KNIGHTS OF COLUMBUS
IN SERVICE TO ONE IN SERVICE TO ALL.

Saint Lawrence Council #14014

Imagine being part of an organization that fills your heart and your mind with the joy of giving to others and the feeling that comes with making a difference."
To join or for more information about the Knights, please call Carlos Perez at 203-395-8086.

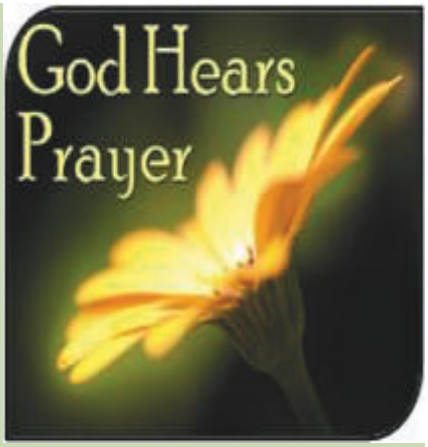
"Where is that thing?" mumbled Bob as he searched frantically on his dimly lit desk for the current electric bill. "I know I put it right on top of these papers this morning!" Growing in frustration and bordering on anger, he flies stuff around, moves books and opines why simple tasks need to be so hard. Enter his wife, who calmly says, "Maybe it would help if you put the light on, dear." The desk light goes on and lo and behold, there is the electric bill right where Bob left it earlier. All it took was a little light!

We stubbornly refuse to turn on the lights! Either we are distracted, determined, disinterested, preoccupied, stubborn, apprehensive, or all of the above. Or perhaps, we fail to do the obvious. We would rather live our lives with the dimmest of lights or even in total darkness. Why are we afraid to do something so that we can actually see? It might help us to find quicker and better answers to problems, the meaning of life, relationships, happiness, and what is ultimate truth. Yet, we stumble along, moving things from one side to the other, getting angry, feeling cheated, being unsettled, resigning ourselves to the agony of defeat once again.

"And behold, the star that they had seen at its rising preceded them, until it came and stopped over the place where the child was." The light has come into the world in the person of Jesus Christ! We no longer have to fumble in the darkness. We have been gifted with the illumination we need to see our way through things and find what we really are looking for. All these years later, however, so many are still reluctant to accept him. Perhaps they are unconvinced, disinterested, preoccupied, stubborn, apprehensive, or all of the above. Everyone has their own reason for not wanting to turn on the switch.

But there are so many answers to so many of our problems in this humble Child of Nazareth. A simple birth teaches us about God's tender wedded relationship with humanity. It speaks to the expanse of God's salvation across the globe, and the incarnate Divine wonders and blessings that are a part of our life moment to moment. It calls us to understand the design of world order God intended as found in the Beatitudes, the sacredness of every human life and all of creation and the meaning of things we struggle with most, like suffering and death. We have a lot of Good News to share, not just with a privileged few but with all the world. All races and creeds can receive God's healing word. God continues to manifest himself even now! Use the light to find what you are really looking for!

The Remnant



1. It would seem that the Pharisees' lives did give testimony to their firm belief in the Messiah. Yet, when the Messiah appeared, they missed out. They didn't recognize him. What happened? While their lives gave testimony to their beliefs, their hearts were not filled with the necessary love for God. They were unable to recognize the Messiah; rather, they were filled with self-love. They did the right things for the wrong reasons—selfishness or seeking the esteem of others. In short, they had the wrong attitude. Is this my kind of Christianity? Do I act "correctly," but out of selfishness or some other unworthy motive?

2. **A Faith That Grows Stronger at Mary's Side:** To prepare well for Christ's coming I would do well to ask Mary for her help. She prepared herself for nine months for the first coming of Jesus, and she did an excellent job. She can help me. If I haven't asked her for her help yet this Advent, there is still time to do so. Laudate. Don Schwagger

O Come, Let Us Adore Him

Prayer for the New Year

Dear Lord, as the new year begins, we are reminded that by Your amazing grace, each day is new, fresh, and bursting with love and potential. Thank you for helping us make it through a difficult year by carrying us through constant challenges and through the pain of hard losses. We look to You for hope, joy, and peace in this New Year. We pray to You to give us the courage to do all that You ask and the fortitude to resist temptation. Show us how to walk in grace and embrace Your love.

