2 Welcome to Mary Queen of Peace

THERE'S NO PLACE LIKE HOME

As you may recall, I celebrated my 20th anniversary of ordination earlier this spring, so to celebrate, I went on a cruise through the Greek Isles to Istanbul. It was a wonderful trip full of many exciting experiences. I saw

beautiful churches and archeological sites and met many interesting people from all over the world. It really was the trip of a lifetime. Until the last day.....

The trip ended with a flight from Venice through Paris to Minneapolis. That sounds easy enough, right? It would have been, if the plane in Paris did not have a broken part that kept us from taking off. So, we spent three fun-filled days at the Charles de Gaulle Airport trying to get home (which sounds infinitely more exciting that it was – believe me). Unfortunately for us, the day we were flying corresponded with the first day of summer vacation for Paris, so the airport was chock full of Parisians heading out of town for their summer holidays. That meant that there were not spaces for passengers on our flight to rebook. They waited for a part for the plane for two days and then finally on the third day, rebooked me on a flight home – tired and weary from waiting.

It was a good lesson in patience and reliance on God's will. In times like these you really get to rely on faith, knowing that nothing you can do can change a situation. Normally in parish life, when there is a problem, I get to be part of coming up with a solution. But in this case, all I could do was wait for God's plan to unfold. And, as expected, it did and now I am safely home in Rogers with wonderful memories and enough stories to tell for months to come!

God Bless,

Father Mark Pavlik
