Maryann holds a Master's degree in Music from the Hartt College of Music of the University of Hartford and a Master's degree in Theological Studies from the Jesuit School of Theology in Berkeley, CA with a concentration in Sacred Scripture. Her experience has been with high school students, with adult students, and especially those who are incarcerated. We will be examining the Gospel stories of all four evangelists as well as moving on to the Hebrew Scriptures, trying to discover the theological significance of these writings for our lives. **The class will meet once a month on the third Thursday of each month beginning July 15 at 6pm In the Conference Room located in the Parish Center.**

THIRTEENTH SUNDAY IN ORDINARY TIME

Pastor's Weekly Reflection

Today's gospel paints a vivid picture of a woman whose faith earned her the attention of Jesus. That and the story about the healing of Jarius' daughter represent two incredible demonstrations of the power of faith. Every detail in the account of the woman afflicted with hemorrhages was deserving of mention. She had been in that bondage for twelve years, she had been to several physicians, she had spent all she had in the process, and yet her situation had gone from bad to worse. It was nothing short of a worst-case scenario, completely desperate. When she saw that life changing moment, she told herself that it was then or never, she believed that He alone can do what no doctor had been able to do, and she was made well. It is interesting that lots of people had physical contact with Jesus but none was as significant. Her's was a touch of faith. Although the story about Jarius may not sound as dramatic as that about the woman, it was no less significant as a faith encounter. He too saw in Jesus what even perhaps His disciples could not see. The phenomenal demonstrations of faith by these two outstanding individuals were accompanied by unparalleled graciousness on the part of Jesus who never turns away from His people. There are at least two principal lessons that we can learn from these beautiful episodes, namely: that the hopes of the just in Him can never be in vain. In our darkest moments God's help is always near if we can reach out in trust. The stories also show how effortlessly God places his grace at the disposal of His children. Grace was also a key concept in today's second reading from the second letter of Saint Paul to the Corinthians: He enjoins the Community at Corinth, while they excel in faith, discourse, and knowledge, to also excel in the kind of grace evident in the life of Jesus. He became poor that we might become rich, He died so that we might live, He gave His all that He might save all, and He spared no effort that would benefit any one, as we saw in the two miraculous healing stories. We are called to be Christ like, loving as He does, giving as He gives, and living as He lived. May God grant us the grace to be true representatives and ambassadors of His infinite grace and mercies, Amen.

CONGRATULATIONS TO ALL THE GRADUATES FROM OUR PARISH!

What's happening at St. Justin-St. Michael Parish

As of Sunday (May 22/23), Archbishop Blair has announced there is an obligation once again to participate at Mass. Given Governor Lamont's declaration that "remaining restrictions will be lifted, except masks" on May 19, 2021, our churches can: Reopen to 100% capacity with no need for any specific social distancing. Both entrances are available to enter/exit the church. **Effective Wednesday, June 9, 2021**, for those who are vaccinated, wearing masks will now be optional while at Mass, at other liturgies, and at any indoor or outdoor events held at our churches. Those who remain unvaccinated should continue to wear masks, with particular attention being given to the safety of young, unvaccinated children. We no longer need to do temperature checks at the door. Pew barriers (ropes) that were previously used to comply with social distancing can be removed. Floor decals will remain in place for now.

Liturgical Guidelines: Congregational singing is once again allowed, but masks need to remain on during singing and throughout the liturgy. The Sign of the peace can be announced but only to be exchanged without touching. The COVID-19 procedures for distributing Holy Communion will remain in place for now: Both the Priest/Deacon and those receiving are to wear masks. Communicants will receive the consecrated host in their hand, step to the side, lower their mask, consume the host, replace their mask, and return to their pew. Outdoor Masses continue to be an option and are allowed.

However, since the risk of infection still remains, the following individuals may decide not yet to attend church: those suffering from serious pre-existing conditions making them more susceptible to COVID-19; those who are ill or homebound or who are caregivers in close contact with someone who is; those who have tested positive for any contagious disease, including COVID-19; and those who are in quarantine due to exposure to any contagion, or who reside with someone who is quarantined.

ST JUSTIN—ST MICHAEL GIVING TREE

The Outreach Ministry at St. Justin-St. Michael will have the Giving Tree remain a permanent fixture in the church as a reminder that we all must continue to help the homeless. **We will continue to ask for donations of: Socks, Hats & Gloves, Washcloths, Deodorant, Toothpaste and Toothbrushes, Hand Sanitizer & Rain Ponchos. Thank you so much for what you continue to do for the least of our brothers and sisters. If you have any questions, you can speak with Cheryl Lawrence.**
