**The Next**
Bereavement
Support meeting will be
Thursday, February 10
at 2:00 PM in the back
conference room of the rectory

The Support Group is a small group voluntarily sharing their experiences in restructuring their lives from a loss of a loved one or dramatic change in life. We discuss helpful spiritual guidance and lessons learned from other support organizations.

Bereaving the Loss of Normal Life
In a changing Pandemic Environment

Bereavement is the process of recovering after a dramatic change in our lives such as a loss of a loved one, a job, a pet and now a Pandemic. We go through similar emotions of denial, anger, confusion and others.

As we managed to go through the holidays, we often start looking ahead, hopefully with a more controlled environment as we learn how to deal with challenges from the COVID Variants.

In this next session we will discuss a paper by Darcie Sims on "**Who Am I Now?**" As we deal with changes that were imposed on us by events out of our control, we often ask ourselves how to deal with others in this changing environment. Darcie, a bereaved mother, a psychotherapist, and inspirational speaker has 12 specific suggestions that we will discuss on coping with these changes and making sense of them.

If you cannot attend, please take a copy of this presentation from the Bereavement Support Folder in the vestibule of Our Lady of Lourdes Church or call the Parish Secretary at (860) 464-7251 and we will send one to you. You may also receive a pdf file of the presentation when you provide us with your email address. If you wish to discuss the presentation, or inquire about the Bereavement Support Group, please call Lou Tedeschi at (860) 464-2453.

Faith, Excellence, Service
CATHOLIC SCHOOLS WEEK
January 30 thru February 5

Sunday: Celebrating Your Parish: Catholic schools benefit all year long from the religious guidance, prayers and support parishes provide. Many parishes join in the National Catholic Schools Week celebration by devoting a Mass to Catholic education.

Monday: Celebrating Your Community: A central aspect of Catholic education is learning the importance of service to others. When students take part in service activities, they demonstrate the values and faith gained through Catholic education.

Tuesday: Celebrating Your Students: Schools celebrate students during National Catholic Schools Week by planning enjoyable and meaningful activities for them and recognizing their accomplishments.

Wednesday: Celebrating the Nation: On National Appreciation Day for Catholic Schools, students, families, educators and other Catholic school supporters communicate the value of Catholic education to government leaders.

Tuesday: Celebrating Your Students: By focusing on faith, knowledge and service, Catholic schools prepare children to use their God-given talents to the fullest later in life.

Friday: Celebrating Faculty, Staff and Volunteers: On this day, schools will honor teachers and principals as well as administrators and staff who support them in their work and thank those who provide volunteer service.

Saturday: Celebrating Families: Parents, guardians and other family members play a vital role in Catholic education. Not only do they volunteer at the school, they instill values and expectations for academic excellence in their children at home.

Project Rachel Healing Program

Are you grieving from an Abortion? Trust in the mercy of God's love. Consider these words from St. John Paul II to those suffering because of abortion: "The church is aware of the many factors which may have influenced your decision, and she does not doubt that in many cases it was a painful and even shattering decision. The wound in your heart may not yet have healed. Certainly what happened was and remains terribly wrong. But do not give in to discouragement and do not lose hope....The Father of mercies is ready to give you His forgiveness and His peace in the Sacrament of Reconciliation. You will come to understand that nothing is definitively lost and you will also be able to ask forgiveness from your child, who is now living in the Lord." (Evangelium Vitae, no. 99). Call Project Rachel, the church's post-abortion healing program, for a confidential referral to a priest who can help: 860-861-4439.
