Catholic Funerals: Every baptized Catholic has a right to the prayers of the church at the time of life threatening illness and death even if they have not been practicing their faith up until that time. The parish provides a guide for funeral planning and is prepared to assist at the time of a death in the family. Ordinarily the funeral home will contact the parish to schedule a funeral though families are always welcome to contact the office. Customarily a Catholic funeral has three distinct moments: the vigil prayers, funeral and rite of committal at burial.

Sacrament of Baptism: The Catholic custom of baptizing infants is founded upon the testimony of Scripture and Tradition and demonstrates the priority of grace as a gift in the Christian life. Customarily baptism occurs as soon as possible after birth. Please contact the parish office with requests for dates prior to selecting godparents for whom there are some requirements that need documentation.

Sacrament of Marriage: Please contact the parish office at least six months prior to a desired wedding date and prior to committing to a reception facility. Parish wedding dates can only be confirmed after meeting with the priest and completing initial documentation establishing a person's freedom to marry as a Catholic. The parish offers marriage preparation which is required in anticipation of the wedding.

VIRGIN OF KIEV

The famous icon of the Virgin of Kiev, which arrived in Ukraine in the year 1132, is a masterpiece of Byzantine iconography. This icon displays an animated face, and the great tenderness of the Virgin for her child, which was very unusual for the strict code of icon writing (painting) at the time. The Virgin's head, touching the baby, is a gesture of such deep affection.

The famous icon of the Virgin of Kiev has been described by the word *tenderness* which is why the image is referred to as the *Virgin of Tenderness* and has served as the inspiration of other images depicting the tender affection of the Virgin for her Child. This maternal affection is extended to all those who call upon the intercession of the Mother of Jesus who is our spiritual mother, too.

HOLY CROSS CEMETERY

Please be reminded of the rules and regulations that were established a few years ago in an ongoing effort to improve maintenance practices and insure the continued quality and general appearance of Holy Cross Cemetery.

11-G Urns and Flower Vases - Placement of approved urns, vases, baskets, boxes and potted plants is restricted to the following locations: one item on either end of the main above-ground monument only. In the event that there is no above ground monument on the lot, one of the items described above may be placed where the above ground monument would be located so as not to obstruct mowing operations.

11-H Ornaments - The use of shells, crushed or bleached stones, lawn ornaments, glass containers vigil or perpetual lights, shepherds crooks and tin cans is strictly prohibited. No lawn ornament of any kind as defined shall be allowed. The staff reserves the right to remove without notice any planting or object that is in violation of these regulations, is a hazard to its employees or detrimental to the general appearance of the cemetery.

12-B Rubbish - Throwing of rubbish on roads, driveways, paths, walks, or any part of the ground of any cemetery, or its buildings, is prohibited. All rubbish (including organic) must be removed from the cemetery by those persons generating the rubbish.

Please note that there is no water at the cemetery. Needed changes were made regarding the electricity, which means we are not able to run the pump that provides the water.

In our continuing effort to keep our staff and visitors safe, please remember the new rules and regulations that were adopted. All items that are deemed unsafe, such as solar lights and shepherds crooks will be placed by the shed for owners to pick up.

For a copy of the rules & regulations, please contact the parish office or copies are available at the work shed at the cemetery.

Thank you for your cooperation in helping the staff maintain the beauty and dignity of our cemetery.

MEN'S GROUP

All men of the parishes are invited to join the St. Rose/St. Joseph Men's Group. I have recently joined, and have found it to be an uplifting experience. We read written materials, and then review them, adding our own commentaries and faith-sharing. It's a comfortable, low-key atmosphere, and we find the conversation to be very edifying in regard to our Catholic faith. Our meetings are held from 6:00-7:30 PM on Wednesdays in the St. Rose basement. We just finished an excellent book for Catholic men, *Be A Man!*, by Father Larry Richards. We will be starting with a new book, *Bible Basics for Catholics*, on May 18th. The meeting following that one will be held on June 1st, since the Ascension Mass will take place on May 25th. We hope that you can join us!

