## Reflections From Fr. Brendan Rolling.....

Marketers are busy. One article lists “38 Christmas Marketing Techniques” including - Start Early, Limited-Time Free Shipping, and Offer Special Promotions. But number 15 recommended this - “Advent Calendars with Daily Deals.” It said, “Create an advent calendar on your website where each day reveals a new deal. This not only drives repeat visits but also builds excitement.” Hmm, maybe God is onto something. Months before the birth of Jesus, the angel Gabriel tells Mary, “*behold, you will conceive in your womb and bear a son, and you shall call his name Jesus*” (Luke 1:31). The advent excitement begins to build.

On this First Sunday of Advent the daily deals start and our anticipation grows. As Luke 21:25-28 says, “*For the powers of the heavens will be shaken. And then they will see the Son of Man coming in a cloud of power and great glory...your redemption is at hand.*” Do you have an Advent Calendar? More than good marketing, it’s a great Catholic tradition inspired by Scripture. Each day leads to the big reveal, Jesus, Son of God, born in a manger. Your redemption is at hand. Find a way to celebrate each day of Advent in your own tradition this year.

**End of Year Financial Reports and other update memos are available to parish members for each parish and for St. Peter School. Contact the parish office for a copy.**

**Winter Weather Policy** In case of inclement weather, please use caution in venturing out for Mass. Your safety is our first priority! If Mass is canceled, updates will be posted on the Website, Radio, and Facebook. If law enforcement announces a no travel advisory, or if school is cancelled or has a late start in a town with your parish, there will be NO mass in your town that day.
