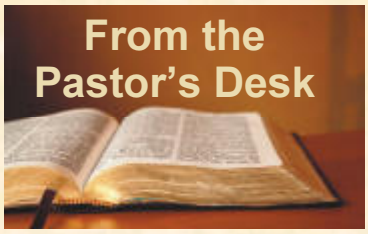
### *Welcome*

*New parishioners are invited to visit the Rectory Office to register at St. Lawrence Parish*



*Dear Parishioners,*

*Christ is Risen!*

*This message is proclaimed joyfully by the Church and by every faithful Christian announcing the great victory of Our Lord Jesus Christ over the powers of evil, hatred and darkness. God appeared to be weak and defeated, and his enemies seemed to have won, at least for a couple of days. But the Church has waited in silence and hope for Christ to come back triumphant from the dead and to reveal the power of God's Love. Indeed, the divine Love could not be kept and sealed in a cold and dark tomb. There is no stone, whatever big and heavy it might be, that Love cannot remove.*

*Christian people, bring out your Love to the light! Remove the stones that keep God's Love locked and sealed and allow it disperse all your fear and darkness. Christ is alive! Through Him our love is alive, our faith is alive. Our hope in God did not disappoint us. The resurrection of Jesus shows us that in the end Love always wins when we patiently wait for God's victory.*

*Rejoice! Christ is Risen indeed! Alleluia!*

*May God fill your hearts and your lives with the joyful song of victory of the Resurrection of Our Lord Jesus Christ!*

*Father Ciprian Bejan, Pastor*

# EASTER SUNDAY

When Simon Peter arrived after him, he went into the tomb and saw the burial cloths there, and the cloth that had covered his head, not with the burial cloths but rolled up in a separate place. - Jn 20:6-7

Almighty God, who through your only-begotten Son Jesus Christ overcame death and opened to us the gate of everlasting life: Grant that we, who celebrate with joy the day of the Lord's resurrection, may be raised from the death of sin by Your life-giving Spirit; through Jesus Christ our Lord, who lives and reigns with
You and the Holy Spirit one God, now and forever.
Amen

**Who are you? This question was most assuredly asked of Jesus on the day of resurrection and it is a question asked of each of us. Our identities can be described in so many ways. We can start with our gifts and our talents, expertise and unique personality expressions. We can describe things we like and things we prefer to set aside. As descriptive and captivating as these can be, none come close to our essence, our real and true self. While accurate in their own right, the self who lives and interacts with the world is the self we want others to see, the one we project. But there is much more to us just as there is much more to Jesus.**

**Jesus could describe himself based on all of the same criteria we use for ourselves. After all, Jesus is totally human. With all that people witnessed and all that Jesus knew about his physical human self, his divinity also shined forth. There was so much more to know about him. Whereas once Jesus was transfigured on top of a mountain before his disciples' eyes, so today he is transfigured before our eyes as he reveals his resurrected self as the Christ. Alleluia, Christ is risen! His glorified presence stands before us showing us that we are all much more than we see ourselves to be and show to others. We have a depth, purpose, and essence that go way beyond the superficial treasures of our existence to the very core of who we are.**

**Within each one of us is a spark of Divine Love where creature and Creator meet, and we are known uniquely by the name God whispers to us. It is not the earthly name that was given to us but the one that flows from Divine Power and claims us as one who is special and chosen in God's eyes. This is the self that will rise one day with the eternal Christ of God and live eternally as God provides. This is the self that when free from all superficial constraints layered upon it in this life can discover and know freedom in a way never possible before. This is love lifting us up and transforming us into who we really are, not who we want or need ourselves to be. Who are you? A special, unique child of God who has been fashioned in God's image, sustained by the power of God's love and kept eternally with the Blessed Trinity in heaven. Get to know this deeper, truer self as it is who you really are.**