Lord, we ask for Your wisdom, for Your strength, and Your power to be constantly present within us. We pray You would make us strong and fearless for the road ahead. We pray for Your Spirit to lead us each step of this New Year. We ask that You guide our decisions and turn our hearts to deeply desire You above all else, to pursue You first, above every dream and desire within our hearts.

Lord, We ask that You keep our footsteps firm, on solid ground, helping us to be consistent and faithful. Forgive us for the times that we have not followed Your ways and for living distant from Your presence. We ask that You make all things new in our hearts, in our minds and in our lives for this coming year. Keep Your words firmly within us, giving us the power to stay focused on what is pure and right.

Lord, guide us to make a difference in this world. Help us to become great givers, help us to be generous and kind, and help us to look to the needs of others and not be consumed by only our own. Help us to remember that the gift of Christ is our greatest treasure, filling us with the joy and the peace of Your Spirit not just at Christmas, but the whole year through.

Lord, we ask that You provide for our needs, that Your blessings protect us, and that we remain in Your grace and favor. We pray for Your protection over our families and friends, that they be safe in Your hands. Amid the current global turmoil, we pray for peace and good health for the people of the world.

Lord, thank you for Your unending presence in our lives, and may the fruits of Your Spirit be evident in our lives - Your love, joy, peace, patience, truthfulness, kindness, goodness, faithfulness, gentleness, and self-control. Thank you for Your healing power, and for bringing us into this New Year. Amen.

LIVE THE LITURGY

Inspiration for the week

Even the slightest flicker of a light helps to properly orient us when we find ourselves in total darkness. Being in darkness can be unsettling and even a bit unnerving. We lose our focus and struggle to find our bearings and achieve balance. On life's journey we may think we are walking in the light but are really lingering in darkness. We do not see the full picture, either because we are distracted, disinterested, or even apprehensive. Sometimes, we even choose to close our eyes when the light is readily available to illuminate our path. Do we really desire to know the truth of who we are? In Jesus Christ, a light has been given to those who dwell in darkness. God's revelation gives us the light to see where we come from, who we are and where we are going. It also tells us that this Good News is not meant for just a privileged few but is intended to go out to all the world. Is this something we want to see?

SUNDAY'S READINGS

FIRST READING:
Rise up in splendor, Jerusalem! Your light has come,
the glory of the Lord shines upon you. (Is 60:1)

PSALM:
Lord, every nation on earth will adore you. (Ps 72)

SECOND READING:
It was not made known to people in other generation
as it has now been revealed
to his holy apostles and prophets by the Spirit:
that the Gentiles are coheirs, members of the same body,
and copartners in the promise in Christ Jesus through
the gospel. (Eph 2:5-6)

GOSPEL:
They were overjoyed at seeing the star,
and on entering the house
they saw the child with Mary his mother.
They prostrated themselves and did him homage. (Mt 2:10-11)

