The Second Sunday of Lent

Everyday Stewardship

Catherine Doherty said, "Yes, stewardship pertains to everything and I am responsible for my part of that everything." I am reminded of that quote when I read the words from Paul's Second Letter to Timothy, "Beloved: Bear your share of hardship for the gospel with the strength that comes from God." Both point to our own responsibility as a disciple, as well as the reality that we are not alone. We live with God in community. We each have our part to play in the kingdom of God.

Lent is an important time to focus on how our stewardship way of life causes us to sacrifice and, at times, experience hardship. If we find that we never seem to feel our sacrifice, then it is a good time to ask ourselves if we really are fully living as good stewards, cultivating what we have been given, and then offering it all back to God. If we only give from our excess, then we will never understand the meaning behind the words of St. Paul and Catherine Doherty.

This is why we must challenge ourselves. We must push ourselves to go that extra mile. It really is a way of exercising our stewardship muscles. So as this Lenten season is still in its first weeks, what can you attempt to do that really pushes you out of your comfort zone? Can you double or triple your prayer time during the season? Can you search your household and give to charity more than just things you don't need anymore, but also things you still want? Is there someone to visit a few times before Easter than can no longer get out? Whatever it is, the strength will come from God to take greater care of your part of his everything.

The Rite of Election is an important celebration in the process of Christian Initiation of Adults (OCIA). The OCIA is a formal process of evangelization and catechetical instruction, ascetically practice (prayer and spirituality), and liturgies whereby adults — called catechumens — are formally admitted into the Church and receive the Sacraments of Initiation — Baptism, Confirmation and Holy Eucharist. During the course of the OCIA process, the individual follows a spiritual journey of “steps” accomplished through defined periods punctuated with formal rites. The Rite of Election closes the Period of the Catechumenate. This rite normally coincides with the first Sunday of Lent. At this rite, upon the testimony of sponsors and catechists and the catechumens’ affirmation of their intention to join the Church, the Church makes its “election” of these catechumens to receive the Sacraments of Initiation.

OCIA Rite of Election was held at Christ the King on Saturday, February 21st. Pictured above are the candidates from St. Agnes that participated.

Knights of Columbus

Our first **Fish Fry** of the year was a tremendous success! More than 220 patrons came together for an evening filled with fellowship, delicious food, and great refreshments. The laughter, conversations, and joyful spirit truly reminded us what being part of the St. Agnes Community is all about — faith, friendship, and coming together as one family.

When we gather, we grow stronger. When we serve, we build community. And when we share a meal, we create memories that last.

At one point; the line was all the way backed up at 5th avenue!

Mark your calendars — we can’t wait to see you again on **March 6th** for our second Fish Fry of the year. Let’s make it even bigger and better!

Celebrating Sunday

Second Sunday of Lent

Gospel: *Matthew 17:1-8*

On the Way to Mass:

What does the word reverence mean to you?

On the Way Home From Mass:

How Did the disciples feel when the voice proclaimed that Jesus is God's beloved Son?

Living the Word:

What are some ways that you can practice wonder and awe as a family this week? Try to find at least one moment each day where you can stop and wonder out loud at something good ("Oooh, this cheese is so delicious!") or beautiful ("wow, look at how lovely that tree is!"). Invite every family member to point out something good or beautiful at some point each day this week and write those things down if possible. At the end of the week, review all the good and beautiful things you noticed. Discuss how these things give us a tiny glimpse of God's majesty and glory..

Meet the Confirmation Candidate

Connor Dudley

Hi, my name is Connor Dudley. My family consists of my dad, Jonathan, my mom, Melissa, my little brother, Killian (3rd grade at St. Agnes), my older brother, Ryan (senior at SHS) and I am in the 8th grade at Bluffs Middle School. I work at Dairy Queen. I would like to volunteer with Empowering Families.

Goals for Confirmation: my goals after Confirmation would be to help serve at Sunday Masses and help with Religious Education someday.