## The Remnant

Alleluia! Today is one of the greatest days in our lives. This is the first day of the fifty-day Sunday, the Easter season. Alleluia! When we believe in our hearts that Jesus is risen from the dead (see Rm 10:9), everything is transformed and made new. Death no longer overshadows Life. The fear of death no longer enslaves us (Heb 2:15). Death has lost its sting (1 Cor 15:55). Death is not our enemy but our friend; it is not so much the end, but the beginning. We have "full confidence that now as always Christ will be exalted through" us, whether we "live or die" (Phil 1:20). For, to us, " 'life' means Christ; hence dying is so much gain" (Phil 1:21). "Now all is new!" (2 Cor 5:17; cf Rv 21:5) We need not wait until our death to share in Christ's Resurrection. We can share in Jesus' Resurrection now. Through Baptism and a life of faith, we have already "been raised up in company with Christ" (Col 3:1). We set our hearts "on what pertains to higher realms where Christ is seated at God's right hand" (Col 3:1). We are "intent on things above rather than on things of earth" (Col 3:2). Now the main purpose of life is to be a witness that Jesus is risen from the dead (see Acts 10:41-42). Alleluia! Easter is new and now.

**Promise:** "Let us celebrate the feast not with the old yeast, that of corruption and wickedness, but with the unleavened bread of sincerity and truth." —1 Cor 5:8

**Praise:** "Remember that Jesus Christ, a descendant of David, was raised from the dead" (2 Tm 2:8). Alleluia! Happy Resurrection Sunday! Risen Jesus, may We never forget to praise You.

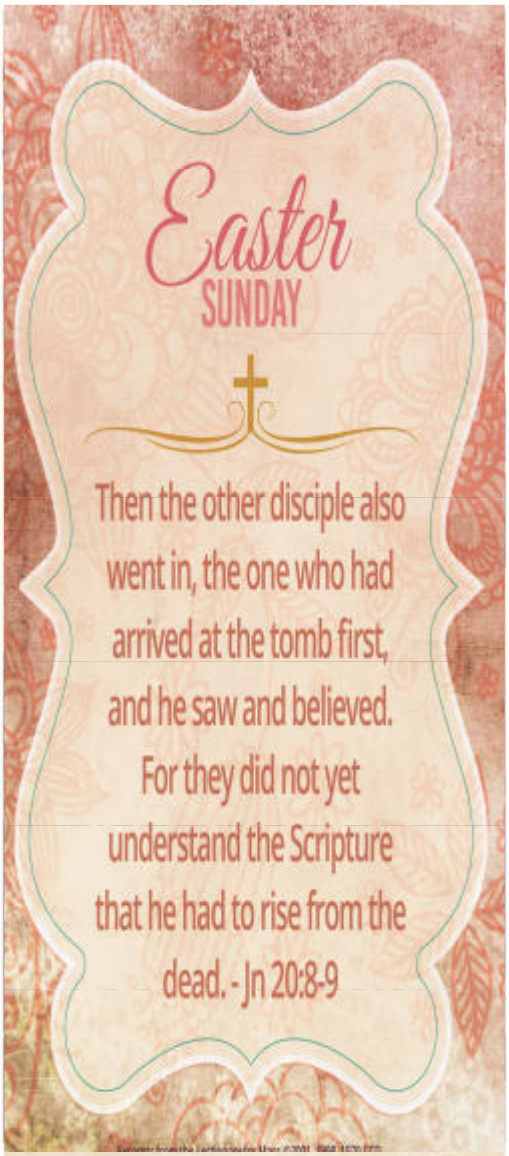
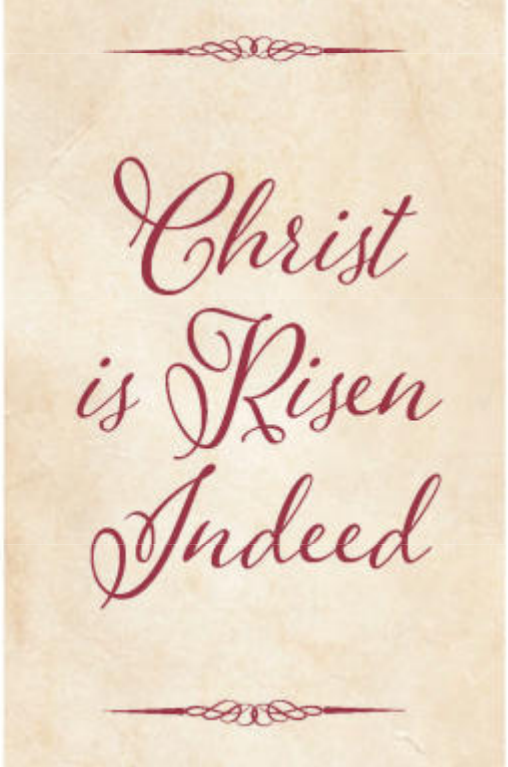
## LIVE THE LITURGY

