PASTORATE NEWS

ALL IN THE FAMILY

At first, the image of the Holy Family — Mary, Joseph, and Jesus — can seem intimidating. How can we aspire to such holiness? It may even be painful, especially if we come from broken families, have strained relationships, or long for parenthood.

But the Holy Family is a beautiful invitation for all of us, regardless of our vocation or state in life. Mary, Joseph, and Jesus model stewardship and love. You don't need to be a biological mother to be a mother in spirit — who in your life needs that kind of love? The same goes for fatherhood; the world needs men like St. Joseph, whose love is steadfast and selfless.

Who in your life needs the faithful love of a son or daughter? We are all part of the Body of Christ, whether in heaven, purgatory, or here on earth. Let's love each other well.
