**A note from the
Most Reverend Leonard P. Blair:**

Circumstances have kept changing over the past two years with regard to precautionary measures at Mass, but some basics are more important than ever and some may need to be reintroduced given that the highly contagious variant is still spreading.

CDC is recommending masks and indoor social distancing again for the time being, and even in the absence of a civil requirement parishioners should be asked to wear a mask. Spacing in church should also be maintained appropriately, including the communion line.

For now, it would be best to refrain from unnecessary circulation in church, from processions, and from greeting or gathering people before or after Mass.

Unvaccinated persons, however, should not be present in the sacristy, sanctuary or distributing Holy Communion.

And it goes without saying that anyone who has tested positive belongs in quarantine until they have completed the prescribed course of action.

Sincerely yours in Christ,
Most Reverend Leonard P. Blair
Archbishop of Hartford

We are beginning to plan for the school year of 2022/2023! We are celebrating serving our parish and community for the past 21 years! We now have a five day classroom, three four year old classrooms that meet Monday, Wednesday, and Friday and three year old classes that meet Tuesday/Thursday. If your child is three by December 2022, now is the time to register for next year! We will be holding private tours after school hours and virtual tours at this time. Please visit our website for a video of our school as well as scheduling a private virtual tour at www.sttheresenurseryschool.com! Online registration is also available on our website in addition to information on our staff, curriculum, assessment, and photos of a typical day at STNS. You may also phone the Director, Michele Adinolfi at 203-234-9971 or by email at madinolfi70@gmail.com for more information on this process. We pray that you will make STNS the first stop on your child's learning journey!

***This week at the nursery school:**

Our families are an integral part of our community. Each year we have our families complete a "Time and Talent" survey to volunteer in our classrooms or at events. This year we are thinking outside of the box and our parents are sharing their talents from home! Parents are taping themselves cooking, crafting, or sharing a collection with our students. These video shares allow our parents to contribute to our school community while teaching our children that there is always a way to connect with others and learn something new! Technology at it's best!

FEBRUARY 27, 2022

Dear Parishioner,

Our parish family of St. Elizabeth of the Trinity thanks you for sharing your time and talent in one of our many ministries. While our faith guides us on this journey as a parish, the safety and wellbeing of all members of our parish is first and foremost. Therefore, under the directives of the Office of Safe Environment of the Archdiocese of Hartford, *all volunteers must complete the following in order to volunteer within our parish community.*

1. Attend a training in a program entitled Virtus Safe Environment Awareness Program Online

You can take a 1.5 hour online version at a time that is convenient for you by registering and visiting the link below

www.stelizabethofthetrinity.org

Click on Our Promise to Protect/ Select Virtus Training
*Choose Hartford, CT Archdiocese

2. Provide a background check every ten years, the background check form is provided by the Archdiocese for you to complete and return to them for review.

Receive, review, and acknowledge the 2016 Safe Environment Handbook by signing on the last page and returning to our parish.

*Both of these items are available on our website to print, at the entrances to each church, or you may pick up a packet at the main office at 44 Washington Avenue, North Haven.

Please feel free to contact the site coordinator at 203-234-9971 with any questions.

Near-Death Experiences

Question:

Are near-death experiences real?

Answer:

There is a lot of curiosity and fascination with the idea of an afterlife and communicating with those who have died. In movies, television shows, and numerous books, people make claims about their ability to communicate with the dead, or having had a near-death experience. There is no objective way to verify any of this. While details about people and events can be surprisingly accurate, it is just circumstantial evidence that might be explained in other ways.

On the other hand, when people have unusual experiences, sometimes called near-death or out-of-body, it is real to them. They react with the emotions and thoughts that one would expect. At times, they report details they could not have known any other way, such as bits of conversation, or meeting people they had never known in this life. So certainly, to the person, they experience something. We believe in a life after death, we believe in the communion of saints. These things are not a contradiction to faith, but we should not base our faith on them, nor change our beliefs. They are unexplained and will likely remain so.