### Inspiration for the week

Alleluia! Christ is risen! About today's feast, St. Augustine writes: "And he departed from our sight that we might return to our hearts and find him there. For he left us, and behold, he is here." Christ's resurrected presence lives not only in the highest heaven but in the fragile human heart. Christ's life inspires us and moves us to see a future for every human being and discover our true purpose and meaning. Every human being has a desire to live, and this cry can be heard within. There is a longing for a connection with Someone greater than ourselves that gives an import to our existence that we cannot supply. Today, our deepest questions find answers.





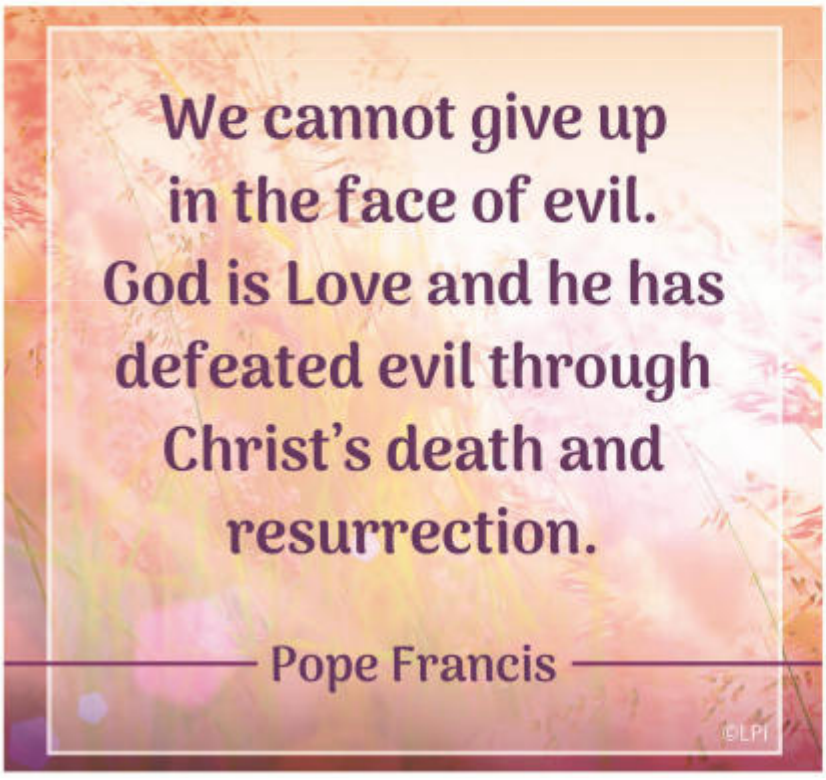
# SUNDAY'S READINGS

**FIRST READING:**
"To him all the prophets bear witness,
that everyone who believes in him
will receive forgiveness of sins through his name."
(Acts 10:43)

**PSALM:**
This is the day the Lord has made; let us rejoice and be glad. (Ps 118) Or Alleluia.

**SECOND READING:**
Think of what is above, not what is on earth.
For you have died, and your life is hidden with Christ in God. (Col 3:2-3)

**GOSPEL:**
Then the other disciple also went in,
the one who had arrived at the tomb first,
and he saw and believed. (Jn 20:8)



# REFLECT

**FIRST READING**
We hear today part of the speech that Peter delivered in the household of Cornelius, a centurion and Gentile-believer in Christ. Peter bore witness to his experiences with Jesus, including Jesus' resurrection. To whom do you bear witness to your faith in the resurrected Jesus?

**SECOND READING**
Paul urges the Colossians to remain focused on Jesus' resurrection, ascension, and final return — to "seek what is above." What do you find appealing in this spiritual exercise?

**GOSPEL READING**
Mark's account of Jesus' resurrection focuses on the women's discovery of the empty tomb. In fact, Jesus risen from the tomb is the original ending of the Gospel of Mark. Why do you think Mark would end his Gospel with the empty tomb?
