PRAYER & WORSHIP

| Weekly Gospel Meditation

5th Sunday in Ordinary Time

Maybe I'm weird, but I like spending time in doctor's offices, confession lines in churches, auto repair shops, prison cells, and support groups of various kinds. It's refreshing to be with people who humbly admit something is wrong and forthrightly set out on a path toward a solution. When we ignore what is off kilter, we become alone and fragile. In places where people are honest and hopeful about brokenness, sturdy if subtle fellowship usually ensues.

Consider the image we see of Jesus in the Gospel of Mark. "...they brought to him all who were ill or possessed by a demon. The *whole town* was gathered at the door." The entire human community is afflicted in various ways, and so it gradually forms a strange new community around Jesus. The healer from Nazareth is like a sun of health around which orbits a throng of humanity absorbing his healing rays. These blessed souls can't fix themselves and become healthy, and they know it. But they have found in him the living source of all imaginable healing.

It's the Church, isn't it? A sin-sick community gathered and healed is what happens at the beginning of every Mass. We shuffle in through the door from everywhere and announce that we are not okay, and we can't fix it. In doing so, we are drawn into the orbit of the healing power of Christ — and into a renewed community with the whole human family. It's nothing to fear or rush. Maybe we can even learn to enjoy more how good it is to be in such a happy place.

— Father John Muir

NOTES FOR ALL PARISHES

THE CHURCH IN CENTRAL AND EASTERN EUROPE Your people shall rebuild the ancient ruins; the foundations from ages past you shall raise up; "Repairer of the breach," they shall call you, "Restorer of ruined dwellings." —Isaiah 58:12

ON ASH WEDNESDAY we will take up the Collection for the Church in Central and Eastern Europe. This collection supports the Church in more than 25 countries that struggle to recover from former communist rule. It also aids communities throughout the region that are affected by the war in Ukraine. Funds support pastoral care, catechesis, renovations, and seminary formation. Your support restores the Church and builds the future in this region. Please prayerfully consider how you can support the collection next week. You can find more information at www.usccb.org/ccee. If you prefer to give online, also accepting funds for this collection is #iGiveCatholicTogether

(<https://usccb.igivecatholictogether.org/organizations/usccbchurch-in-central-and-eastern-europe>)

ON ASH WEDNESDAY, our tri-parish will also take up a collection to support the Solidarity Fund for the Church in Africa. This will be a combined collection with the Collection for the Church in Central and Eastern Europe. (50/50) Although the Church in Africa is growing, many still lack access to basic resources and pastoral care. The Solidarity Fund supports pastoral projects to build the capacity of the Church and foster lasting peace and reconciliation across a continent often marked by division and tension.