Pre-K Class By Nicole Boness

The month of February was a busy and fast one. We started off the month by celebrating 100's Day. The kids got to dress as if they were 100 years old. We enjoyed a fun 100's Day snack, which consisted of 10 different items that the kids placed into ten frames. They also created a 100's Day crown and made a necklace out of 100 beads. February was also Dental Hygiene Month. We learned about our teeth and the importance of taking care of them. Mrs. Vath, who is a dental hygienist assistant, came in to teach the kids about teeth cleaning and how to properly care for their teeth. The kids got to participate in an activity where they pretended they were teeth and gums. The "doctor" came in to help clean their teeth and remove all of the yucky bacteria. They also talked about healthy foods and foods that can cause cavities. Mrs. Vath showed the tools they use during a teeth cleaning, and the kids watched a short video on how it is done.

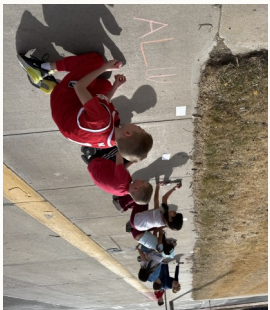

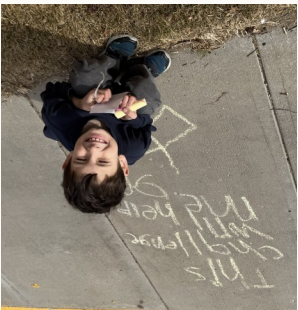

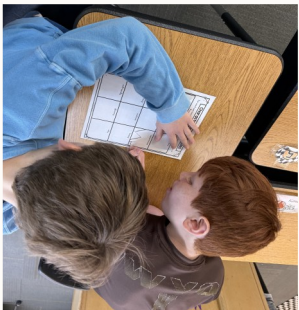

In the next few weeks, we will be celebrating Read Across America, doing some fun St. Patrick's Day activities, and learning about Jesus and the true meaning of Easter. The Penny Carnival is almost here, and I must say the Pre-K class did a great job selling tickets! Way to go, parents and kids!!

Third Grade Class By Meghan Calvert

We are rolling through the last semester of school, and it is a bittersweet moment for all of us. This last month has been busy with the 100th day of school, Valentine's Day, and Ash Wednesday. In religion, we took time to look at different Psalms. The students then went through and found one that really spoke or stood out to them in that moment. They then wrote it on a big heart, and we hung them out in the hallway creating The Psalms of Faith wall. We also took advantage of the wonderful weather we have been having and went outside and wrote positive messages and bible verses on the sidewalk between St. Agnes and BMS. We talked about how this is a great way to spread the good news of our Lord and to let our lights shine. Over the last few weeks, we have been learning about Black History Month, and the students really gravitated to the story of Ruby Bridges. It opened a lot of great discussions in our classroom, and the students took some time to reflect on how they would feel to be in Ruby's shoes. They thought it was amazing that even with all the awful things Ruby would hear walking into school every morning, she prayed for all those people, asking God to forgive them, instead of wishing ill will on anyone. We are currently learning about fraction and equivalent fractions in math. This can be a harder unit, but 3rd grade is rocking it and using our growth mindset every step of the way. We are diving into our weather and hazardous weather unit in science and getting ready to start the research process for our wax museum projects.

Winter Olympics

As the 2026 Winter Olympics opened in Milano, Italy, the St. Agnes Winter Olympics also began in PE. Students are participating in adapted versions of various Olympic events such as curling, luge, skeleton, bobsled, downhill skiing and more. They are having a wonderful time competing in the spirit of the Olympics, which is to foster an atmosphere of peace, development, resilience, tolerance and understanding. (Quite fitting that it matches our Catholic teachings)

Discipleship Friday

Fruits of the Spirit was the theme of our Discipleship Friday held on Friday, February 20th. The students learned about the importance of filling our lives with peace, joy, love, faithfulness, goodness, patience, self-control, kindness and gentleness while ridding our lives of the sin that holds us back. We practiced the value of sharing the fruits of the spirit with others and learned about the virtue: temperance. We will be working hard on our self-control in the coming month.
