PASTOR'S MESSAGE

Before the trip by Eugenio Montale

Before the trip the timetable was checked,
the connections, the stops, the layovers
and the bookings (of rooms with bath
or shower, with one bed or two or even a suite);
the Hachette guides were consulted and those of the museums,
currency was exchanged, divided
francs from escudos, roubles from kopeks;
Before the trip some friend or relative was informed, the suitcases
and passports were checked, the kit
was completed, a supply of
razor blades were acquired, possibly
the testament was gone over, purely
for good luck, because the percentage
of airplane disasters is zero;
before the trip one is calm but one suspects that
the wise one doesn't move and that the pleasure
of coming back costs a packet.
And then one leaves and all is OK, and all
is for the best and pointless.
And now, what will become of my trip?
I studied it too carefully
without knowing anything of it. The unexpected
is the only hope. But they tell me it is stupid to tell oneself that.

Is life so planned out that we've lost the delight in something surprising? Or have we "studied life too carefully"? So carefully that the unexpected is always a disruption and an annoyance. Joyless, we grind and grasp to change reality to fit our measure of how the world needs to be.

"The unexpected is the only hope". Make room to be surprised by the unexpected; even hope in it. We must have a little wonder and awe in front of reality, receiving reality as a gift, even when it is difficult. This is prayer; not manipulating God to my will but praying confidently to our good Father, "Thy will be done".

Peace,

Fr. Samson

Pastorate Wide News

Evening with Fr. Mike Kelly, "How Do We Live Between the Bars", on June 23. Life is often in a time of transition-like the moment a trapeze artist has let go of one bar and has not yet grabbed the next bar. It is mid-air living. The identity we had is gone, and the identity we will have has not yet arrived. The in-between time is an opportunity to remember that we are always more than what is happening to us.

The evening includes: 5 pm Mass (fulfills weekend obligation), 6 pm supper, 6:45 pm presentation, 7:30 pm Adoration and Reconciliation, 8:30 pm concludes.

Cost: Donation. Registration is required for meal planning purposes. To register, visit our website at <http://www.abbeyofthehills.org> or call 605-398-9200.

The Abbey of the Hills Inn and Retreat Center will be offering a Day of Recollection with Fr. Joe Vogel. It will begin at 10 am and end at 3 pm. This day long retreat will consist of two conferences and Mass as well as built in time for adoration and an opportunity for the sacrament of Reconciliation. Lunch is provided. Cost: Free-will donation. Registration is required for meal planning purposes. To register please visit our website at <http://www.abbeyofthehills.org> or call 605-398-9200.

2024 Peters' Pence Collection will be taken up on June 30. Envelopes are located at the entrances of the church.

SAVE THE DATE Please join us for Fr. Joe Vogel's retirement party on Sunday, June 30th at St. Peter's Community Center in Jefferson, SD. Open house from 2-5 pm with a program at 3 pm. Appetizers & root beer floats will be provided. All are welcome.

The Lourdes Center Presents: Praying Amidst Grief

A one-night presentation on July 16, 2024 from 6:00pm-8:00pm. Guest Speaker Fr. Cimpr will focus on how to find Jesus is in our grief and guidance on how to pray in the darkest moments. There will be space for prayer, reflection and discussion. The program will be held at the Mater Ecclesiae Monastery at 707 W. 4th St., Sioux Falls, SD. You can register for this event by calling us at (605) 988-3775 or emailing tlc@sfcatholic.org

Are you a woman who has a passion for prayer? Do you have the capacity to commit to an hour of intentional prayer once a week to strengthen the church?

Women of the Blessed Sacrament pastorate are invited to consider praying for our priests via the "Seven Sisters Apostolate." The mission of the apostolate is to strengthen the church by ensuring a Holy Hour is prayed each day of the week for the intention of a specific priest. A "Seven Sister" commits to One Holy Hour for One Priest, each week for One year. To launch the ministry, seven women committed to pray for our pastor are needed, adding in prayer for the other priests as the apostolate grows. For more information, contact your parish office.

On Saturday the Church will remember SS Peter & Paul. Both of these apostles were instrumental in the very earliest days of the Church, and both ended up in the city of Rome where their tombs are venerated. Peter & Paul are an example of God's grace working with very different personalities to proclaim the gospel. The gospels present the conversion of Peter happening over a long period of time. Paul was a quick learner; once he had met the risen Lord, he was all in. Sometimes these two men disagreed on how the church should proceed and argued publicly.

Yet both were united by their love for Jesus and His Church. They teach us that the Church has room for different personalities and different ways of being part of the Church. The Church also has room for dialogue and growth in its understanding & presentation of the mystery of salvation. The Catholic Church will always be a little messy. If anyone is looking for a tidy church where everyone thinks & acts alike, they would maybe find something closer to their liking in a small sectarian church. Each year the Church gathers a special collection called Peter's Pence to support the charitable works of the Holy Father.

On Wednesday, there will be a potluck meal for supper with Lumen Christi & all the members of our parish are welcome to participate.

MASS INTENTIONS FOR THE WEEK

One of the great pleasures of my years of priestly ministry has been to prepare adults for baptism or for reception into Full Communion in the Catholic Church. When I first began I was fairly regimented in getting people ready for this event. Over time I came to realize that people came to the process with very different needs and expectations. Some were lifelong Christians, and others had barely heard the gospel. I came to appreciate the many different starting points and also began to adjust how I went about preparing them for membership in our Catholic Church. I have found it easier to prepare several people at a time so they could become a support group in the process. If anyone is interested in knowing more about our Catholic way of life, I would be happy to visit with them.
