Welcome to Saint Bridget's. We extend a warm welcome to all attending our Church. There's nothing more basic and important which we do as Catholics than to gather as a worshiping community for the celebration of Mass. Since we're nourished at Mass by Word, Sacrament and Community, come early and stay late to get the most out of your weekly worship experience at Saint Bridget's. If you are new to our parish please stop and introduce yourself after Mass. We hope that you will find our parish to be a place where your life of faith will be nourished.

The wind ceased and there was great calm.
Then he asked them,
"Why are you terrified?
Do you not yet have faith?"

They were filled with great awe and said to one another,
"Who then is this whom even wind and sea obey?"

Summer Schedule Adjustment:

The Friday 3 PM Eucharistic Adoration at St Bridget's and the Tuesday 12:45 PM Adoration at St. Maurice will be suspended for July and August. We look forward to resuming our weekly Adorations in September.

The First Friday Mass, with adoration and confessions, will still be celebrated at St. Bridget's on July 5 and August 2 (the first Friday of each month).

Summertime: As summer is upon us, let's keep in mind that the Eucharist remains at the center of our Catholic faith every season of the year, and with it, our weekly gatherings as a worshiping community.

If you're going to be away for all or part of the summer, a quick, easy way to obtain Mass schedules for wherever you'll be, is masstimes.org, or by telephone by calling "1-800-Mass-Times" (1-800-627-7846). Otherwise, we look forward to seeing you on summer weekends when we gather, as we do throughout the year, not so much out of obligation, but out of love.

Speaking of vacations ... have a great time, but please don't forget about us. Our parish work continues, the bills continue, and we continue to need your support. Please submit your donation envelopes before or after your trip.

God is Speaking ...

Jesus was in the stern, asleep on a cushion. They woke him and said to him, "Teacher, do you not care that we are perishing?" He woke up, rebuked the wind, and said to the sea, "Quiet! Be still!" The wind ceased and there was great calm.

Mark 4:38-39

Do you desire to hear God speak to you? The most common way this happens is through prayerful meditation on the Gospels. Over the centuries, the saints have prayerfully pondered the Gospels and have offered various insights on the stories and our Lord's actions. Their insights are not primarily an intellectual exercise. Rather, they are first an exercise of prayer and meditation, revealing that the Scriptures have various layers of depth and meaning.

One Church Father, Saint Bede, explains from his prayerful pondering of today's Gospel passage that the boat in which Jesus crossed the sea represents the Cross by which safe passage is obtained to arrive at the shores of Heaven. The other boats that followed represent those who have faith in the Cross of Christ and follow. Though they suffer the waves of temptation and hardship, they press on, relying upon the saving power of the Cross. Jesus being asleep represents His sleep of death, and His wakening represents His resurrection. The pleas of the disciples represent our need to turn to Jesus during the storms and temptations of life. The rebuke of the waves and the ensuing calm reveal the grace won by His death and resurrection, which is able to silence the demons and disordered passions. The fear that the disciples encountered points to our own fear that results from a lack of faith and trust in God.

God is able to speak these and many other truths to us through His actions and words contained in the Scriptures. There is no limit to the depth and meaning we can receive through His holy Word. Therefore, though it is useful to reflect upon the saints' various interpretations of the Gospels, it is also very important to reflect upon these passages ourselves, so as to allow our Lord to reveal to us the message we need to hear.

Reflect, today, upon this Gospel scene. Try to find time to slowly read today's Gospel from beginning to end. Read a sentence and then close your eyes and try to imagine it. See Jesus entering the boat. Ponder the boat being an image of the Cross. See the sea as the many evils within this world. Consider the fear the disciples encountered during the storm. See yourself in that boat, waking our Lord. *(Continued in next column)*

(continued) Listen to Him silence the waves and restore peace. Hear Him say to you about your own struggles in life: "Why are you terrified? Do you not yet have faith?" As you prayerfully meditate upon this and other Gospel passages, know that God will speak to you and reveal to you the meaning that He wishes to communicate to you today.

My sleeping Lord, as I endure the many storms of life, may I always have faith in the saving power of Your Cross and Resurrection. May I always call upon You to calm the storms and hear You speak to me the many truths I need to hear. Jesus, I trust in You.
