PRAYER & WORSHIP

Weekly Words from The Rock:

The Positive Side of Life

In many of life's situations, a perspective can depend upon the person. Let us look at some thoughts from the positive thinking side of life:

- Living on earth is expensive, but it does include a free trip around the sun every year.
- How long a minute is depends on what side of the bathroom door you're on.
- Happiness comes through doors you didn't even know you left open.
- You may be only one person in the world, but you may also be the world to one person.
- Don't cry because it's over; smile because it happened.
- We could learn a lot from crayons: some are sharp, some are pretty, some are dull, some have weird names, and all are different colors...but they all exist very nicely in the same box.

Go Confidently in the Direction of Tomorrow

Even when things have gone as wrong as they can go wrong, don't get discouraged. The old expression about "If you fall off a horse, the best thing to do is get right back on," has a lot of wisdom written into it. It is the same with life. Sometimes we go riding along, having the time of our life, when all of a sudden the unexpected happens and turns our world around. But it's then...when we're feeling anxious and hurt and afraid...that we need to look deep inside and see – that we can either stay in the place where we fell, or we can get right back up and go confidently in the direction of tomorrow. And remember...it's okay to stay down as long as it takes to recover from each and every fall. But don't ever be afraid of getting up and beginning again just as soon as you feel the need...because "next time" might very well be the time that you succeed.

The "Mine" Mentality Until...

This piece is entitled "Property Laws of a Toddler: Some say that this is evidence of Original Sin." For those familiar with a toddler, does this sound familiar?

1. If I like it, it's mine.
2. If it's in my hand, it's mine.
3. If I can take it from you, it's mine.
4. If I had it a little while ago, it's mine.
5. If it's mine, it must never appear to be yours in any way.
6. If I'm doing or building something, all the pieces are mine.
7. If it looks just like mine, it's mine.
8. If I saw it first, it's mine.
9. If you are playing with something and put it down, it automatically becomes mine.
10. If it's broken, it's yours.

What Have You To Live For?

Psychologist William Marston asked three thousand people, "What have you to live for?" He was shocked to discover that 94% were simply enduring the present while they waited for the future...waited for something to happen...waited for the children to grow up and leave home...waited for the next year...waited for retirement...waited for a better time...waited for someone to die...waited for tomorrow, unable to see that all anyone has is today-this day- because yesterday is gone and tomorrow exists only in hope.

So live your life in Jesus Christ today!!!

Electric Motors

Do you have any electric motors that are lying around, and you would like to be rid of? Even with the passing of my father, I would be happy to take any electric motors. You can leave them by the rectory garage in Slayton, or I can pick them up at any of the parishes. Thanks!

Peace be to you!

Father Peter Schuster

Corpus Christi Prayer

O Precious Jesus,
The gift of your Body and Blood,
shared with us, is unfathomable.
Like manna that satiated our
hunger, fill us where we lack.
Like the bread given to Elijah in
the desert, sustain us.
Grace us with a glimpse into your
love for us, now and forever, present
in the Eucharist.
Amen.

DIOCESE OF WINONA-ROCHESTER PRAYER FOR VOCATIONS

Heavenly Father, Giver of all good things, Your Son told us to beg You to send workers into Your rich harvest, and so we have the confidence to ask You to raise up an abundance of priests in the Diocese of Winona-Rochester. Send us good and holy men to respond to your call to lay down their lives in service to Your people. We know that the Church comes from priests. Therefore, Gracious God, send us priests to build up Your church, through Jesus who is High Priest and Lord forever and ever. Amen.

The cost of educating one seminarian averages \$45,000 per year, totaling over \$1 million annually. This financial burden can be a major obstacle for those discerning a priestly vocation. That's why I'm asking for your support. **Your gift to the Seminarian Education Fund** directly helps form future priests-men who will preach the Gospel, celebrate the sacraments, and shepherd our parishes for generations to come. Let us not allow financial hardship to stand in the way of God's work. With your generosity and God's grace, we will continue to cultivate a rich harvest of vocations in southern Minnesota. Thank you for your faith, your prayers, and our support.

Sincerely in Christ,
Most Rev. Robert Barron