GRADUATION MASSES ON SUNDAY, JUNE 5 AT ST. ROSE AND ST. JOSEPH

Prison Ministry Gathering in Waterville and Online on June 10

Those engaged in or simply interested in all aspects of ministries to the incarcerated are invited to attend a special program on Friday, June 10, from 10 a.m. to 2 p.m. at Notre Dame Church (112 Silver Street in Waterville). The program will be livestreamed for remote participation as well. The day is a chance to focus on the spiritual foundations on which the ministries are based. Joe Cotton of the Archdiocese of Seattle and the Catholic Prison Ministries Coalition will reflect on accompaniment in the model of Simon of Cyrene helping Jesus to carry His cross. Other topics will include prayer in prison and the ongoing formation of those who minister to those impacted by incarceration. Members of St Thérèse of Lisieux Parish in Sanford will also share about ministries to the incarcerated and their families. The day is planned to be prayerful, informative, and both socially and spiritually refreshing. Lunch is included. For more information, please contact Catholic Charities Maine's Parish Social Ministry at psm@ccmaine.org or (207) 781-8550.

Dobbs v. Jackson Women's Health

BACKGROUND: Mississippi's Gestational Age Act protects the health and wellbeing of pregnant mothers, the life and dignity of unborn children, and the integrity of the medical profession by limiting abortions after 15 weeks gestational age except in medical emergencies or for severe fetal abnormality. By 15 weeks, a baby has a heartbeat, can move and kick, can sense movement outside the mother's womb, has eyes and eyelids that are beginning to open, can hiccup, and can hear her or his mother's heartbeat. The people of Mississippi understand that life is a human right and every life deserves to be protected. So, they chose to pass a law to protect unborn children and their mothers. Mississippi's law is consistent with what more than 90% of countries worldwide already

do. In fact, the United States is an extreme outlier in abortion law and policy, being one of only four countries, including China and North Korea, that allows the abortion of a child any time during a woman's pregnancy. Shortly after Mississippi's law was enacted in 2018, the only abortion clinic in Mississippi challenged the law. On May 17, 2021, the Supreme Court granted review of Dobbs v. Jackson Women's Health Organization. The specific question the Court will answer is whether a state may enact limits on abortion before viability, i.e., when the baby is capable of living outside her mother's womb. The Supreme Court will consider the correctness of its previous rulings in Roe v. Wade and Planned Parenthood v. Casey, which severely limit the ability of states to protect their interests in unborn life and maternal health. Notably, the State of Mississippi explains in its brief that neither the right to an abortion nor a viability line have any basis in constitutional text or history, and that the medical research into fetal development over the last half century establishes that states have a compelling interest in protecting unborn life at 15 weeks.

More than 80 friend-of-the-court briefs were filed with the Supreme Court in support of the Mississippi law—exceeding the amicus brief filings in an average case multiple times over and resulting in the most amicus briefs ever filed in support of a pro-life law.

THE BOTTOM LINE: The U.S. Supreme Court should affirm that life is a human right and uphold Mississippi's law.

What can individuals do:

- View the websites www.respectlife.org and www.prayfordobbs.com
- Choose a time during the day (ex: 6 PM) to say a prayer for the case
- Fast once a week: For example, skip a meal; limit yourself to two small meals that do not equal a third, regular meal; or abstain from food for a day. Or, fast from something else, like your schedule, by offering an hour of your time to God in prayer, or fast from videos, television, or social media for a day.

VOLUNTEERS NEEDED TO REACH OUT TO ISOLATED SENIORS

This past year has been difficult, especially for seniors in our community who are living alone. Members of our community are encouraged to reach out to the elderly neighbors they know and to meet new neighbors by volunteering. The Catholic Charities SEARCH Program of Franklin County is looking for volunteers to assist seniors in Carthage, Chesterville, Jay, Livermore falls Farmington, & Strong.

SEARCH stands for Seek Elderly Alone, Renew Courage and Hope. SEARCH matches screened and trained volunteers with isolated seniors who need long-term companionship as well as help with grocery shopping and errands. Community volunteers come from all faiths, age groups, and walks of life. The mission of SEARCH is to enable vulnerable seniors to remain independent and create a long-term support system to meet their needs. Volunteers generally spend two to four hours a week with seniors, making their own schedule as their time permits. Seniors are especially grateful for the help they receive. Help make a difference in the life of a senior and volunteer with us!

For further info about the program, or to apply to volunteer with us, contact Janet McIntosh 200-0844 or jlmcintosh@ccmaine.org