FAITH ~ HUMILITY ~ GENEROSITY ~ WISDOM

OBSERVANCES FOR THE WEEK OF JANUARY 3, 2021

Sunday:	The Epiphany of the Lord; National Migration Week

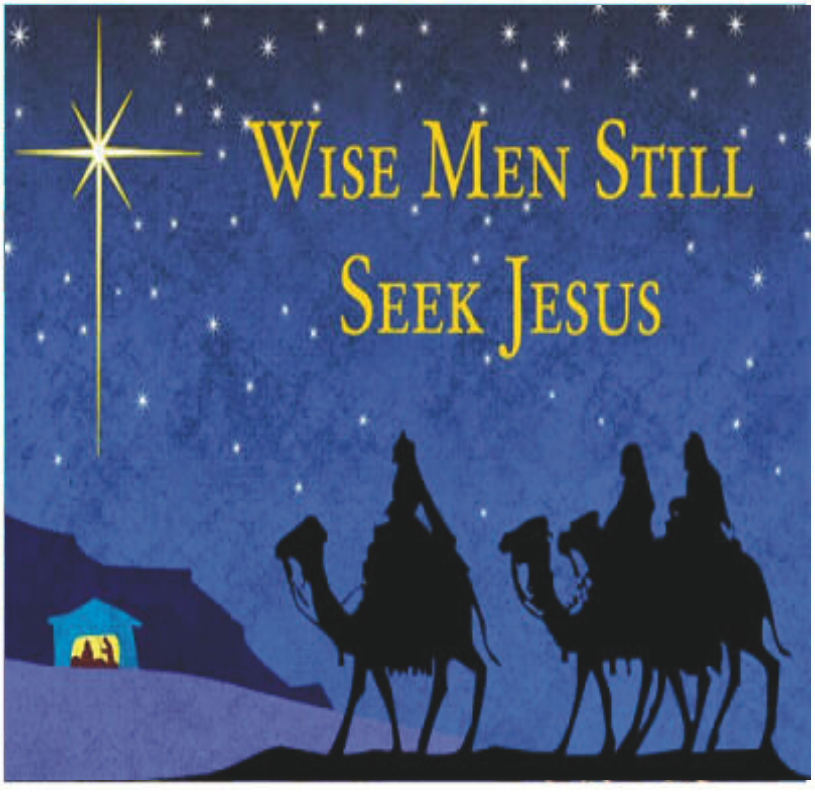
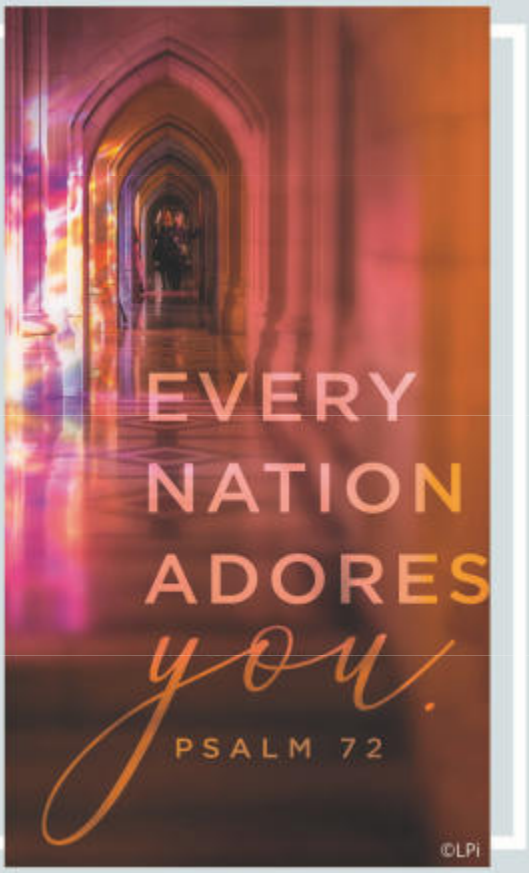
Tuesday:	St. John Neumann, Bishop
Wednesday:	St. André Bessette, Religious
Thursday:	St. Raymond of Penyafort, Priest
Next Sunday:	The Baptism of the Lord





REFLECT

FIRST READING
In late 6th century BC, the prophet Isaiah proclaimed an unimaginable future of glory for Israel in the wake of their return from seventy years of captivity in Babylon. What message of hope does our nation need today?

SECOND READING
Paul speaks of God's "revelation" to include Gentiles as "coheirs" and "copartners" with Jews in the divine promise fulfilled in Christ Jesus. How welcoming are you to those you consider outsiders?

GOSPEL READING
The magi's visit to discover the "newborn king of the Jews" caused great anxiety for the religious leaders of Jerusalem, including King Herod. Why do you think some people are not open to the good news of Jesus Christ?
