those times when I am about to turn and the man inside my phone shouts out, "GPS signal lost" or "Rerouting!" The problem is when the area is unfamiliar to me, I have no choice but to listen. I could try to get where I am going by simple intuition or pulling over to look at a paper map, but I don't trust my sense of direction and haven't bought a paper map in close to a decade.

Many people move through life without any direction. They find themselves constantly rerouting and wondering when they will ever get to a satisfying final destination. What they need is a compass and a companion for the journey, yet they have no idea how to get either.

Prayer can serve as a compass and it connects us to a companion for the journey. Stewardship living is impossible without prayer. If we count on our own will and believe we can become fruitful without daily contact with the divine we can find ourselves looking for directions more than moving toward a destination. God through prayer will help us see all we have as gift. God through prayer will lead us away from materialism and selfishness toward freedom and generosity. Even when we fall to sin, the path back is clearer. God's GPS signal is never really lost.

# NOTES FOR ALL PARISHES

Next week our Parishes support the Church in Latin America. For Many living in Latin America and the Caribbean, a rising secular culture, difficult rural terrain, and a shortage of ministers make it difficult for people to practice the faith. Your donations fund catechesis, marriage and family life programs, and seminarian formation, so that people can grow closer to Christ. Please prayerfully consider supporting this collection to share your faith with our brothers and sisters in Latin America and the Caribbean. Thank you.

In addition, the collection next week supports the Catholic Communication Campaign. The CCC helps the Church spread the Gospel message in the U.S. and in developing countries using modern media tools to inform, inspire, and enlighten.
